Dear Xiao and research team

Re: SEBE-2022-62- titled “*Personas for human-centric requirements engineering: The practitioner’s perspective*”

Please quote this project ID in all future communications.

The Faculty of SEBE Human Ethics Advisory Group (HEAG) has reviewed this project and recognises that it complies with the *National Statement on Ethical Conduct in Human Research 2007* (Updated 2018).

The approval period is for four years until **30/11/2026**. It is your responsibility to contact the Faculty of SEBE HEAG immediately should any of the following occur:

- Serious or unexpected adverse effects on the participants
- Any proposed changes in the protocol, including extensions of time
- Any changes to the research team or changes to contact details
- Any events which might affect the continuing ethical acceptability of the project
- The project is discontinued before the expected date of completion.

You need to provide annual reports on the progress of your project and a final report when complete. We will email a reminder when the annual reports are due.

The Faculty HEAG and/or Deakin University Human Research Ethics Committee (DUHREC) may need to audit this project as part of the requirements for monitoring set out in the *National Statement on Ethical Conduct in Human Research 2007* (Updated 2018).

We wish you well with your research.

Kind regards
