

Default Question Block

Experimenter, please enter subject number here:

Thanks for participating in the study! Please answer a few last questions before you go.

Please indicate your gender:

☐ Male

☐ Female

☐ Other:

☐ Prefer not to answer

How old are you?

Did you find the task easy or difficult?

Very
easy

Easy

Somewhat
Easy

Neutral

Somewhat
Difficult

Difficult

Very
Difficult

☐☐☐☐☐☐☐

Are you right or left handed?

☐ Right handed

☐ Left handed

Do you wear corrective lenses? If so, are you wearing them right now?

☐ Yes, but I'm not wearing them now

☐ Yes, and I am wearing them now

☐ No, I'm don't wear corrective lenses

Is English your only native language?

- ☐ Yes
- ☐ No, English is not my native language
- ☐ No, I spoke English and other languages growing up

Since you indicated that you grew up speaking languages other than English, please tell us what language(s) you grew up speaking:

Do you think that it became easier or harder to find unethical studies as the study progressed?

- ☐ It became **easier** to find unethical studies as the study progressed
- ☐ It became **harder** to find unethical studies as the study progressed
- ☐ It was **about the same** throughout the study
- ☐ I'm not sure

Do you feel that the amount of unethical experiments in each series changed during the study?

- ☐ No, there were the same number of unethical experiments throughout the study
- ☐ Yes, there were fewer unethical experiments as the study went on
- ☐ Yes, there were more unethical experiments as the study went on
- ☐ I'm not sure

We want to get a sense of how many unethical experiments you think you saw at different times in the study. Please indicate, using the sliders below, your impressions about what proportion of the experiments you saw were unethical. If you have no idea, please check the box labeled "Not sure" instead of using the slider.

	0 - No unethical experiments				50 - About half unethical experiments				100 - All unethical experiments				Not Applicable
	0	10	20	30	40	50	60	70	80	90	100		
In the first few series, I saw...												<input type="checkbox"/>	
The the middle few series, I saw...												<input type="checkbox"/>	
In the last few series, I saw...												<input type="checkbox"/>	

By the end of the study, do you think that your definition of what counted as an "unethical" experiment changed?

- ☐ No, I think that my definition of what counted as an unethical experiment did not change during the study.
- ☐

- ☐ Yes, I think my definition of what counts as an unethical experiment expanded -- I counted a wider range of experiments as unethical at the end of the study compared to the beginning of the study.
- ☐ Yes, I think my definition of what counts as an unethical experiment narrowed -- I counted a smaller range of experiments as unethical at the end of the study compared to the beginning of the study.
- ☐ I'm not sure if my definition changed
- ☐ I don't understand this question

What do you think this study was about?
