How Our Rules Apply in this Horoscope?

Two rules are applicable out of ten

1. Rule Number 5: (Reason for Divorce)

Jupiter, Mars and Venus located each other in kendra or triangle.

In this horoscope Venus and Mars are in Libra. From Libra the tenth kendra house Cancer, there Jupiter stands. So, the above rule brought her divorce.

2. Rule Number 3: (Which Lady Will do Remarriage)

Fourth bhava is affected by Mars Saturn, Rahu or Kethu. In this horoscope fourth house was aspected by Mars by its 4th aspect. And also the fourth bhava lord is located at eighth house from Capricorn, This confirm the dangerous result.

Divine Remedy:

Woman who has the above combinations the rules given by me should worship Lord Magudeeswara at Kodumudi. First of all they select the best day, from new moon 23.11.2022 to full moon 08.12.2022 The day should have nethram (eyes) and jeevan (soul). It is must the parihar day must have dhara balam (strength of star). From One's Janma star 2, 6, 15, 20, 24 stars are very best to do parihar. One should select any one day from the above five.

It gives quick result.

Example to Choose the Particular Day to Do Parihar:

i.e Linga Lakshmi's

Second star is Revathi 2.12.2022 Saturday

Sixth star is Rohini 7.12.2022 Wednesday

Fifteenth star is Hastham not come in Suklabakcha Thi Thi

Twentieth star is Jyeshtha 25 11.22 Friday

Twenty fourth star is Sravanam 28.11.22 Monday

There are Five Options for Us:

We can reject Revathi star 02.12.2022 because of it falls on Saturday. We also reject the fifteenth star Hastham because it not comes under the period of sukla pakcham. The twentieth star Jyeshtha star 25.11.2022 comes under marana yoga so, we reject this. Similarly the twenty fourth star Sravanam star 28.11.2022 also comes under marana yoga. So, the one and the only, option is the sixth star sathaga tharai Rohini 07.12.2022 Wednesday, comes with Amritha yoga. It has nethram 2, jeevan 1. It gives good result for parihar. Thus method we should follow to take the best day for parihar. Then we choose the best lagna which is aspected by Jupiter. It should not 6, 8, 12th lagna from the pariharam doers Janma lagna.

Remedial Pooja done by the Priest:

The prist makes 9 navagraha kalasa (metal pot) and 2 family diety kalasa. He does Ganapathi homam, and navagraha homam. After that the pariharam doing man tie thirumangalayam to the plantain tree / woman tie thirumangalayam to the Kalasa. Then he/she takes bath in Cauvery River After that worship lord Magudeeswara and do archana and happily return to home. Surely their dosa will vanish. I have sent my, so many clients to Mr. Ramesh, the priest at Kodumudi His mobile number is 7502207409. He does the parihar pooja very well and removes the remarriage dosha at nominal cost.

Conclusion:

Change the fate through the moon is a proverb. So, we give more importance to select the parihar day. With the help of God we can easily solve our problems through astrology.
