

### Key to phylogenetic support

QC = Quartet concordance  
QC > 0.2, strong support =   
QC < 0.2, moderate support =   
QC > 0.0, counter support =   
QF = Quartet fidelity  
BS = Bootstrap  
PP = Posterior probability

### Baetidae

### Oligoneuriidae

### Heptageniidae

### Leptophlebiidae

### Potamanthidae

### Caenidae

### Ephemerellidae

### Leptohyphidae
