Explanation:

<https://www.easy-quizzz.com/au/>

The mirror image of the given shape is option C. It is the exact reflection of the shape across a vertical axis.

Question 3

Which of the following is a common trait observed in Australians?

Options:

- A. Strong preference for spicy food
- B. High value placed on individualism
- C. Tendency to avoid outdoor activities
- D. Lack of interest in sports

Answer: B

Explanation:

Australians are known for their strong value placed on individualism. This can be seen in their emphasis on personal freedoms and independence.

Question 4

Which city is the capital of Australia?

Options:

- A. Sydney
- B. Melbourne
- C. Canberra
- D. Perth

Answer: C

Explanation:

The capital of Australia is Canberra. While Sydney and Melbourne are larger and more well-known cities, Canberra was specifically chosen to be the capital due to its central location between the two.

Question 5

What is the missing piece in the series?

Options:

- A. option 1
- B. option 2

C. option 3

D. option 4

Answer: B

Explanation:
