

OPERAS Pathfinder Service

Finding editorial services for academic publishing

MAIN INFORMATION

Pathfinder is a platform providing a catalogue of publishing and editorial services offered by OPERAS members. It guides editors, editorial managers and authors to discover the best service to fit their demands, whether the goal is to publish journals, books or other research outputs.

FEATURES

- Diverse service catalogue
- Customisable search
- Personalised kits
- Community-driven updates

@ Pathfinder

Find your way through the publication maze

Browse services, create personalized service bundles and share them to take your
publication journey to the next level
