ANCIENT INVENTORIES OF GOODS BELONGING TO THE
PARISH CHURCH OF ST. MARGARET PATTEENS IN THE
CITY OF LONDON.

By W. H. ST. JOHN HOPE, M.A., F.S.A.

Amongst the records of the parish church of St. Margaret Pattens, in the city of London, is a folio volume in the original stamped leather covers (very badly mended recently), measuring 15 inches by 12 inches. By the kindness of the Rev. J. L. Fish, the present rector, I have been allowed to examine this volume. It now contains *thirty* folios, but a very large number have been destroyed, and of the remainder sixteen folios and three pages are blank. From the internal evidence of omissions and mis-spellings it is clear that the entries were transcribed into the book.

The following is an abstract of its contents, but the inventories I have transcribed in full.

Folio 1 is lost.

Folio 2 commences

In the name of the Holie Trinite our blisshed lady his moder
Seint Margarete virgyn and Martir and all Seintis / Sir
Water Muschamp pson of the parisshe Chirche of Seint
margarettes Patyns in london John Wilson Barbour and
John Dounton Peautrere Wardeins of the Chirche in the
holy feest of Ester The yere of our lord god Mⁱ CCCC lxx
and the xth yere of the reigne of Kyng Edward the fourth with
thassent of all the parisshe of the same Chirche Aggreed
and Assented that all the evidences concernyng or touchyng
the londes rentes and Tenementis of the said Chirche shall
be entiteled in this booke ceriatly to a ppetueff memory for
theym and their Successours Which folowen hereafter that
is to sey.

Then follow transcripts of

- (1) Deed by which Ralph de Coventre rector demises to Thomas de Wrasle a tenement with houses thereon, for a yearly rent of 15s. (Undated, but John le Blund, then mayor, occurs among the witnesses.)

(2) Will of Isabell Carpenter, formerly the wife of Symon de Canterbury, 1342. Her body to be buried in the cemetery of St. Margaret Pattens, near the sepulchre of the aforesaid Symon. Bequests of money to the high altar for the souls of John and Matilda her parents, Thomas Richard and Symon her husbands; for the sustentation of a light before the cross in the church, etc., etc.

(3) Memorandum of proof of will January 2, 1343.

(4) Fourteen memoranda concerning deeds relating to parish property.

(5) Incomplete copy of a memorial concerning certain encroachments of waterfall and lights.

These occupy most of folios 2 and 3.

Folios 4, 5, and 6a contain an inventory of goods, jewels, and ornaments, dated 2 August, 1470.

Folios 6b, 7, 8, 9a, 10a, contain a list of additions made to the church goods and ornaments from 1479 to 1486, during the tenure of the same two churchwardens.

Folios 9b, 10b, 11, 12, 13, 14, 15 are blank.

Folios 16, 17 and a loose folio of uncertain number contain part of an inventory made in 1511.

Between folios 17 and 24 five folios are lost.

Folio 24 contains several memoranda, and lists of goods when a period of spoliation prevailed. They are dated 10 Henry VIII. (1518), 1521, 1536, and 1548.

Folios 25 to 34, and 36 to 188 inclusive, also 193, 196 to 201 inclusive, 204 and 205 are missing.

Folios 35, 189 to 192 inclusive, 194, 195, 202, 203, 206, 207a, and 208 are blank.

Folio 207b bears a memorandum of 1557 that if any tenant of church property be elected churchwarden, he shall not spend more than 10s. on the repairs of his house during his term of office without the consent of the vestry.
