PREFACE

This novelties collection is an output that shines from article reviews on da'wa published by scientific journals. This collection is the result of the "Da'wa Science" lecture at the Islamic Guidance and Counseling Study Program, Faculty of Da'wa and Communication, Sunan Ampel State Islamic University, Surabaya, Indonesia, on Odd Semester of 2022-2023. The reviewers are the students concerned in class B5.

The teaching lecturer guides the reviewers who are divided into 12 teams with different articles. Each team reviewed one article. The review includes the description of the article that was reviewed, the description of previous researches, the discussion of the review, the preparation of novelty from the article abstract, and the contribution of article to the development of science insights, especially the study programs concerned.

The presence of this collection marked the progress of student's study since they were in the first semester in their S1 study range. This is a valuable achievement savings for them and can be an important rising ladder in their intellectual progress during the study period and at the next level of study.

On the end, the teaching lecturer conveyed congratulations and high appreciation to all students who contributed to this collection. Hopefully they can all achieve the best achievements in their studies with great useful knowledge for religion and people at large. *Amin.*

Lecturer	: Dr. Sokhi Huda, M.Ag
Indonesian Novelty	: Cinta kepada Allah dan cinta karena Allah dapat mengantar cinta yang boleh membawa gejala sosial, dan oleh karena itu mendidik konsep cinta Muslim kepada remaja Islam amatlah penting dan boleh diterapkan melalui berbagai mekanisme dakwah. Antara media cetak, media massa, ceramah, syarahan dan forum, facebook, twitter, instagram dan sebagainya. Tetapi permasalahannya di sini para remaja zaman sekarang belum bisa memanfaatkan mekanisme dakwah tersebut dengan benar. Oleh karena itulah betapa pentingnya untuk bisa memahaminya.
English Novelty	: Love for God and love because God can deliver love that can bring social phenomena, and therefore educating the concept of Muslim love for Islamic teenagers is very important and may be applied through various da'wa mechanisms. Between print media, mass media, lectures, sharing and forums, Facebook, Twitter,

Instagram and so on. But the problem here is that teenagers today have not been able to take advantage of the propaganda mechanism correctly. That's why how important it is to be able to understand it.
