

Moodle is a learning platform that we use for the lectures. So, all lecturers and all lectures have their own categories, and we look at these categories. Then, there is a separate page, where we can find the lectures for the respective week on a list. Then we click on these lectures, we look at them and some lecturers upload their slides there. We can use those also. Otherwise, we do not have any exercises or so on Moodle, therefore I cannot say anything about them.
