Household Roster: Household Members and Schooling Status

NOTE: This roster should be used to record responses to Indicators 2 and 4.

Write down the first name or nickname and age of each household member. Then record the total number of members in the roster and mark the response to the second scorecard indicator.

For each household member who is 6 to 16-years-old, ask: “*Did <Name> attend school this school year?*”
Based on the responses, circle the response for the fourth indicator.

First Name or Nickname	Age	If <Name> is between the ages of 6 to 16, did <Name> attend school this school year?
