Declarations

I hereby acknowledge and agree to carry out work on data of the FROGEE project in its unchanged form or after any transformation for research purpose, provided that proper attribution is made to the source, but not in any way that suggests that FREE NETWORK endorses the user or their use of the data.

☐ I confirm that I have read and fully understood the conditions of Use.

In particular, I acknowledge and agree with the following conditions:
- The data may be used for scientific research only (commercial use is prohibited)
- No action aiming at a re-identification of survey participants may be taken
- The data may not be made available to any other person/third party incl. AI tools
- Reference of all publications using the data has to be provided to the Library of the Stockholm School of Economics that hosts the data at dau@hhs.se
  The data set must be cited in all publications using the data

Signature: ....

Date: .... Place: ....

Please return this statement to: dau@hhs.se   ☐
