Household Roster

NOTE: This roster should be used to record responses to Indicators 2 and 3.

Write down the first name or nickname and age of each household member. Refer to the interview guide for criteria to determine if someone is a household member or not. Then record the total number of members in the roster and mark the answer to the second question accordingly. Record the total number of members between the ages of 0 and 6 and mark the answer to the third question accordingly. Then ask the rest of the questions.
