

faculty; but it is questionable whether the study of words is not carried to an excessive minuteness. For instance, the author distinguishes eleven different uses and shades of meaning of the word "worse". Of course, this is scholarly; but may not such fineness of distinction and minuteness of analysis limit its practical usefulness? However, it is a very valuable work.

**Poor Richard Jr.'s Almanack.**

Reprinted from the Saturday Evening Post of Philadelphia. Henry Artemus Company, Philadelphia. Price, 50 cents.

The author of the brilliant epigrams in Poor Richard Jr.'s Almanack has almost as keen an insight into our modern complex life as Benjamin Franklin had into the civilization of the eighteenth century.

**Manual of the Baptist Brotherhood.** Its History, Plan and Organization.

Prepared by Rev. F. E. Marble, Ph. D., Chairman. American Baptist Publication Society, Philadelphia. Price, 5 cents.

"The Baptist Brotherhood is a federation of men's organizations in Baptist churches. It grew out of the conviction of the Rev. F. E. Marble, Ph.D., of Cambridge, Mass., that something ought to be done to conserve the men's movement spreading through the churches." Full information as to the Brotherhood can be found in the excellent manual prepared by Dr. Marble.
