

# EOSC in Germany

---

The image is a promotional graphic for an online workshop. It features a light blue background with a faint map of Germany. At the top left, the EOSC logo (a blue circle with a white 'e') is followed by the text 'eosc | FAIR-IMPACT'. To the right, the text 'National Roadshow Series' is written in a bold, dark blue font. In the center, there is a shield-shaped graphic with the German national flag colors (black, red, and gold). To the right of the shield, the text 'ONLINE WORKSHOP' is in a yellow box, 'Germany' is in a large blue box, and '24th January 2024' is in a dark blue box. At the bottom right, there is a white box with the 'nfdi' logo and the text 'Partners Nationale Forschungsdaten Infrastruktur'.

# EOSC in DE is closely linked to NFDI

---

- **NFDI – National Research Data Infrastructure**
  - total budget of 900 Million Euros for 10 years
  - >290 member organisations from German Science System
  - 26 consortia plus Base4NFDI
  - Contributes to international developments such as EOSC
  - NFDI is mandated organisation of DE in EOSC-A

# EOSC instruments for Exchange

---

- **EU Development Committee** of the Council for Information Infrastructures
  - Participants are members of the Council
  - Topics include but are not limited to EOSC (e.g. Information Infrastructure landscape in EU, HPC in EU etc.)
- **EOSC Roundtable** of the NFDI
  - Participants are German members of EOSC-A
  - Focus on EOSC (e.g. preparation of general assembly of EOSC-A)
- **On-Demand Expert Groups of NFDI**
  - Participants are members of NFDI projects, policy makers, funders etc.
  - Called in on demand (e.g. working group for EOSC post-2027)

# German Participation in EOSC-A/EOSC

---

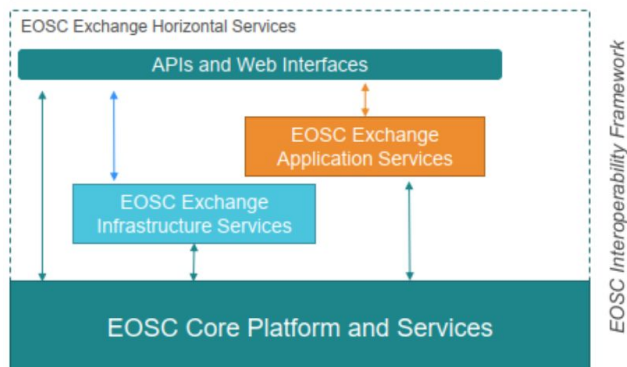

- **61 members from Germany** in various Task Forces of EOSC-A
- **Germany under-represented in INFRA-EOSC projects**
  - possible reason: many experts are involved in NFDI projects

# Alignments of EOSC and NFDI

**Base4NFDI** provides basic services for NFDI

Cooperation between **NFDI sections** and **EOSC-A TF**

Alignment with **EOSC procurement** necessary

## Procurement Lot Structure

- Lot 3** Managed Collaborative Data Platform, Interactive Data Analytics Platform and Visualization Services for the EOSC Exchange (Application Services)
- Lot 2** Managed Container Platform and Virtual Machine Services for the EOSC Exchange (Infrastructure Services)
- Lot 1** Managed Services for the Development, Integration, Deployment and Operations of the Federated EOSC Core

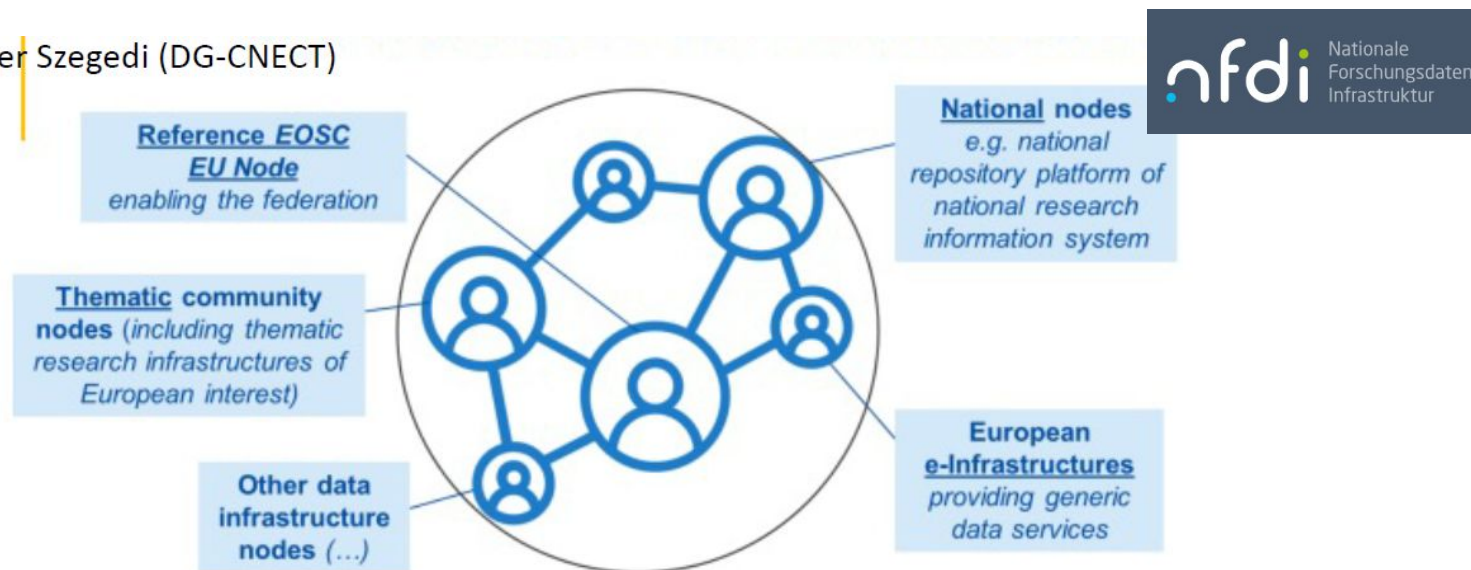

## Base4NFDI Projects

A grid of four project cards for Base4NFDI. Each card features a logo, a title, a brief description, and a project name. The cards are: 1. IAM4nfdi: Identity and Access Management for the German National Research Data Infrastructure, featuring a key icon and the project name IAM4NFDI. 2. TS4nfdi: Terminology Services for the German National Research Data Infrastructure, featuring a network icon and the project name TS4NFDI. 3. PID4nfdi: Persistent Identifier Services for the German National Research Data Infrastructure, featuring a location pin icon and the project name PID4NFDI. 4. Future Services: Represented by an image of a hand holding a glowing globe with various icons, with the text 'Future Services' and 'We are open for your proposals!'.

# NFDI meets EOSC

A teal banner for the EOSC Symposium 2024. On the left, the text 'eosoc' is written in a stylized white font, followed by 'EOSC Symposium 2024' in a larger white font. Below this, the dates '21-23 October / Berlin, Germany' are written in white. On the right side of the banner is a white line-art illustration of a building with a complex, layered structure, featuring a central tower and various levels and beams. The background is a solid teal color.
