[ #SHANXI confirmed diagnosis of the first case of new pneumonia # ] Today, the National Health and Medical Commission confirmed the first confirmed case of pneumonia in a new type of coronavirus infection in Shanxi Province. The patient, male, from Taiyuan, traveled in Wuhan from January 12th to 15th. On the 19th, he developed fever with headache. On the 20th, he went to Shanxi Bethune Hospital for a fever clinic. On the 21st, he was transferred to the designated hospital of Shanxi Province (the Fourth People's Hospital of Taiyuan) for isolation and treatment. The patient is currently in stable condition. Six close contacts have been followed up and medically observed, and are currently normal. (CCTV reporter Song Yunyi)
