

Email invitation for screening

Subject: Share your thoughts on in-IDE AI assistance!

Hello,

At JetBrains, we're trying to better understand developers' notions about AI for coding and their needs and aspirations in this regard. Whether you're currently using AI for coding, have used it before, or have yet to explore it, your input is valuable to us. Please help us by sharing your experience in a 90-minute interview.

As a "thank you" for your time, you'll receive either a \$100 Amazon Gift Card or a one-year subscription to the JetBrains All Products Pack, whichever you prefer. These rewards presume your full participation in the study.

To sign up, please answer some questions about your professional background in our brief survey. If your profile matches the criteria for this study, we'll follow up with an additional invitation email and provide further details.

Sign up for the study: [survey link]

All interviews are held in English, recorded, and kept strictly confidential. Please be aware that participation is subject to our [General Research Terms](#).

Thank you!
