## Powering Sustainable Knowledge in the Digital Age

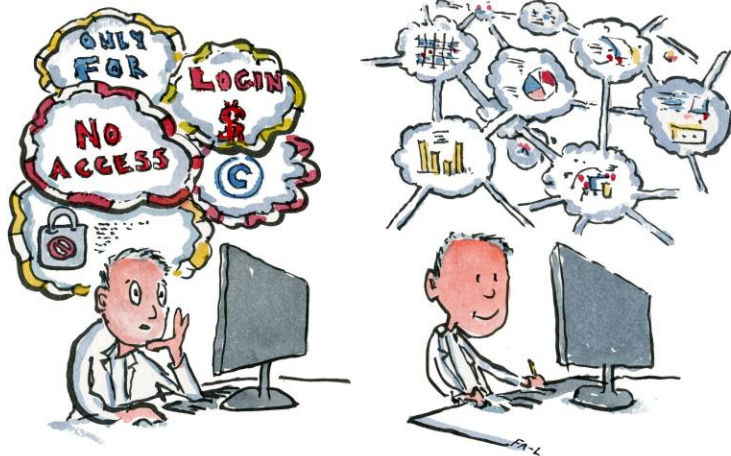

For the last time!

Interactive session:  
How far did we get?

# Research Landscape Vision 2022...

From closed to open access

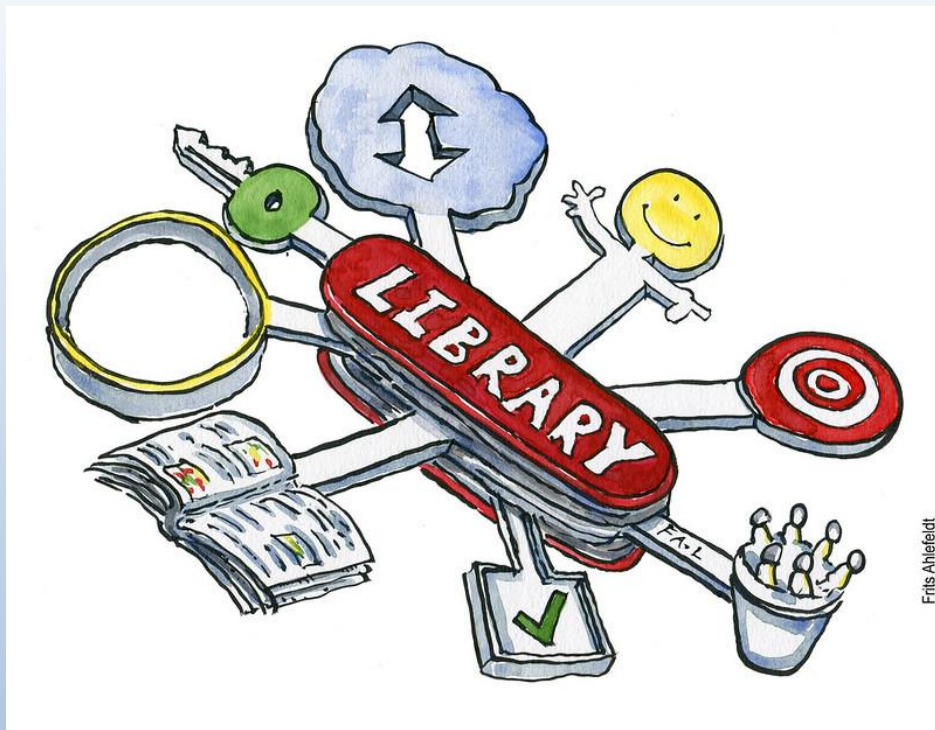

# 1. Open Access is the main form of publishing.

## 2. Research Data is Findable, Accessible, Interoperable and Reusable (FAIR).

### 3. Digital Skills underpin a more open and transparent research life cycle.

Information landscape with information clouds, sea-waves, roads, waterhole, tree and volcano

#### 4. Research Infrastructure is participatory, tailored and scaled to the needs of the diverse disciplines.

**5. Tomorrow's cultural heritage is built on today's digital information.**
