

Supplement S3: Zenodo Submission Checklist (Metadata + Files)

Kingdom Conformance RFC v1.3.6 — public-safe, citation-clean upload checklist. This supplement adds no requirements to the RFC; it is an operator-facing submission aid.

A. Files to upload (single Zenodo record)

- RFC PDF: *Kingdom_Conformance_RFC_v1.3.6_Zenodo_STANDARD_APEX.pdf*
- RFC DOCX (optional): *Kingdom_Conformance_RFC_v1.3.6_Zenodo_STANDARD_APEX.docx*
- Supplement S1 (Auditor Playbook PDF): *Supplement_S1_Auditor_Playbook_Kingdom_Conformance_v1.3.6.pdf*
- Supplement S2 (Reference Verifier + Test Vectors, ZIP):
Supplement_S2_Reference_Verifier_Test_Vectors_Kingdom_Conformance_v1.3.6.zip
- One-page Claim Card: *Kingdom_Conformance_Normative_Claim_Card_OnePage_PRO_v1.3.6.pdf*
- One-page RFP Appendix Template:
Kingdom_Conformance_RFP_Appendix_Template_OnePage_PRO_v1.3.6.pdf
- Zenodo Upload Pack (optional): *Zenodo_Upload_Pack_Kingdom_Conformance_v1.3.6_STANDARD_APEX.md*

B. Core Zenodo metadata (required)

■ Title	Receipts, Not Promises: Fail-Closed Governance for High-Stakes AI (Kingdom Conformance RFC v1.3.6)
■ Version	v1.3.6
■ Publication date	
■ Creator / Author	Yong Bok Lee — Meridian Verity Group — MeridianVerity@proton.me
■ Description	Paste from Zenodo Upload Pack (abstract + included files).
■ Keywords	governance; conformance; deterministic validation; fail-closed; receipts; auditability; procurement; privacy-preserving verification; policy packs; conformance pack; PASS/FAIL/HOLD
■ License (text)	CC BY 4.0 (text). Patent rights are not licensed by this publication.

C. Optional metadata

- Communities: add only if applicable (search in Zenodo UI; do not guess names/IDs).
- Related identifiers: add only if you have stable external IDs (e.g., code repo URL/DOI); otherwise leave blank.

D. Filing checks (before Publish)

- RFC PDF first page shows author “Yong Bok Lee” and exactly one alias line: “Yong Bok Lee (publishing as Scott Lee)”.
- Suggested citation uses “Yong Bok Lee”; no legacy author name elsewhere.
- All included artifacts reference RFC v1.3.6 consistently (Claim Card, RFP Appendix Template, Supplements S1–S3, Supplement S2 ZIP README/NOTICE).
- Public-safe only; no confidential/proprietary material.
