Article display

Home Page

Notes

Drop down menu listing  
general topics such as  
Relationships Transitions etc

Notes

if you click on a (#)  
you could be brought  
to an article list  
of similar points

Notes

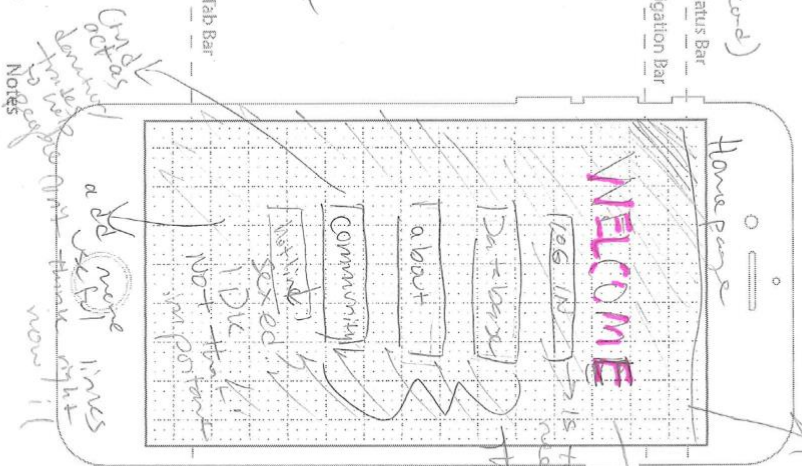

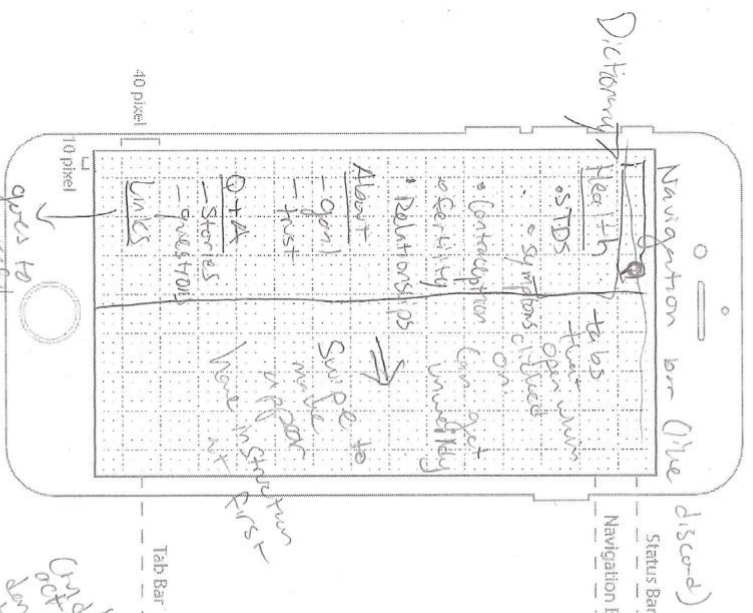

Think game inventory  
designs for articles

iPhone 6

Initial I

sq. 22

color screens 1 file;  
black + white  
3 (reminds me of  
the title!)

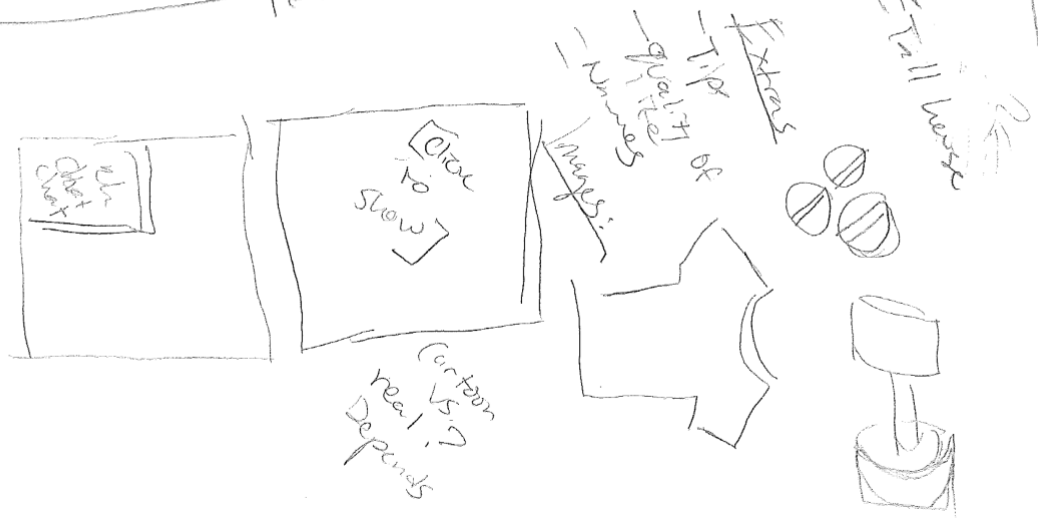

Notes

Notes

Notes

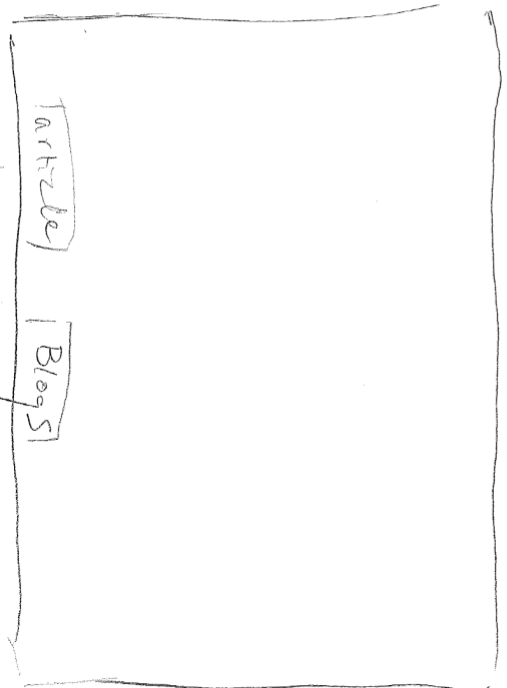

uses to  
sources on other sites,  
Then you don't have  
to search around  
a lot,

my goals:  
- find best amount of  
maps to get to a  
clear organization  
marvelapp.com
