Cambodia's first corona virus patient, Jia Jianhua, is reported to be recovering. However, he and his three family members are still under observation and quarantine at the provincial referral hospital.

Khmer Times has learned that he is one of the seventy other passengers who had travelled from Wuhan to Sihanoukville according to Ministry of Health.

Passenger list for the flight from Wuhan that Mr Jianhua arrived on. Supplied

The treatment given to the patient is unknown at the moment.

Lives in the old lab

One of Cambodian legendary architect Van Molyvann's lesser known works is the original Pasteur Institute situated in a low-lying plain of Chroy Chongva peninsula. Having lost its original function for almost 40 years, it is now home to more than 100 families.

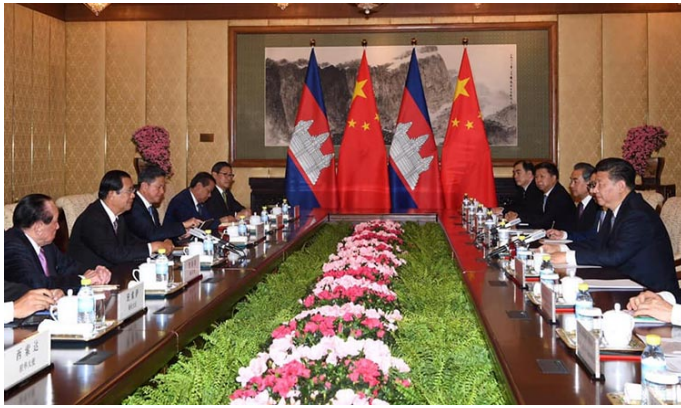

UYFC inks symbolic agreement with

Taking place at the Cambodia-Korea Cooperation Center, both the Singaporean Embassy and the Union Youth Federation of Cambodia signed a memorandum of understanding to form a partnership in

Opinion

Why form a free-trade deal between Cambodia, China?

Cambodia and China have recently started studying a possibility to establish a bilateral free-trade agreement (FTA).

Features

Feeling at home during China study trip

Cambodia has an old saying that an acquaintance is greeted at the gate while a close friend is welcome into the house.
