

PSSOH post-conference

“Linux installation workshop”

At this workshop, we will help participants to install Linux on their devices and answer all their questions that about Linux. We can install Linux on regular laptop, or if someone has an old laptop we can bring it back to life. Participants should bring their laptops, but workshop is open to everyone who is interested just to watch and ask questions.

11:00 – 11:30 Introduction

Nikola Todorović, Mihajlo Pavlović, Dejan Petković

11:30 – 13:30 Linux Installation

Nikola Todorović, Mihajlo Pavlović, Dejan Petković

PSSOH post-konferencijska

“Radionica instaliranja Linuksa”

Na ovoj radionici ćemo pomoći učesnicima da instaliraju Linux operativni sistem na svojim uređajima i odgovoriti na sva pitanja vezana za Linux. Možemo pomoći polaznicima da Linux instaliraju na regularnom laptopu, a možemo i neki stari laptop vratiti u život. Učesnici radionice bi trebalo da ponesu svoje laptop računare, ali radionica je otvorena i za sve koji su zainteresovani samo da odslužaju prezentaciju i postavljaju pitanja.

11:00 – 11:30 Uvodna prezentacija

Nikola Todorović, Mihajlo Pavlović, Dejan Petković

11:30 – 13:30 Instalacija linuksa

Nikola Todorović, Mihajlo Pavlović, Dejan Petković
