Standards Orientation Tool

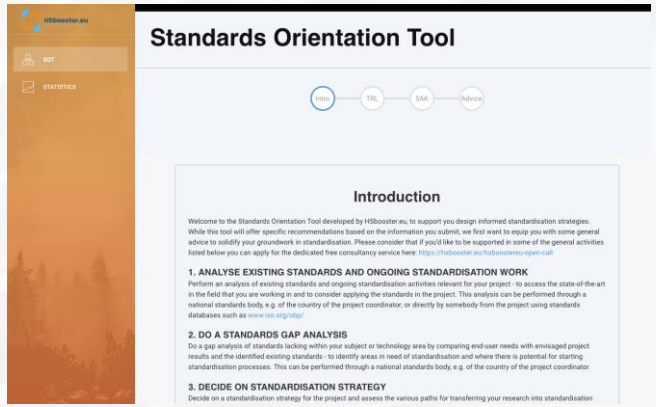
Standardisation self-assessment tool

- Take the first steps towards informed standardisation strategies (for ongoing projects and proposal writing)
- Downloadable standardisation recommendations report
- Get generic and project-specific recommendations based on:
  - Project **Technology Readiness Level (TRL)**
  - **Level of standardisation knowledge** of project members
  - **Research-related details**.

New online resource to increase expertise in standardisation

Standards Orientation Tool - steps

- Go to https://sot.hsbooster.eu/
- Fill-in a brief introductory form with your and your project details, if you are representing a project
- Indicate the TRL of your project and provide information about your research and standardisation knowledge
- Understand the Training Academy material that is more appropriate for you
- Receive a set of recommendations in an easy-to-download pdf report



SCAN ME

The whole process only takes 5 minutes and is a good start to then explore other Hsbooster.eu services
