

Default Question Block

Experimenter, please enter subject number here:

Thanks for participating in the study! Please answer a few last questions before you go.

Please indicate your gender:

- ☐ Male
- ☐ Female
- ☐ Prefer not to answer

How old are you?

Did you find the task easy or difficult?

- | | | | | | | |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Very
easy | Easy | Somewhat
Easy | Neutral | Somewhat
Difficult | Difficult | Very
Difficult |
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Are you right or left handed?

- ☐ Right handed
- ☐ Left handed

Do you wear corrective lenses? If so, are you wearing them right now?

- ☐ Yes, but I'm not wearing them now
- ☐ Yes, and I am wearing them now
- ☐ No, I'm don't wear corrective lenses

Do you have normal color vision? If not, please be specific about the nature of your color blindness (ex: red-green colorblind, blue-yellow colorblind, etc).

- ☐ Yes, I have normal color vision

☐ No (explain)

Is English your only native language?

- ☐ Yes
- ☐ No, English is not my native language
- ☐ No, I spoke English and other languages growing up

Since you indicated that you grew up speaking languages other than English, please tell us what language(s) you grew up speaking:

What do you think this study was about?

Do you think that it became easier or harder to find blue dots as the study progressed?

- ☐ It became **easier** to find blue dots as the study progressed
- ☐ It became **harder** to find blue dots as the study progressed
- ☐ It was **about the same** throughout the study
- ☐ I'm not sure

Do you feel that the amount of blue dots in each series changed during the study?

- ☐ No, there were the same number of blue dots throughout the study
- ☐ Yes, there were fewer blue dots as the study went on
- ☐ Yes, there were more blue dots as the study went on
- ☐ I'm not sure

We want to get a sense of how many blue dots you think you saw at different times in the study. Please indicate, using the sliders below, your impressions about what proportion of the dots you saw were blue. If you have no idea, please check the box labeled "Not sure" instead of using the slider.

In the first few series, I saw...											<input type="checkbox"/>
The the middle few series, I saw...											<input type="checkbox"/>
In the last few series, I saw...											<input type="checkbox"/>

By the end of the study, do you think that your definition of what counted as a "blue" dot changed?

- ☐ No, I think that my definition of what counted as a blue dot did not change during the study.
- ☐ Yes, I think my definition of what counts as a blue dot expanded -- I counted a wider range of colors as blue at the end of the study compared to the beginning of the study.
- ☐ Yes, I think my definition of what counts as a blue dot narrowed -- I counted a smaller range of colors as blue at the end of the study compared to the beginning of the study.
- ☐ I'm not sure if my definition changed
- ☐ I don't understand this question

What did the instructions at the beginning of the study say about the **consistency** of your responses in the task?

- ☐ The instructions said that I should try to be consistent over time
- ☐ The instructions said that I shouldn't worry about trying to be consistent over time
- ☐ The instructions didn't mention consistency at all
- ☐ I'm not sure

Were you told that it was possible to earn a cash bonus in this experiment?

- ☐ Yes, a bonus awarded randomly
- ☐ Yes, a bonus for the most consistent participants
- ☐ No, a cash bonus was not mentioned at all
- ☐ I'm not sure
