Household Roster: Schooling Status

NOTE: This roster should be used to record responses to Indicator 3.

Write down the first name or nickname and age of each household member. Then record the total number of members in the roster.

For each household member who is 5 to 16-years-old, ask: “*Did <Name> attend school in the current or most recent school year?*” Based on the responses, circle the response for the third indicator.
