PREFACE.

Organists, choirmasters, and librarians of choirs often have occasion to wish for a choral service-book of a comprehensive nature. This desideratum the "Parish Choir Manual" seeks to meet by supplying within one cover the Canticles for Morning and Evening Prayer, Responses (Ferial, Festal, and to the Commandments), Final Amens, Vesper Hymns, and Vestry Prayers, in addition to organ accompaniments to the Lord's Prayer and the Apostles' and Nicene Creeds.

The constant usefulness and the practicability of such a compilation are obvious, and a glance at the names of the composers will assure confidence in a publication that should commend itself for use "in quires and places where they sing."
