Agenda

Monday 22 September 2025	
12:00	Registration and lunch
13:00	Welcome
13:30	Plenary 1: Harmonising IG for Federation An interactive workshop based session introducing principles based IG and the potential for federated governance - why do we want to work in this way? What does the new OLS "flexible rules based" system mean to you?
15:00	Break (tea and coffee)

15:30	Plenary 2: The Technical Candidates for Federation This session will show off some of the federation work that already exists in the UK and beyond- we've spoken about federation for many years, but it's only recently that it's becoming a reality.
17:00	Break
18:00	Networking and canapes
Tuesday 23 September 2025	
09:00	Registration & Coffee
09:30	Plenary 3: Operations and Output checking in a federated world Implications for particular areas of federation. How do we get agreement for OSDC in a federated world. Interactive session in groups.
11:00	Break (tea and coffee)
11:30	Parallel breakouts <div> <div> Breakout 1: IG Principles and Risk assessment Risk Assessment: scenario based workshop to match actual examples to the risk matrix </div> <div> Breakout 2: SATRE accreditation & Governance Should SATRE become a formal accreditation, what form should that take, and who should govern and manage changes to SATRE? </div> <div> Breakout 3: Training on SDC To identify current gaps in SDC training for researchers and data service staff, identify useful ways forward </div> <div> Breakout 4: IG Failures & Learning A safe space to discuss when IG has been inefficient or unsafe and lessons learned on how to do things differently - bring your examples! </div> <div> Online Breakouts: Based on demand </div> </div>
13:00	Lunch
14:00	Parallel breakouts <div> <div> Breakout 1 (continued): IG Principles and Risk assessment Following on from plenary 1 - developing the potential principles that could be agreed upon across TREs </div> <div> Breakout 5: SATRE - moving to federation What changes/additional are we making to SATRE to support federation? </div> </div>

Breakout 6: TRE Skills Framework for the federation age Skills frameworks: exploring the development of career pathways in a federated landscape	
Breakout 7: AI output checking and process change Exploring the practical consequences of allowing ML models to be run in and released from a TRE	
Online Breakouts: Based on demand	
15:30	Breakout Feedback & Lightning talks
17:30	Break
19:00	Buffet Dinner
Wednesday 24 September 2025	
09:00	Tea and coffee
09:30	Plenary 4: Funding the UK Digital Research Infrastructure An interactive session where we will give some examples and a discussion around federation on the ground and how it affects TRE running costs, with an update from DARE UK on future funding opportunities.
11:00	Break (tea and coffee)
11:30	Plenary 5: Public Involvement in TREs This panel session will be led by public partners and will look at the impact public involvement and engagement is having on the development of TREs.
13:00	Wrap up: What Next?
13:15	Lunch and depart
