Complete bibliography of Frederick Albert Lionel Clowes in chronological order.

This list is compiled in accordance with the list made by F.A.L. Clowes himself, with some modifications and corrections. The publications starting from 1988 were added by the authors. Book reviews are not included in this list.

Clowes FAL. 1950. Root apical meristems of *Fagus sylvatica*. *New Phytologist* **49**, 248-268.

Clowes FAL. 1951. The structure of mycorrhizal roots of *Fagus sylvatica*. *New Phytologist* **50**, 1-16.

Clowes FAL. 1953a. The cytogenenerative centre in roots with broad columellas. *New Phytologist* **52**, 48-57.

Clowes FAL. 1953b. The promeristem of roots. *Proceedings of the VII International Botanical Congress*, 357-358.

Clowes FAL. 1954a. The root cap of ectotrophic mycorrhizas. *New Phytologist* **53**, 525-529.

Clowes FAL. 1954b. The promeristem and the minimal constructional centre in grass root apices. *New Phytologist* **53**, 108-116.

Clowes FAL. 1956a. Localization of nucleic acid synthesis in root meristems. *Journal of Experimental Botany* **7**, 307-312.

Clowes FAL. 1956b. Nucleic acids in root apical meristem of *Zea*. *New Phytologist* **55**, 29-34.

Clowes FAL. 1957. Chimeras and meristems. *Heredity* **11**, 141-148.

Clowes FAL. 1958a. Protein synthesis in root meristems. *Journal of Experimental Botany* **9**, 229-238.
