hsa04080: Neuroactive ligand-receptor interaction
R-HSA-156590: Glutathione conjugation
GO:0006400: tRNA modification
GO:0009206: purine ribonucleoside triphosphate biosynthetic process
GO:0009409: response to cold
GO:0007528: neuromuscular junction development
GO:0007005: mitochondrion organization
GO:0032271: regulation of protein polymerization
WP411: mRNA processing
GO:0099072: regulation of postsynaptic membrane neurotransmitter receptor levels
GO:0061024: membrane organization
GO:0030072: peptide hormone secretion
GO:0048663: neuron fate commitment
GO:0060271: cilium assembly
hsa01240: Biosynthesis of cofactors
GO:0016050: vesicle organization
hsa00983: Drug metabolism - other enzymes
