a) Tamarix - Occurrence probability (Kriging mean)
pollen samples
northing [m]
easting [m]
×10^6
60°N
40°N
0°E
30°E
b) Tamarix - Semivariogram
×10^−2
experimental
exponential model
model fitting limit
semivariance
lag [m]
×10^6
c) Tamarix - Occurrence map (probability thresholds)
d) Tamarix - Occurrence uncertainty (Kriging variance)
pollen samples
