[Part of this Rate is missing, as the whole is said to be 137 bushels and $\frac{2}{3}$ of a Peck ; in money £9 2s. 11d.]

Woodbury, 1631.

Whereas the ancient Rate for the repairing of the Church of the said Parish is now too little & not sufficient to satisfy such yearly charges & payments as heretofore hath been accustomed, & now hereafter ought to be laid out & paid towards the said Church. Therefore it was ordered at the Visitation Court holden in the P'ishe Church aforesaid the 23^d of May in the year of our Lord 1631 by the Official & Register for the time being, that there should be a new Rate or tax made for the purpose aforesaid by the then Churchwardens & Sidemen, with others of the said P'ish. Whereupon the s^d Parishioners as well by the condisent of the Right Wors^d Sir Thomas Predyaux Knight as also by the assent of Divers others of the said P'ish whose names are hereafter to this rate subscribed, have now made & agreed upon this new Rate & Tax upon all the lands within the said P'ish, towards the reparation of the said Church & Charges above said yearly from henceforth to be paid from the feast of Easter last past these several sums of money & of these several persons whose names are hereafter in this present Rate expressed : viz.—
