

Nylon Thumb Screw with Slotted Drive

10-32 Thread Size, 1/4" Long

\$9.24 per pack of 100  
94320A430

Material	Nylon Plastic
Thread Size	10-32
Length	1/4"
Threading	Fully Threaded
Head	
Diameter	13/32"
Height	5/16"
Temperature Range	-40° to 185° F
Tensile Strength	11,000 psi
Hardness	Not Rated
Screw Size Decimal Equivalent	0.190"
Thread Type	UNF
Thread Spacing	Fine
Thread Fit	Class 2A
Thread Direction	Right Hand
Drive Style	Slotted
Head Texture	Knurled
Head Type	Thumb
Thumb Screw Head Shape	Round
Round-Head Thumb Screw Profile	High
System of Measurement	Inch
Color	Black, Off-White
RoHS	RoHS 3 (2015/863/EU) compliant

These nylon thumb screws are chemical resistant, nonconductive, and lightweight. They have a knurled head for slip-resistant controlled adjustment. Length is measured from under the head.
