

Day	Time	Session	Author(s)	Affiliation	Title	Language
09-12	12.30	Welcome	Karsten Lambers	Leiden University	Welcome to the Faculty of Archaeology, Leiden University	English
	12.50	Networks / Modelling	Dries Daems	Middle East Technical University	Modelleren in onderzoek en onderwijs: Netwerk voor Agent-gebaseerd modelleren van Socio-ecologische Systemen in Archeologie (NAS ² A)	English
	13.10	Networks / Modelling	Michele Abballe	Ghent University	Geoarchaeological research going large scale: modelling the landscape evolution of the hinterland of Ravenna	English
	13.30	Networks / Modelling	Tuna Kalaycı, John Wainwright	Leiden University / Durham University	A modeling approach for understanding ancient herd movement in Upper Mesopotamia	English
	13.50	Networks / Modelling	Ronald Visser	SAXION	Jaarringen, netwerken en de Romeinse houteconomie	Dutch
	14.10	BREAK			Coffee Break	
	14.30	AI / VR	Daniël P van Helden	University of Leicester	Ethische Kunstmatige Intelligentie in Archeologie	Dutch
	14.50	AI / VR	Jitte Waagen*, Tijm Lanjouw, Markus H Stoffer	University of Amsterdam	Virtual Past Places - Exploring collaborative VR for education purposes	Dutch
	15.10	AI / VR	Wim De Clercq, Jan Trachet*, Maxime Poulain	Ghent University	Reviving Bruges lost outer harbours. From survey to augmented and virtual reality.	English
	15.30	Discussion				
	16.00	DAG	Chiara Piccoli	University of Amsterdam	Visualising, analysing, interpreting: The contribution of 3D reconstructions to archaeological and historical research	English
	17.00	End Day				
Day	Time	Session	Speaker		Title	
10-12	12.30				<i>Algemene Ledenvergadering / AGM</i>	English
	13.00	Landscape / geophys	Philip Verhagen*, Maurice de Kleijn, Jamie Joyce	Vrije Universiteit Amsterdam	Different models, different outcomes? A comparison of approaches to land use modeling in the Dutch limes	English
	13.20	Landscape / geophys	Duncan Williams*, Philippe De Smedt	Bournemouth University / Ghent University	The Potential of Multi-Method Near-Surface Geophysical Prospection for Battlefield Archaeology: Investigating the Battle of Waterloo	English
	13.40	Landscape / geophys	Agnes Schneider	Philipps-Universität Marburg	Quē Vādis? Paradigm-shift in and/or with Quantitative Archaeology?	English
	14.00	Landscape / geophys	Wouter B Verschoof-van der Vaart*, Karsten Lambers	Leiden University	De toepassing van geautomatiseerde detectiemethoden in de archeologische praktijk: Een casestudy in Zuid-Nederland	English
	14.20	BREAK			Coffee Break	
	14.40	Landscape / geophys	Ramin Ariana*, Rosa Maessen, Martijn van der Zwaard,	TU Delft	Development of a robotics supported archaeological field research system	English
	15.00	Material culture	Pieter Kroonenberg	Leiden University	Analysing rock art images from across the world	English
	15.20	Material culture	Danai Kafetzaki*, Jeroen Poblome, Jan Aerts	KU Leuven	Two-level network mapping as means to rethinking pottery typologies	English
	15.40	Discussion / Drinks				
	17.00	End Day
