CRANDON, M.D., Secretary.

RECENT DEATHS.

The death of DR. JUNIUS F. SMITH, of Brookfield, Conn., is announced, death resulting from pneumonia. Dr. Smith was forty-two years old, a prominent physician in the section in which he lived, and representative from his town in the present General Assembly.

DR. JUSTIN L. BARNES, of New York, a well-known specialist and one of the surgeons to the Manhattan Eye and Ear Hospital, died on April 13. He was graduated from the medical department of the University of the City of New York in 1885.

DR. HENRY DE WITT JOY, of New Brighton, Borough of Richmond, New York City, died suddenly on April 15. He was born in New York in 1841, and was graduated from the College of Physicians and Surgeons there in 1866. He practiced for seventeen years at Sag Harbor, Suffolk County, N. Y., after which he removed to Staten Island. He retired from general practice about five years ago, but continued to do some consulting work.
