

## G-XIX: Planning for G-XX

*To provide operational users and the science community  
with the SST measured by the satellite constellation*

# GHRSSST

*Group for High Resolution  
Sea Surface Temperature*

Committee on Earth Observation Satellites  
Sea Surface Temperature Virtual Constellation

# Future meeting dates

- G-XX
  - ESA ESRIN, Frascati, Italy, 3<sup>rd</sup> – 7<sup>th</sup> June 2019
  - Hosted by ESA and CNR
  
- G-XXI
  - Location TBC, 1<sup>st</sup> – 5<sup>th</sup> June 2020
  - Hosted by NASA and MISST

- Forward thinking – where does GHR SST want to be in 20 years from now?
- From AC meeting
  - Day one reports
    - Written reports in advance summarizing progress in last 12-months
    - Short 2-slide “user-focused” summaries (collated) – details in posters
  - Presentations
    - Fewer in number
    - Mix user talks and GHR SST talks
    - More time for posters
    - Keynotes?
    - More discussion time
    - Panel discussion?
    - No parallel sessions
  - Encourage more users to attend – all agencies/projects
  - Training and demonstration of tools
