

Mr. Crewe's Career. By Winston Churchill. Published by The Macmillan Co.

This book is written for a purpose. Its aim is to reveal how difficult it is for a man with unselfish motives and the desire for pure politics to attain to a position of high influence in our states. The road to governorship, as depicted in this novel, is hard to travel, if a man be upright. We follow the path of Austen Vane, rather than that of Mr. Crewe. M. B. W.

English Voyages of Adventure and Discovery. By Edwin M. Bacon. Illustrated. New York: Chas. Scribner's Sons, 1908. Pages 401.

Here we have a combination of history with all the romantic features of a novel. The discoveries of Drake, Gilbert, Raleigh, and others read almost like fairy tales. The pictures are numerous and interesting. It is a real boy's book.
