

Workflow for structured literature reviews using the ORKG

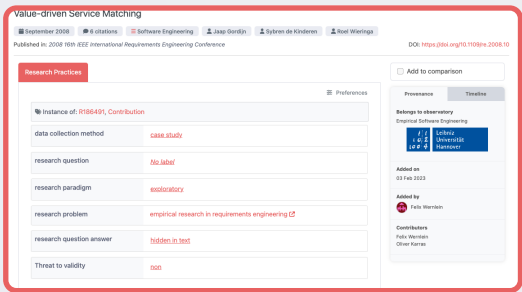

ORKG Templates
Reusable structures for representing knowledge

ORKG Visualizations
Graphic representations of tabular data from comparisons

ORKG Lists
Compose lists of related literature organized by topic

ORKG Papers
Semantic representation of the knowledge from papers

Research Question	Research Paradigm	Research Problem
What is the impact of...?	Experimental	Understanding the... of...
How can we...?	Qualitative	Exploring the... of...
What are the...?	Quantitative	Measuring the... of...

ORKG Comparisons
Tabular overviews of related literature

ORKG Reviews
Dynamic community-maintained literature review

Update when new literature becomes available
