

**Default Question Block**

Experimenter, please enter subject number here:

Thanks for participating in the study! Please answer a few last questions before you go.

Please indicate your gender:

- ☐ Male
- ☐ Female
- ☐ Prefer not to answer

How old are you?

Did you find the task easy or difficult?

- |                       |                       |                       |                       |                       |                       |                       |
|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| Very<br>easy          | Easy                  | Somewhat<br>Easy      | Neutral               | Somewhat<br>Difficult | Difficult             | Very<br>Difficult     |
| <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Are you right or left handed?

- ☐ Right handed
- ☐ Left handed

Do you wear corrective lenses? If so, are you wearing them right now?

- ☐ Yes, but I'm not wearing them now
- ☐ Yes, and I am wearing them now
- ☐ No, I'm don't wear corrective lenses

Do you have normal color vision? If not, please be specific about the nature of your color blindness (ex: red-green colorblind, blue-yellow colorblind, etc).

- ☐ Yes, I have normal color vision

☐ No (explain)

Do you have trouble recognizing faces, or do you have prosopagnosia (face-blindness)?

- ☐ No, neither
- ☐ Yes, I just have trouble recognizing faces
- ☐ Yes, I have prosopagnosia

Is English your only native language?

- ☐ Yes
- ☐ No, English is not my native language
- ☐ No, I spoke English and other languages growing up

Since you indicated that you grew up speaking languages other than English, please tell us what language(s) you grew up speaking:

What do you think this study was about?

Do you think it became easier or harder to find threatening faces as the study progressed?

- ☐ It became **easier** to find threatening faces as the study progressed
- ☐ It became **harder** to find threatening faces as the study progressed
- ☐ It was **about the same** throughout the study
- ☐ I'm not sure

Do you feel that the amount of threatening faces in each series changed during the study?

- ☐ No, there were the same number of threatening faces throughout the study
- ☐ Yes, there were fewer threatening faces as the study went on
- ☐ Yes, there were more threatening faces as the study went on
- ☐ I'm not sure

We want to get a sense of how many threatening faces you think you saw at different times in the study. Please indicate, using the sliders below, your impressions about what proportion of the faces you saw were threatening. If you have no idea, please check the box labeled "Not sure" instead of using the slider.

	0 - No threatening faces				50 - About half threatening faces				100 - All threatening faces				Not Applicable
	0	10	20	30	40	50	60	70	80	90	100		
In the first few series, I saw...												<input type="checkbox"/>	
The the middle few series, I saw...												<input type="checkbox"/>	
In the last few series, I saw...												<input type="checkbox"/>
