

Biological process

GO:0071805, potassium ion transmembrane transport

GO:0051603, proteolysis involved in cellular

GO:0009408, response to heat

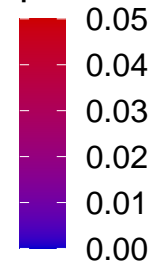

GO:0006167, AMP biosynthetic process

GO:0031323, regulation of cellular metabolic process

GO:0051171, regulation of nitrogen compound

GO:0007155, cell adhesion
