

ICMJE REGISTER OF INTERESTS

I have no relevant potential conflicts of interests to declare relating to income received, in the last five years, under any of the following headings in relation to the COSTER project.

- Grant support
- Relevant employment (past, present, or firm offer of future)
- Patents (pending or applied)
- Payment for expert witness or testimony
- Personal financial interests by the author(s), immediate family members, or institutional affiliations that may gain or lose financially through publication of the article
- Forms of compensation, including travel funding, consultancies, board positions, patent and royalty arrangements, stock shares, or bonds.
