

Brier Score performance of Hadoop's models across time – 24 months, Frame: 2

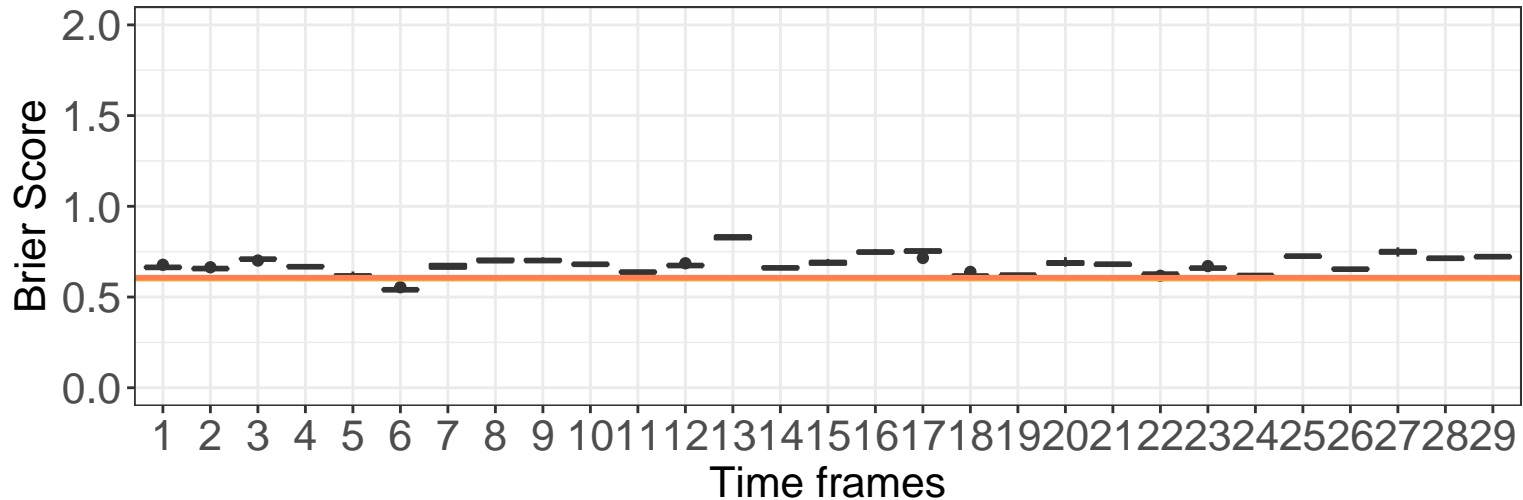

Brier Score performance of Hadoop's models across time – 24 months, Frame: 1

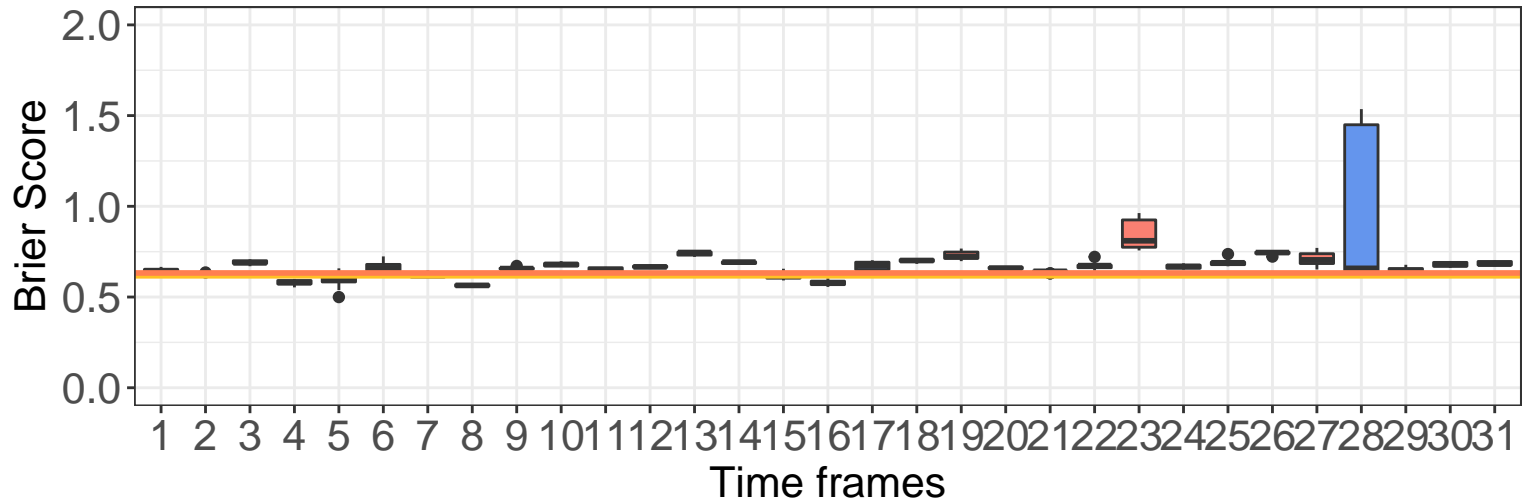

Brier Score performance of Hadoop's models across time – 22 months, Frame: 3

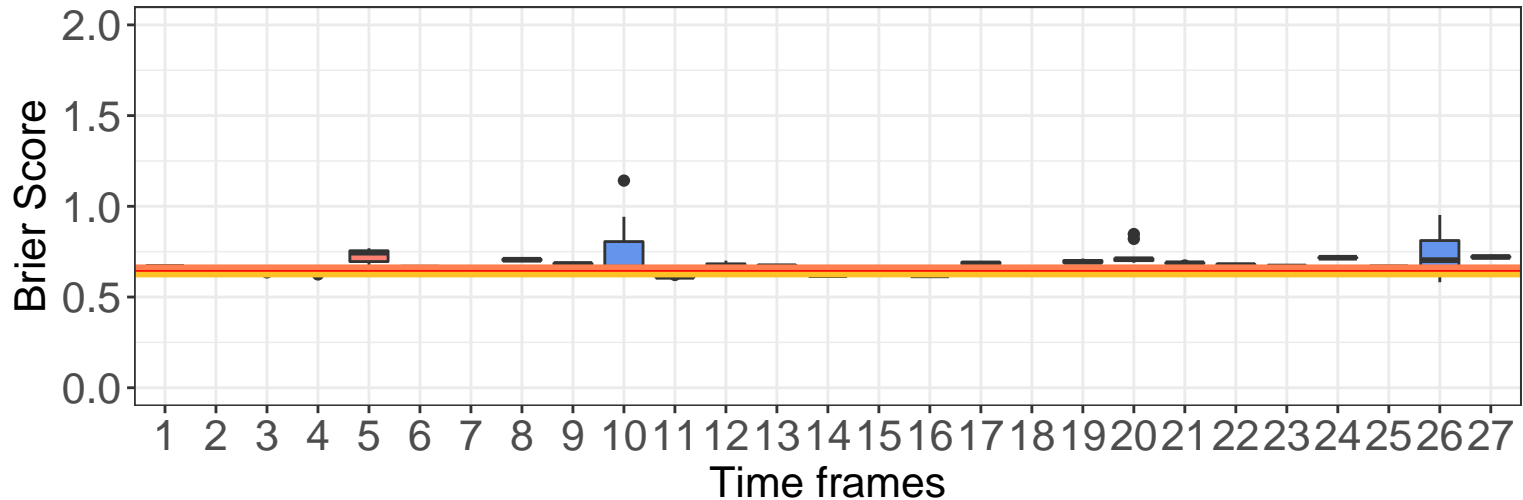

Brier Score performance of Hadoop's models across time – 22 months, Frame: 2

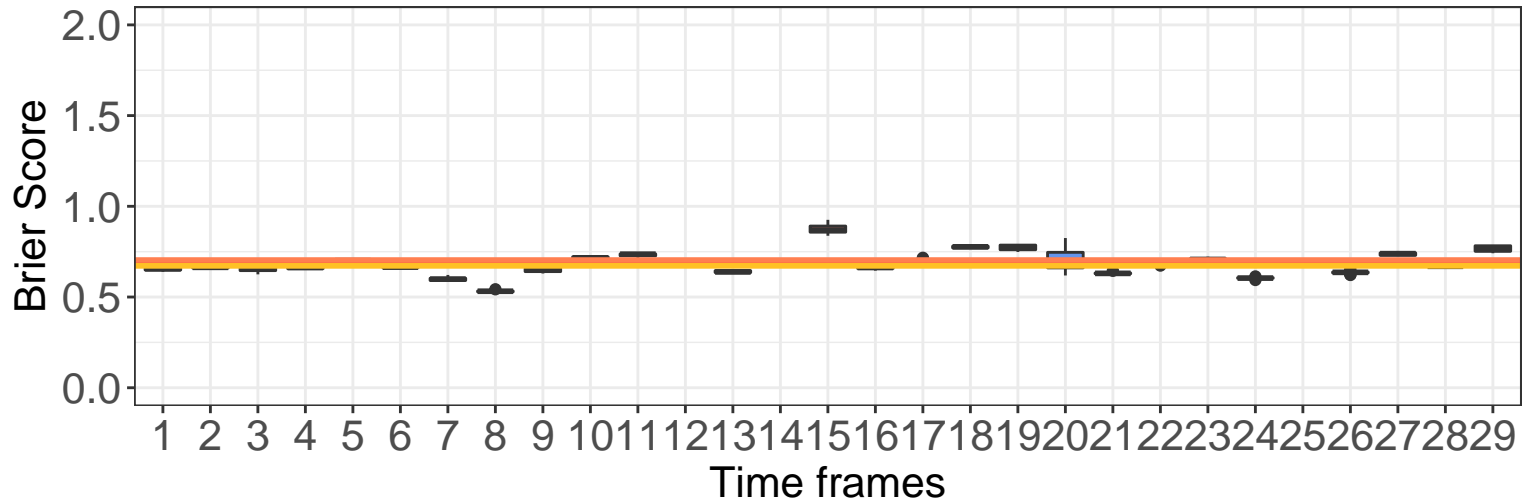

Brier Score performance of Hadoop's models across time – 22 months, Frame: 1

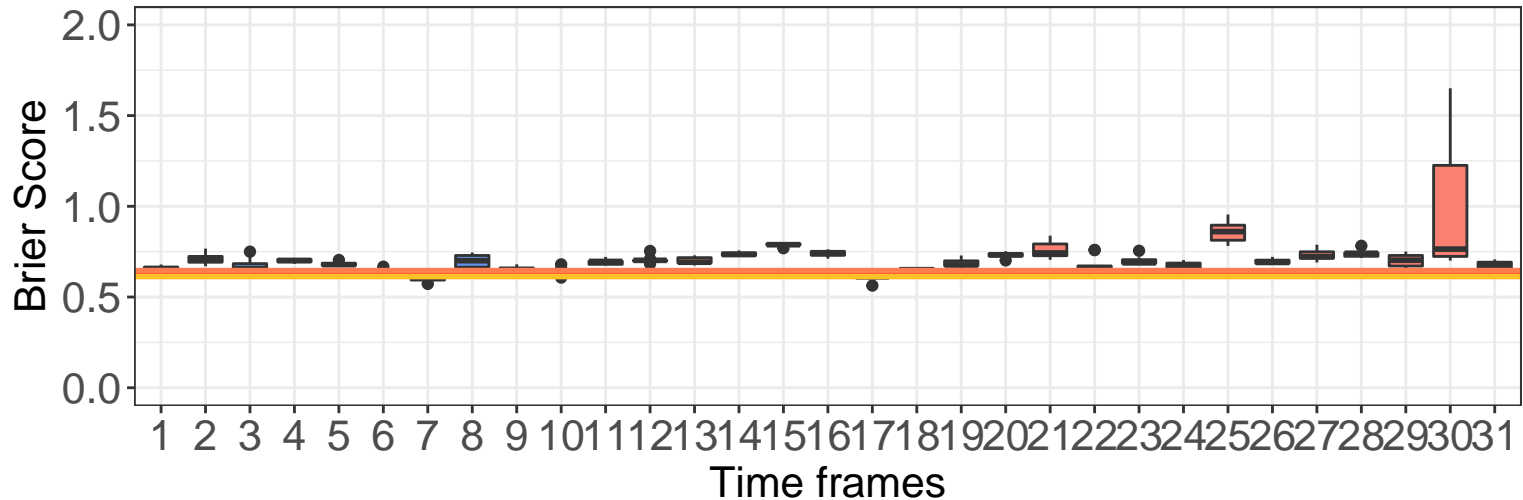

Brier Score performance of Hadoop's models across time – 20 months, Frame: 3

Brier Score performance of Hadoop's models across time – 20 months, Frame: 2

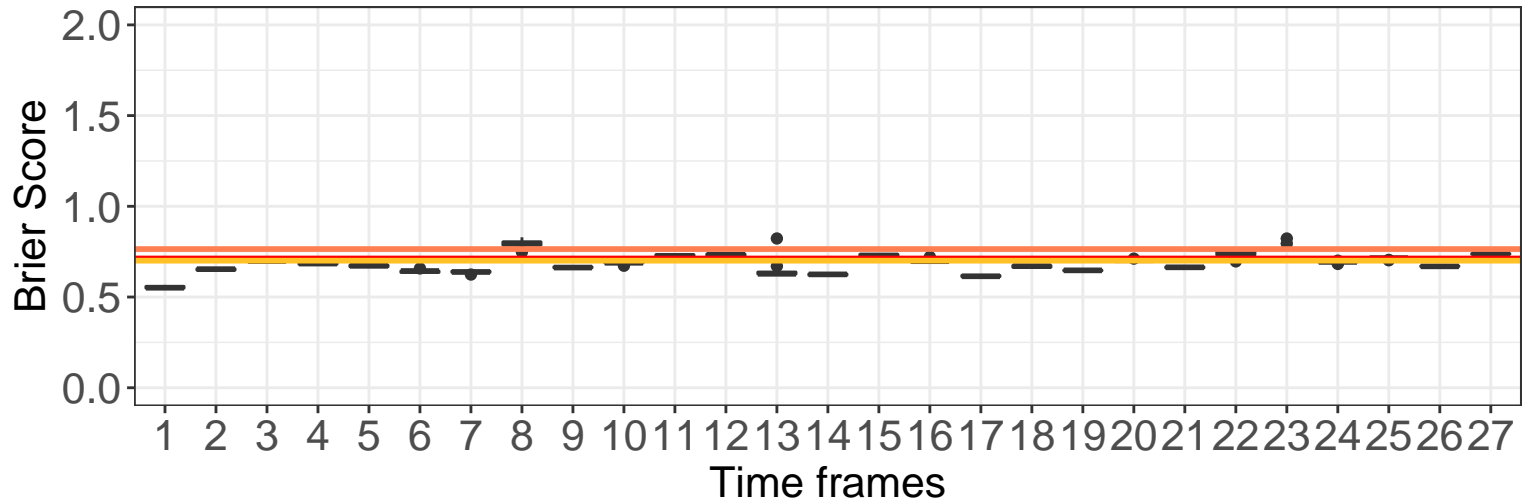

Brier Score performance of Hadoop's models across time – 20 months, Frame: 1

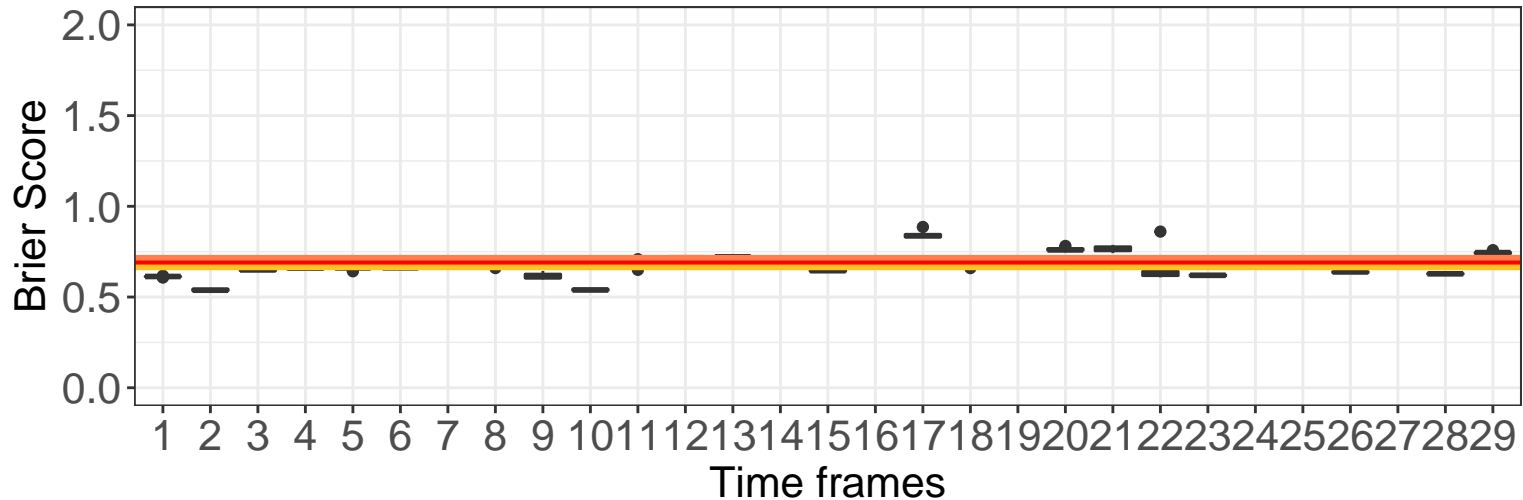

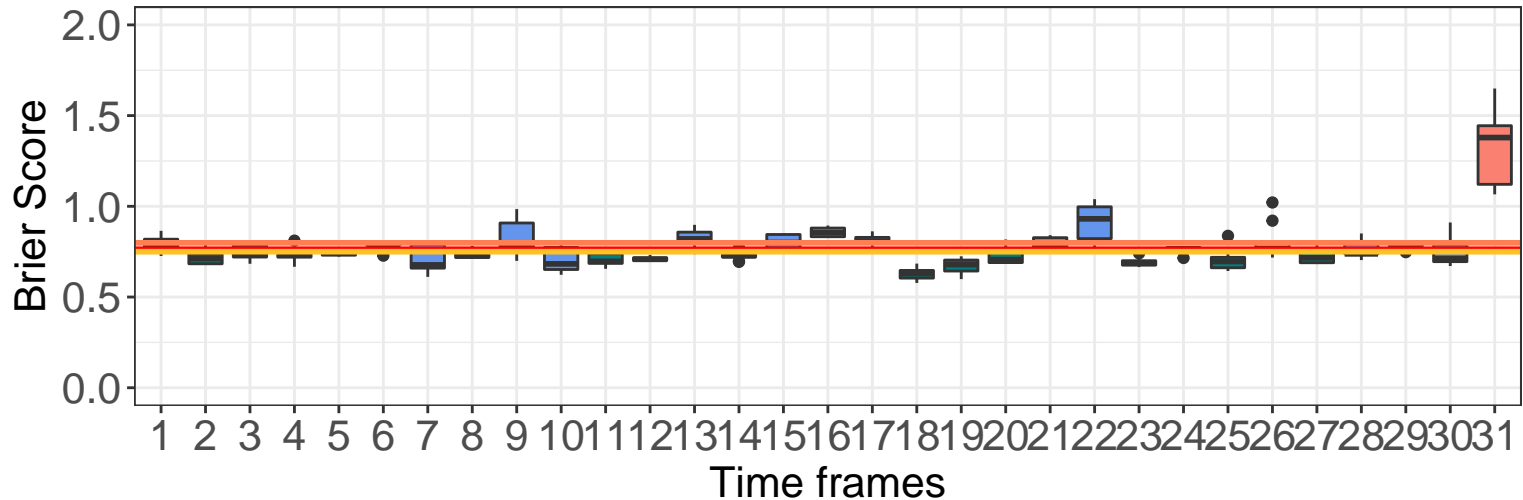

Brier Score performance of Hadoop's models across time – 18 months, Frame: 3

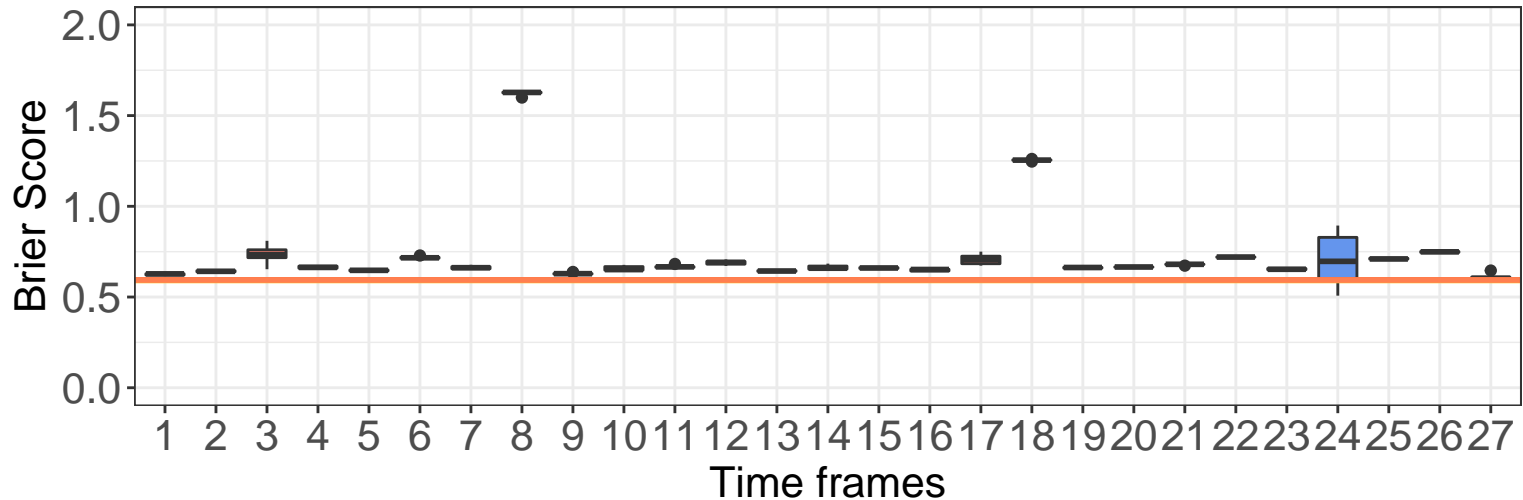

Brier Score performance of Hadoop's models across time – 18 months, Frame: 2

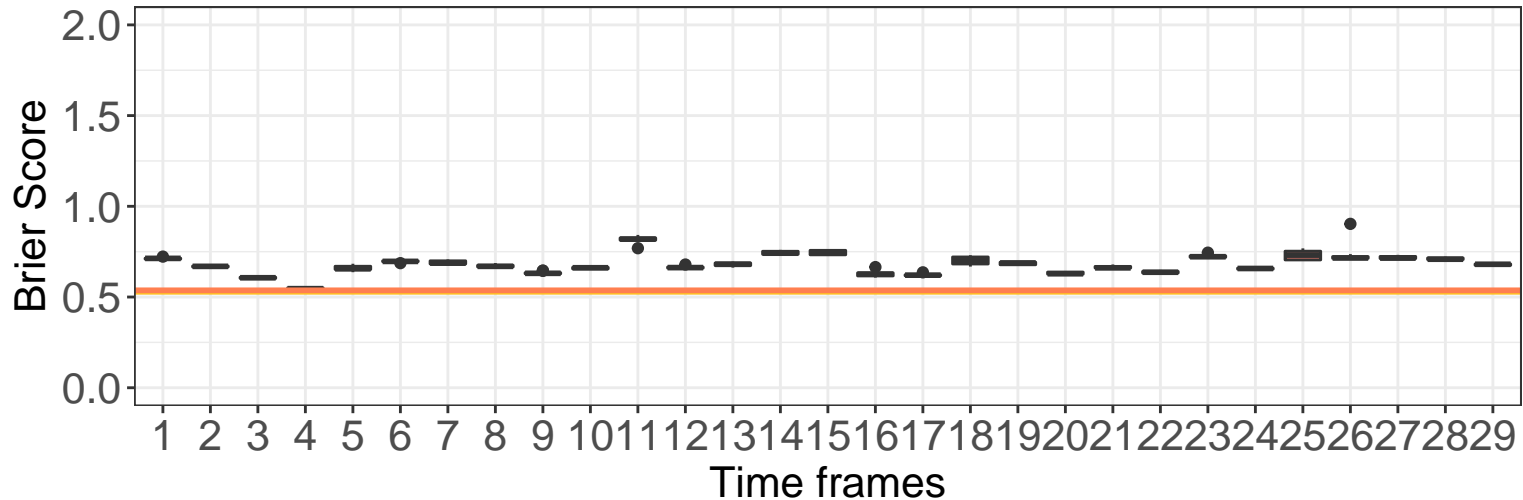

Brier Score performance of Hadoop's models across time – 18 months, Frame: 1

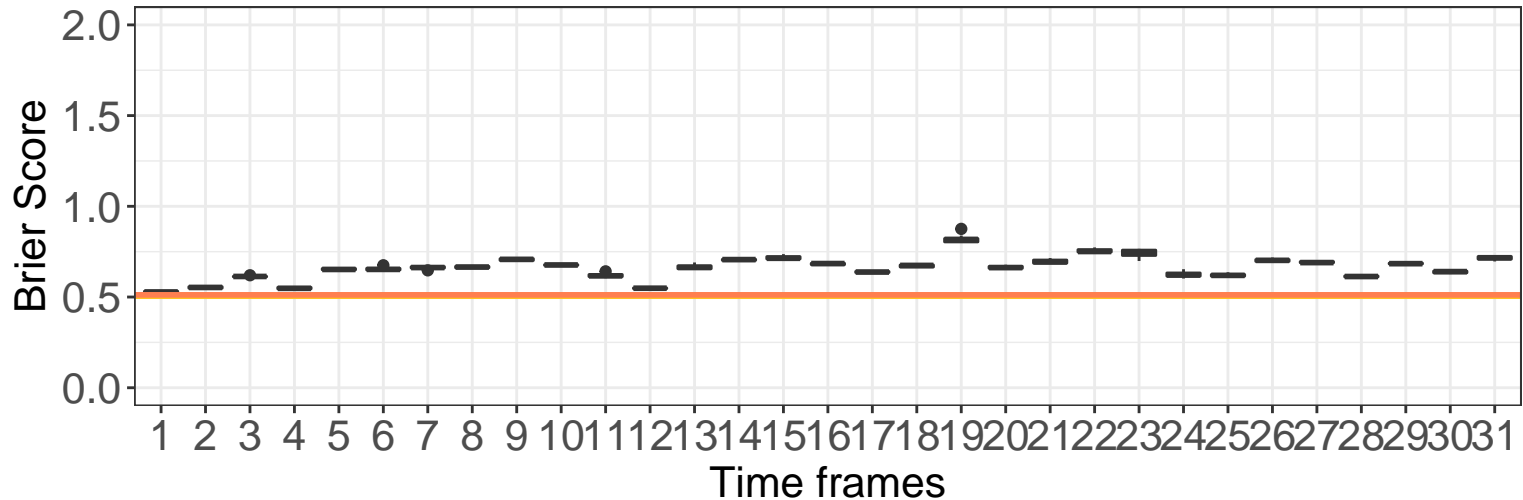

Brier Score performance of Hadoop's models across time – 16 months, Frame: 3

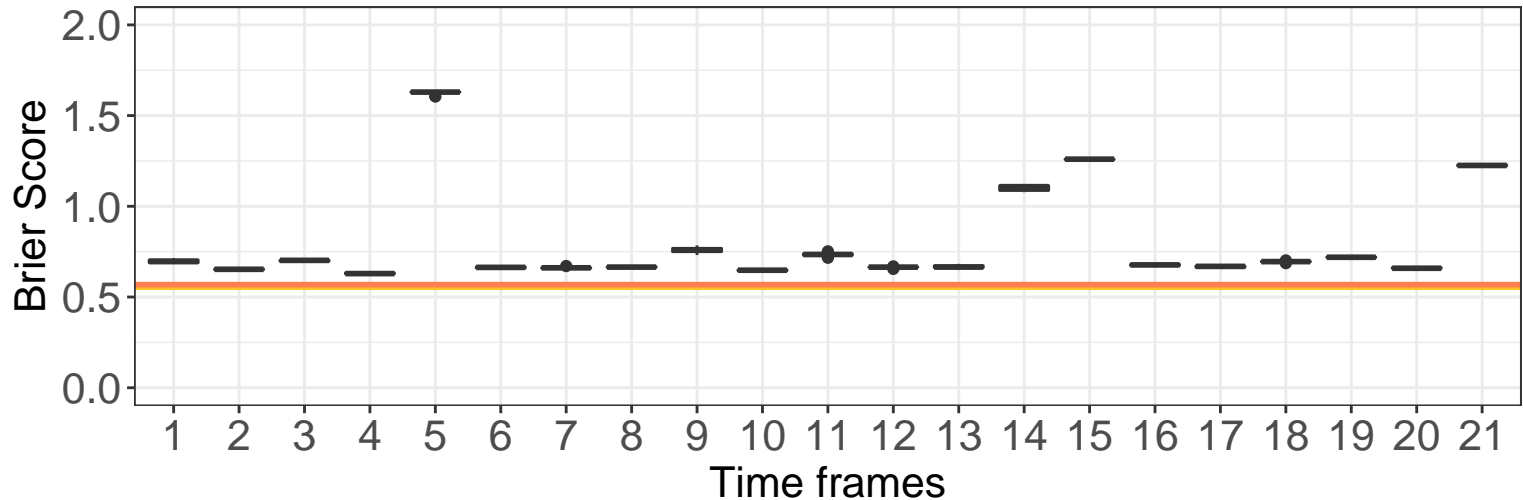

Brier Score performance of Hadoop's models across time – 16 months, Frame: 2

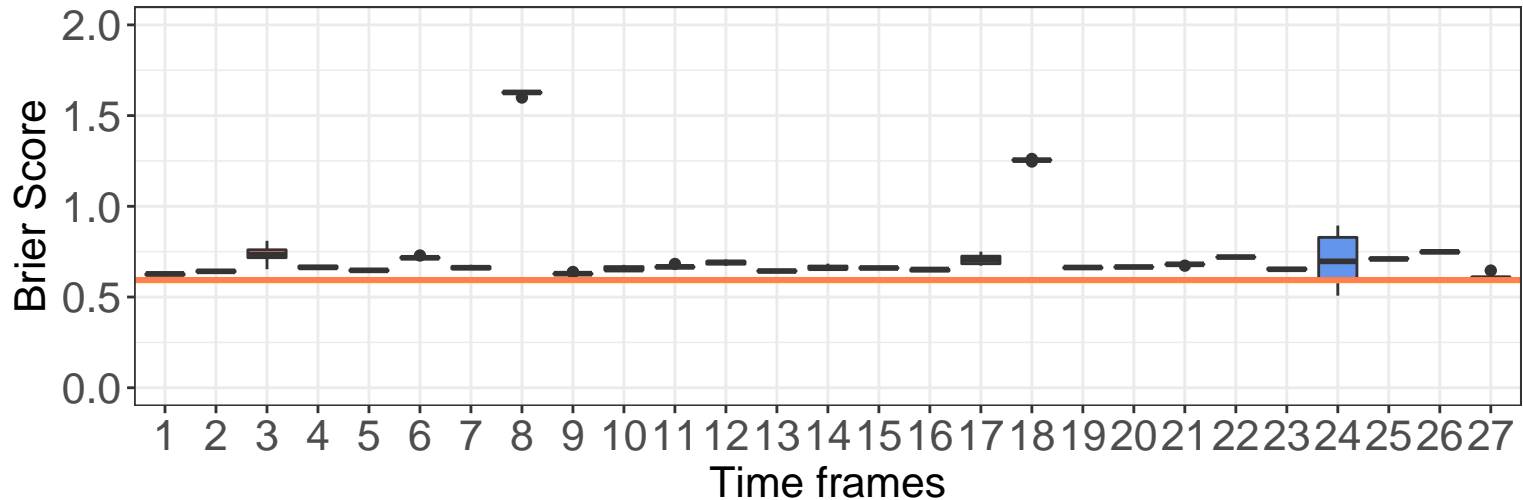

Brier Score performance of Hadoop's models across time – 16 months, Frame: 1

Brier Score performance of Hadoop's models across time – 14 months, Frame: 4

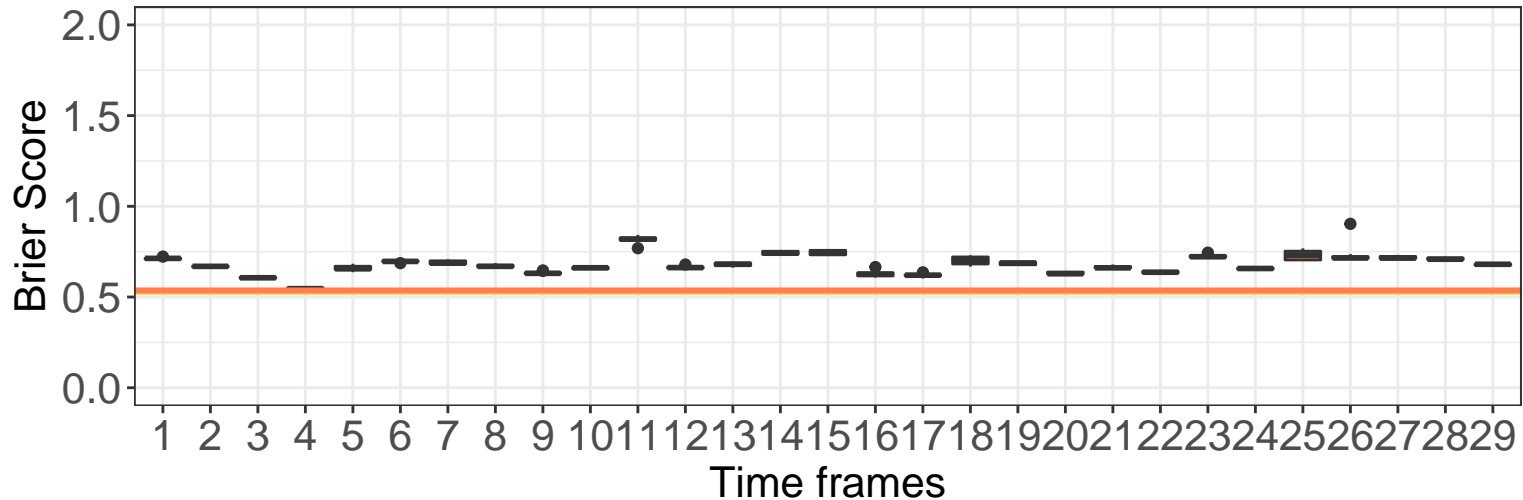

Brier Score performance of Hadoop's models across time – 16 months, Frame: 3

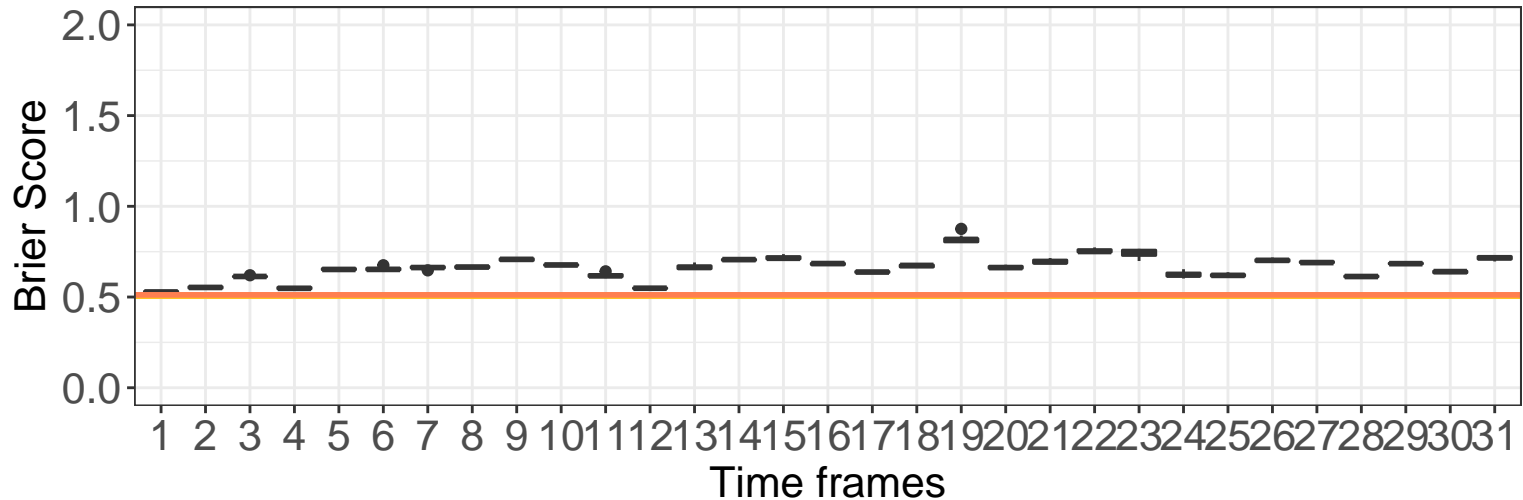

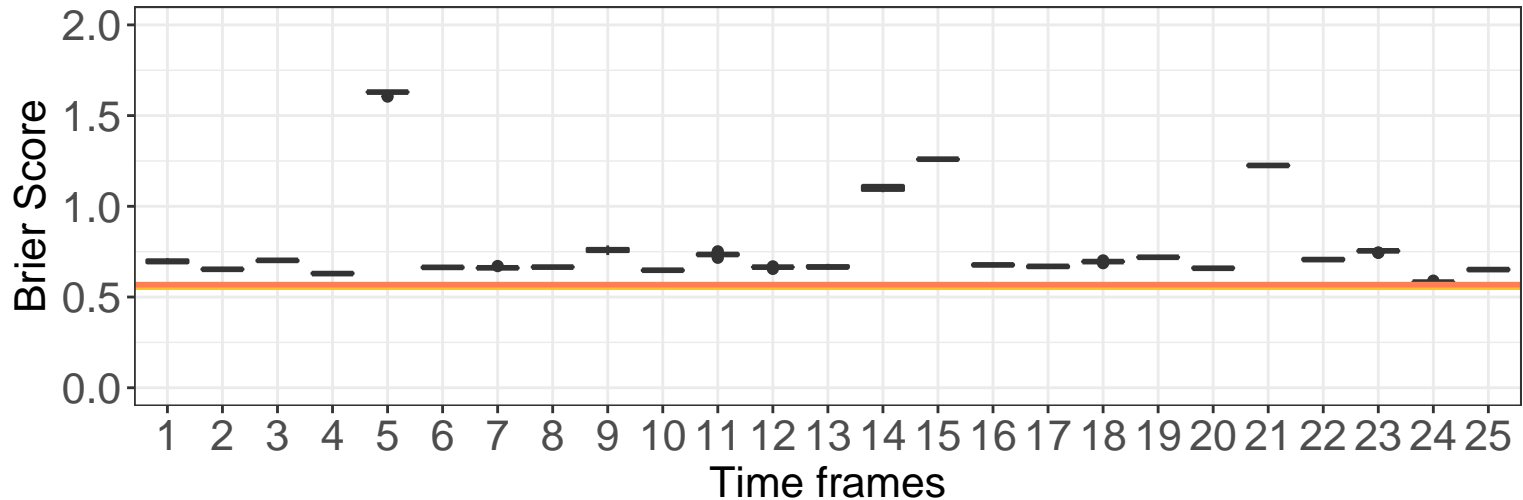

Brier Score performance of Hadoop's models across time – 16 months, Frame: 2

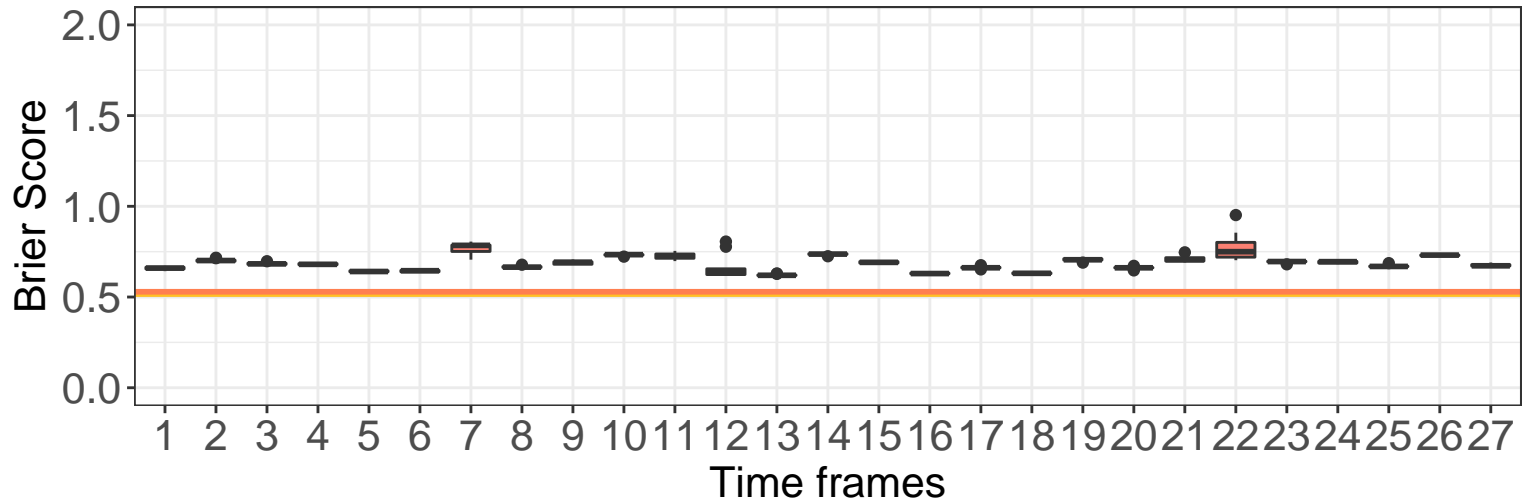

Brier Score performance of Hadoop's models across time – 16 months, Frame: 1

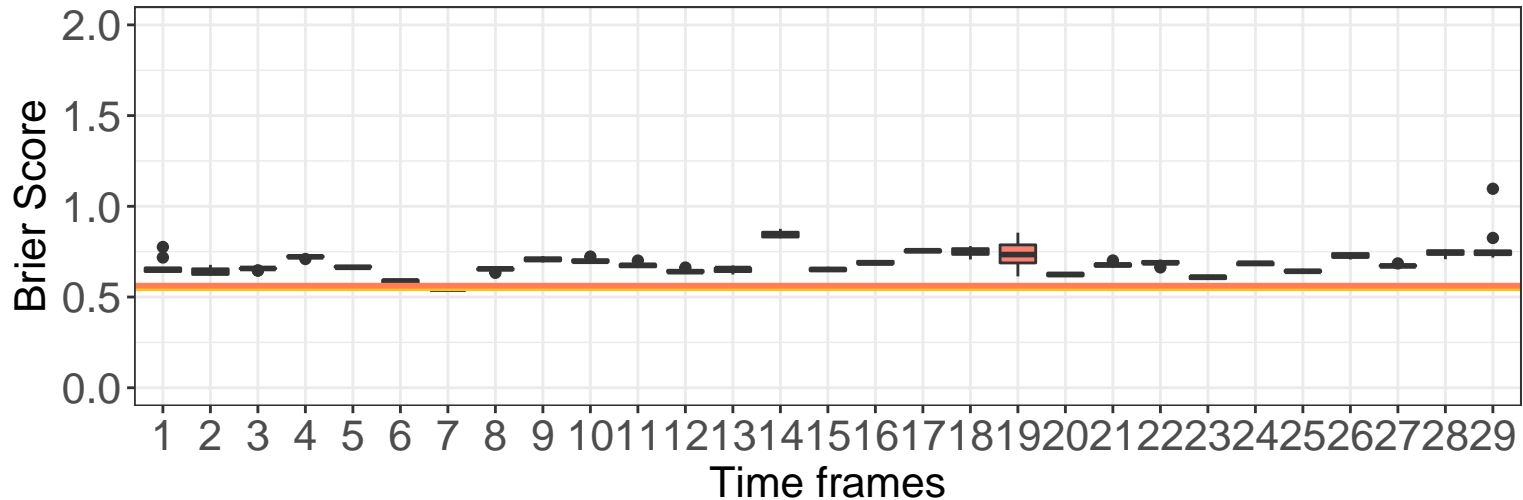

Brier Score performance of Hadoop's models across time – 14 months, Frame: 4

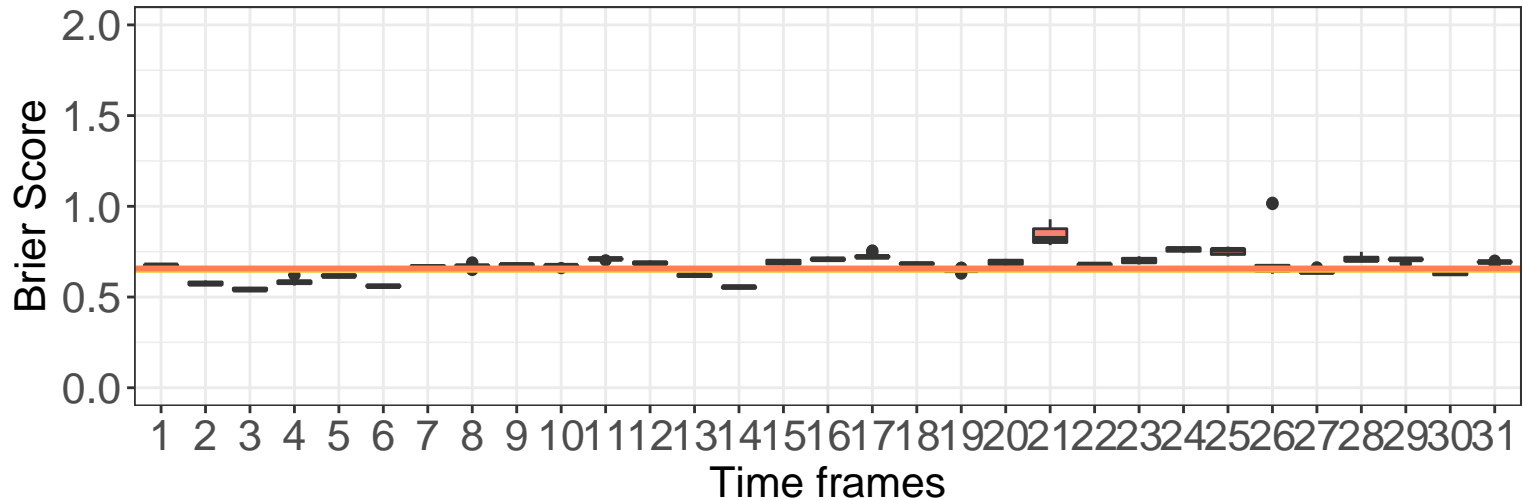

Brier Score performance of Hadoop's models across time – 14 months, Frame: 3

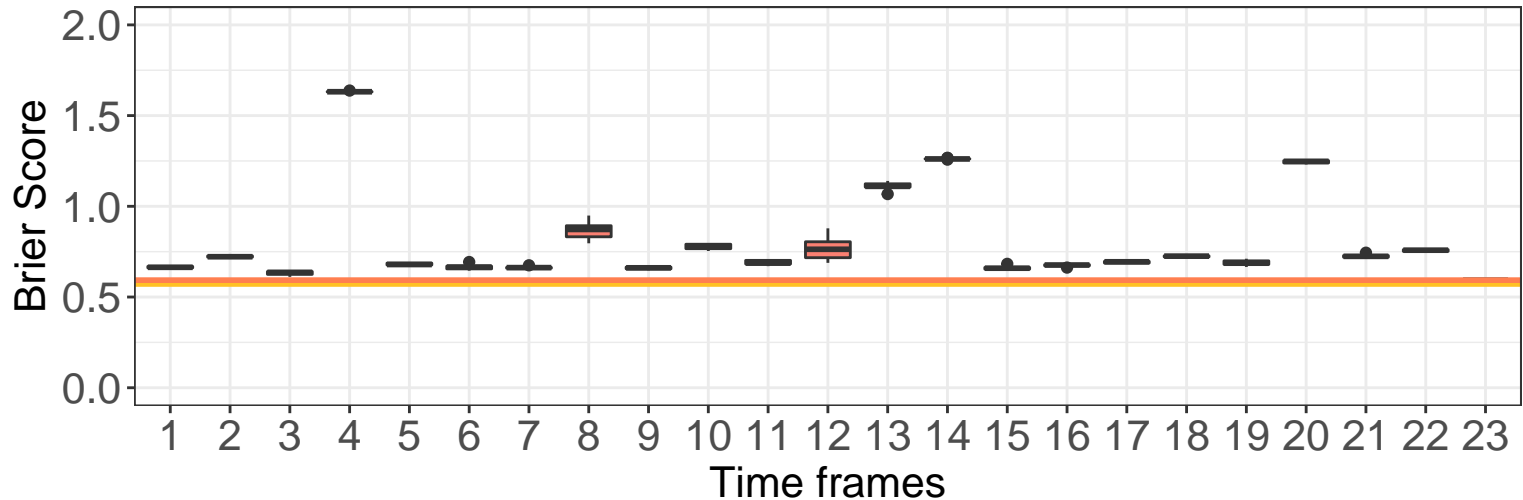

Brier Score performance of Hadoop's models across time – 14 months, Frame: 2

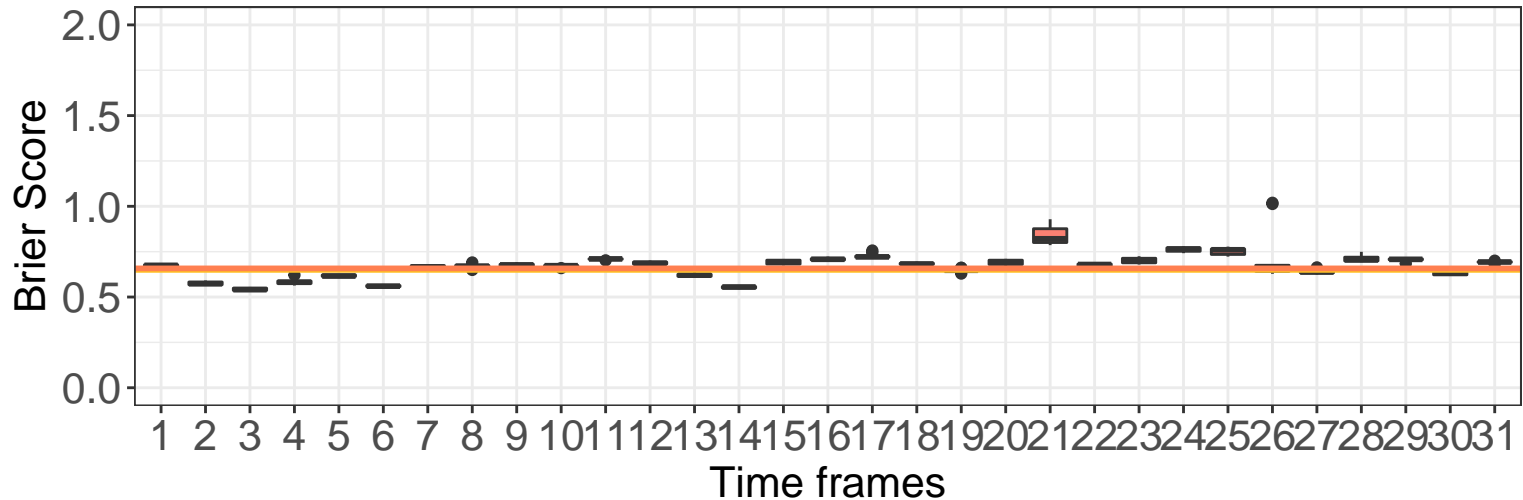

Brier Score performance of Hadoop's models across time – 14 months, Frame: 1

Brier Score performance of Hadoop's models across time – 12 months, Frame: 5

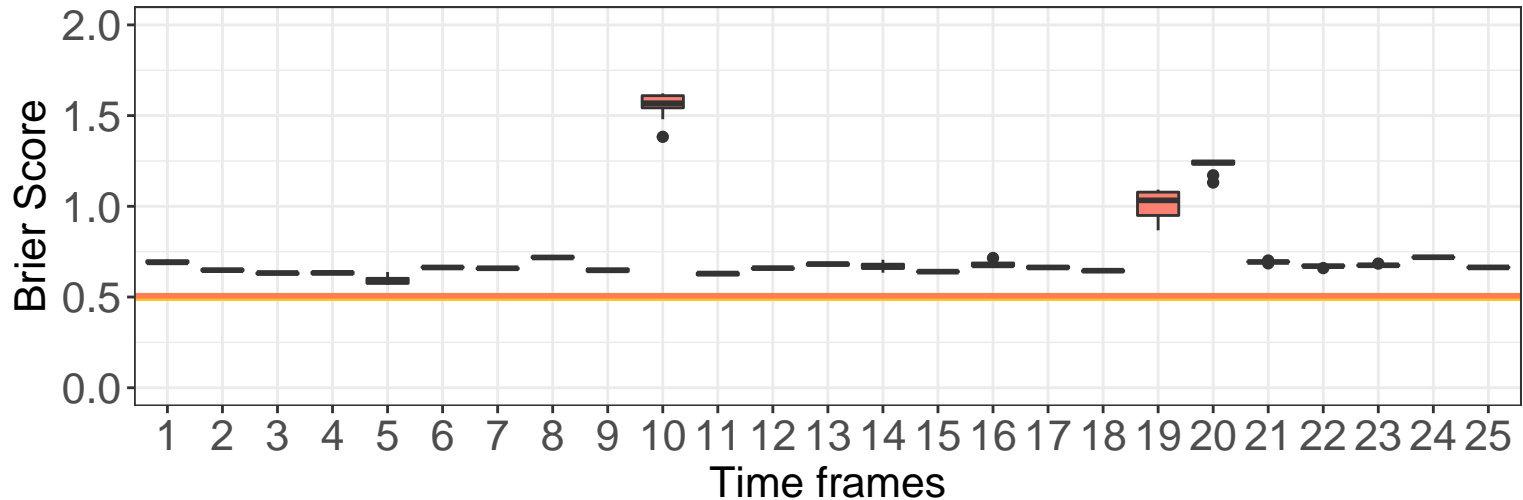

Brier Score performance of Hadoop's models across time – 14 months, Frame: 1

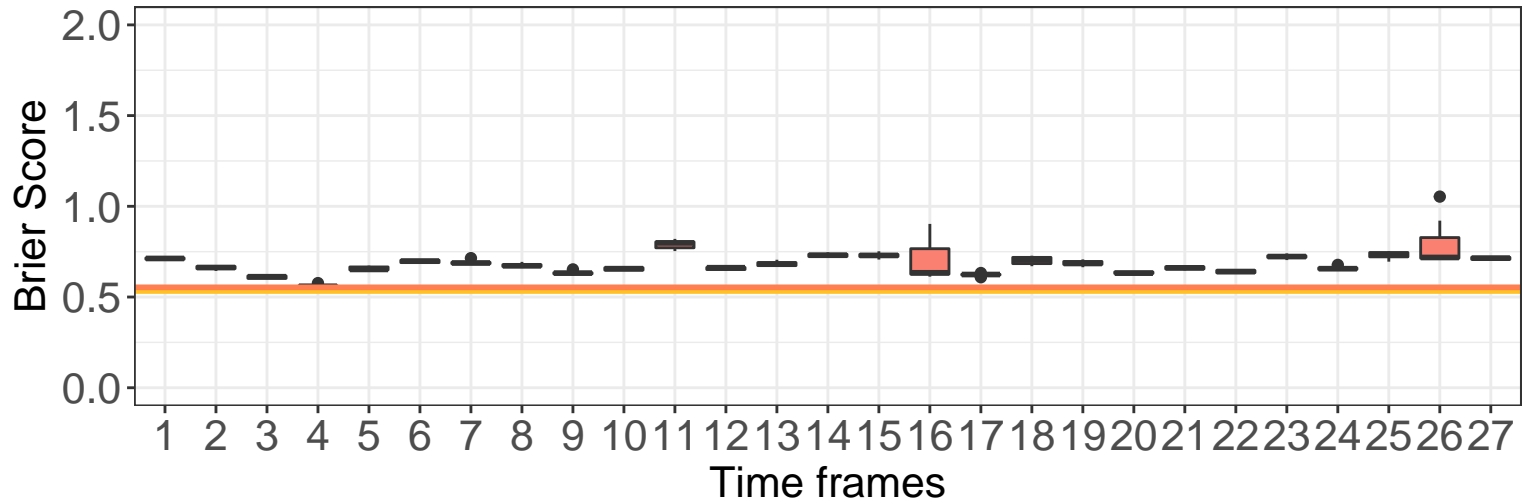

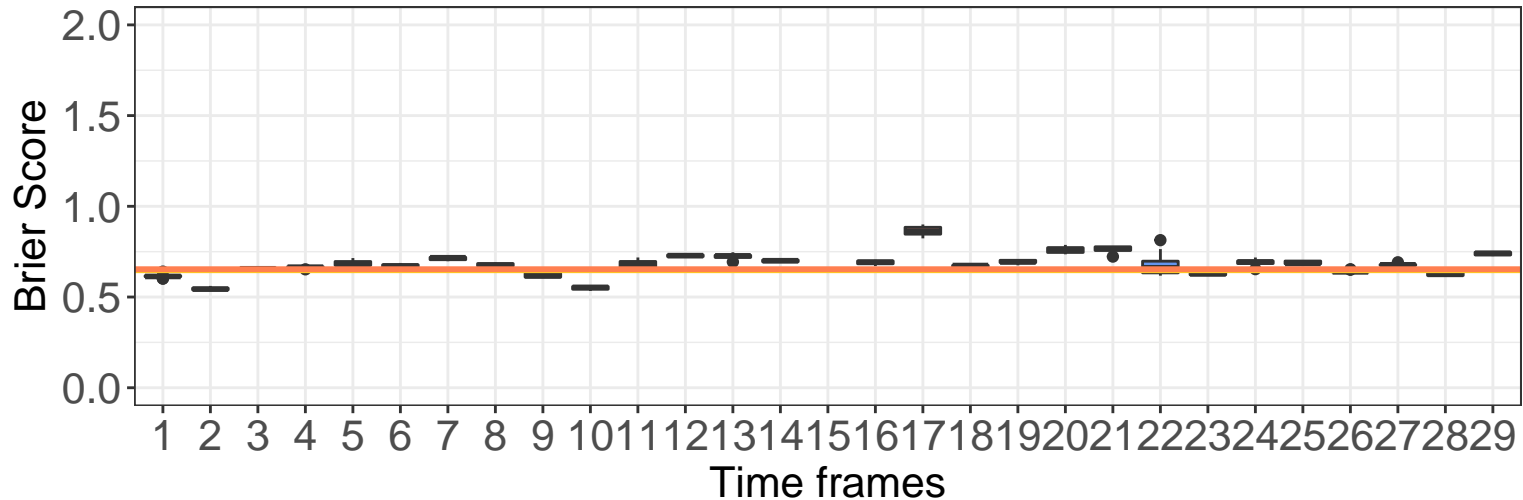

Brier Score performance of Hadoop's models across time – 12 months, Frame: 4

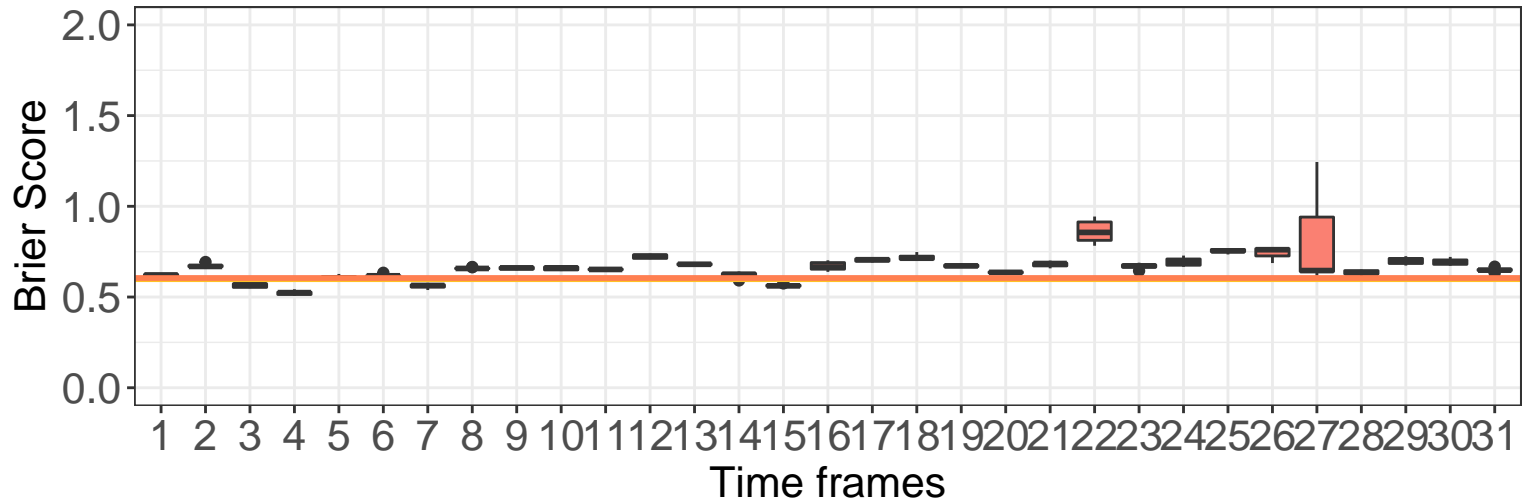

Brier Score performance of Hadoop's models across time – 12 months, Frame: 3

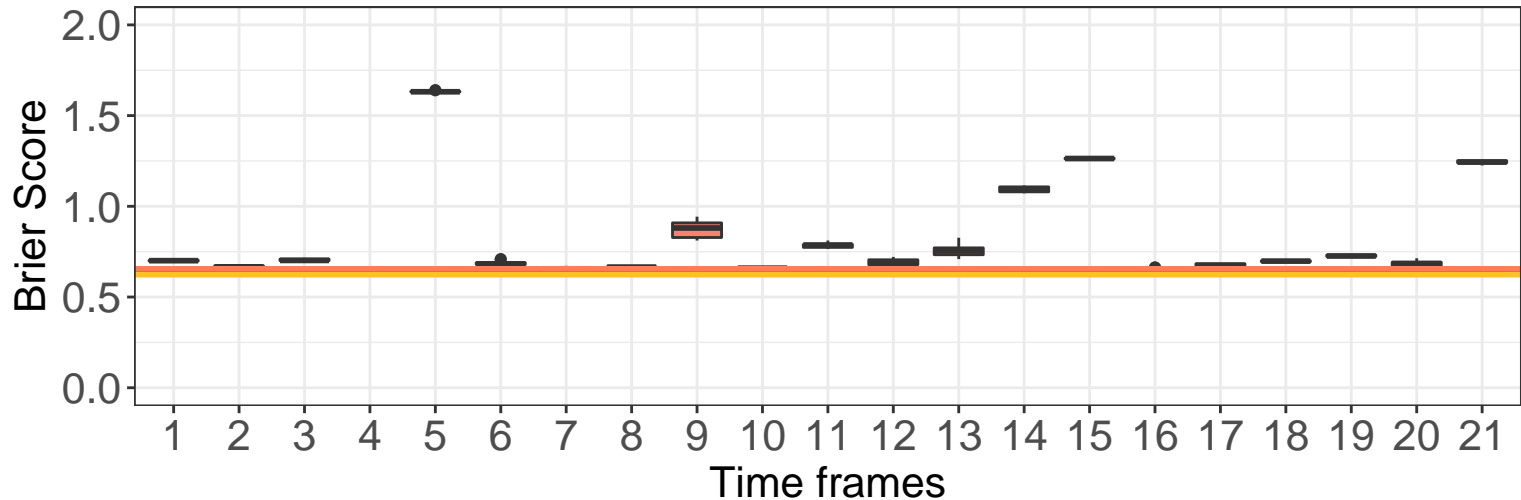

Brier Score performance of Hadoop's models across time – 12 months, Frame: 2

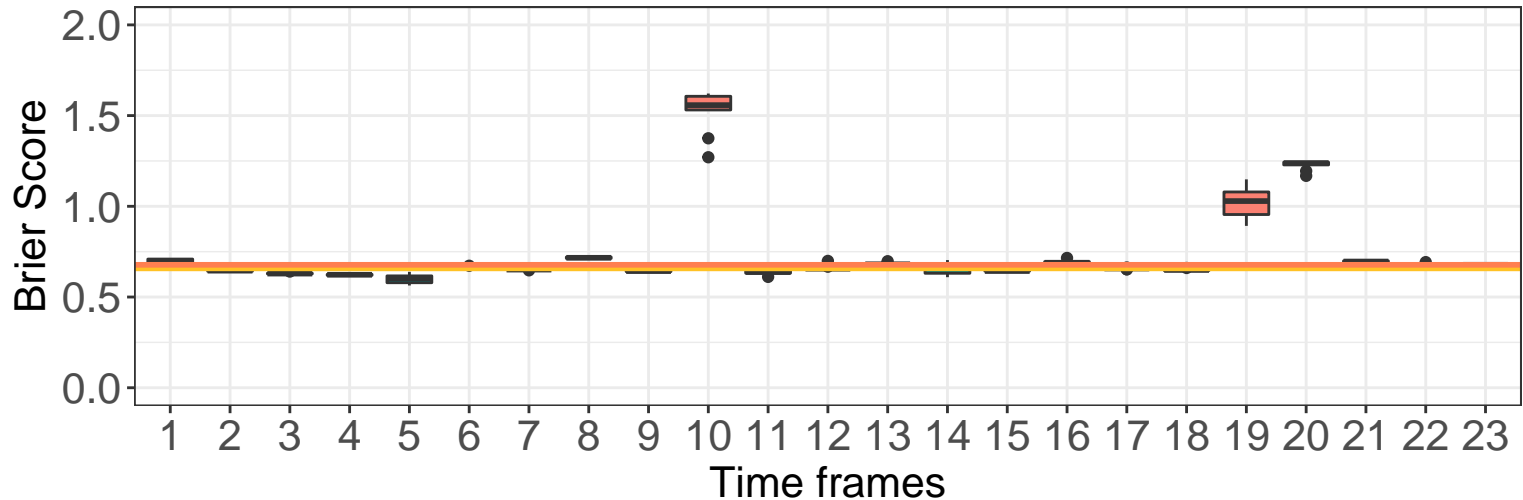

Brier Score performance of Hadoop's models across time – 12 months, Frame: 1

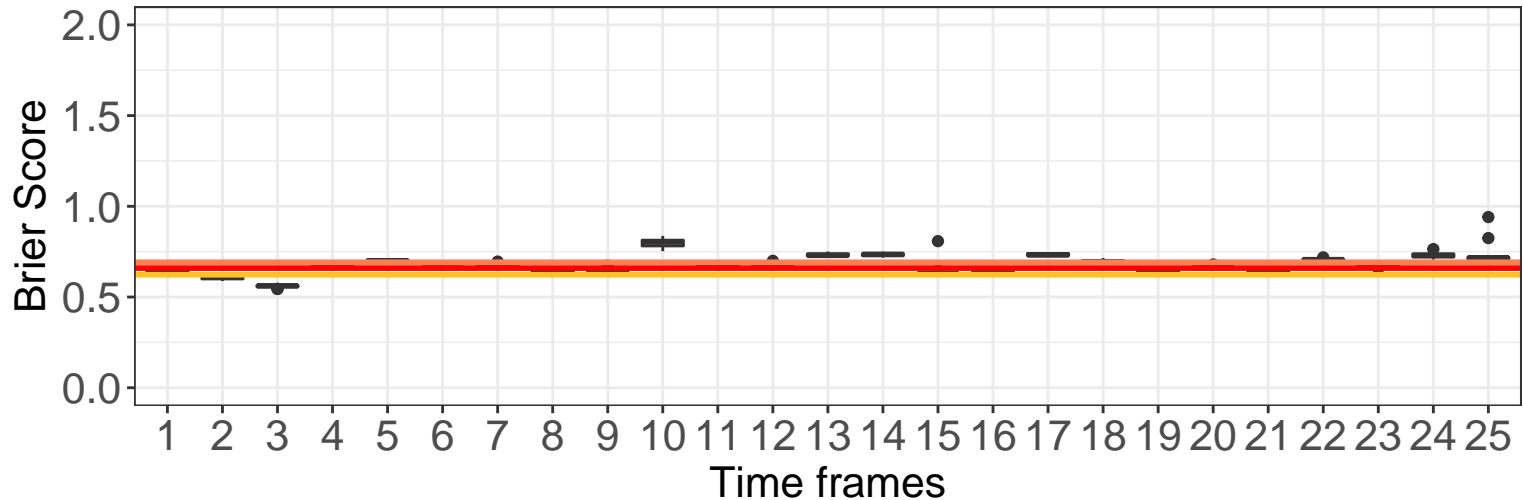

Brier Score performance of Hadoop's models across time – 10 months, Frame: 6

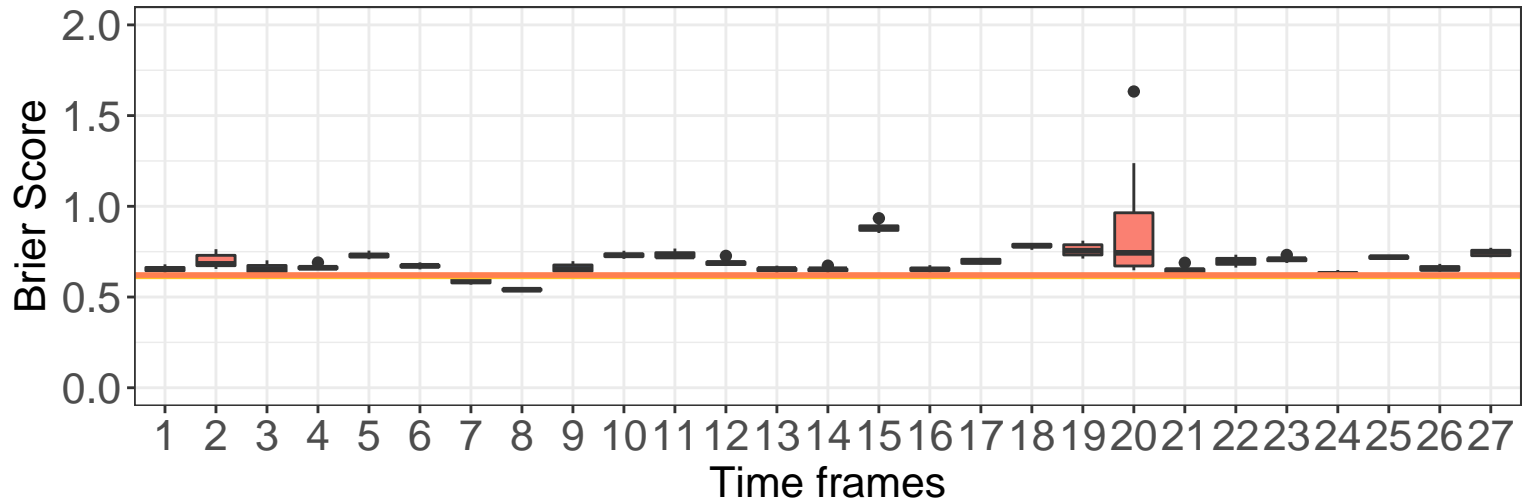

Brier Score performance of Hadoop's models across time – 10 months, Frame: 5

Brier Score performance of Hadoop's models across time – 10 months, Frame: 4

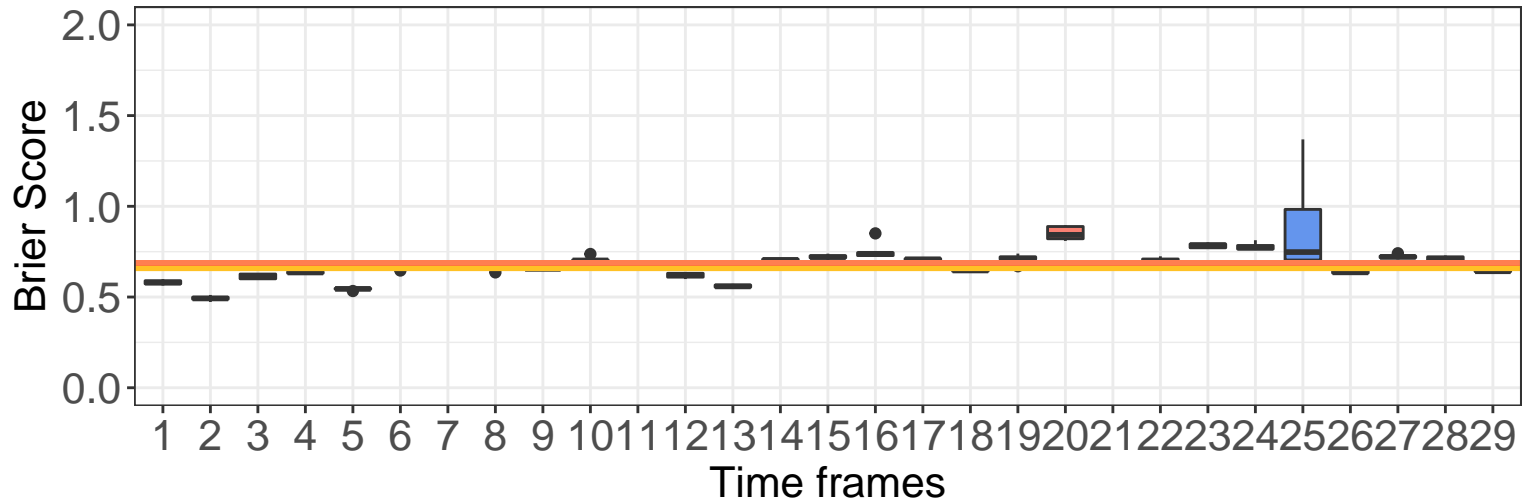

Brier Score performance of Hadoop's models across time – 10 months, Frame: 3

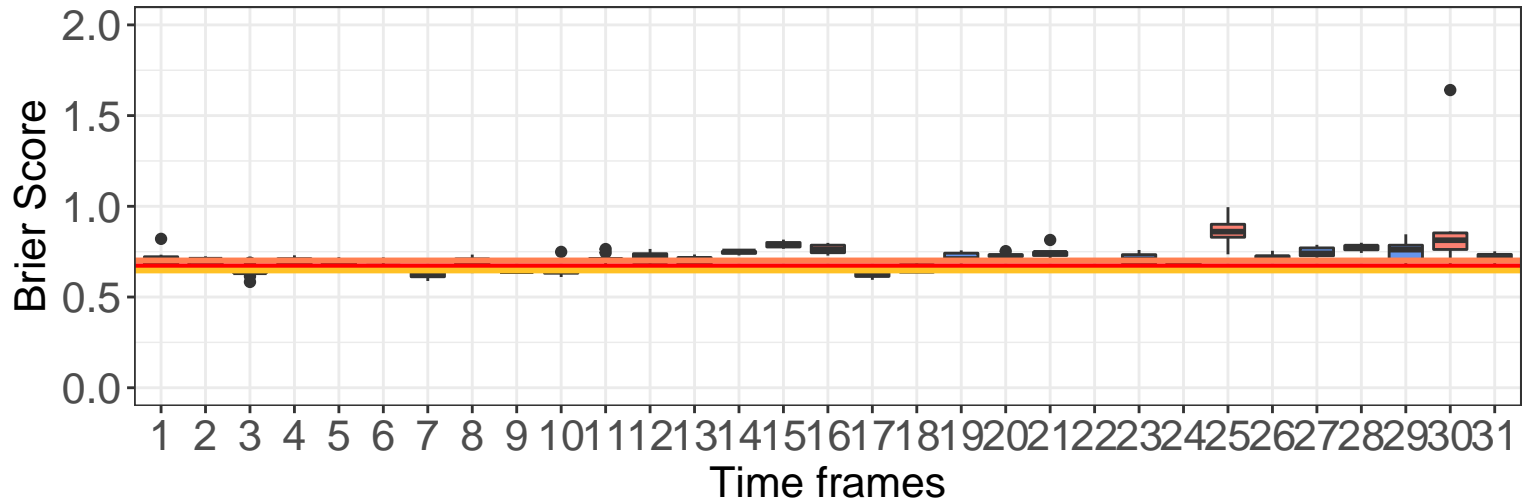

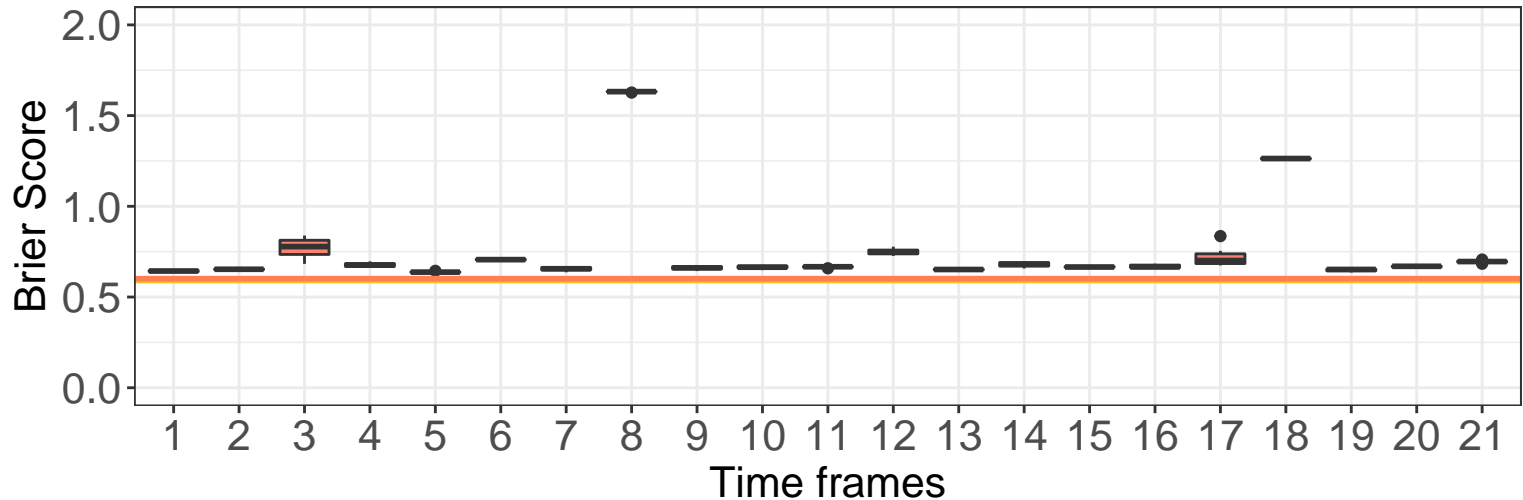

Brier Score performance of Hadoop's models across time – 10 months, Frame: 2

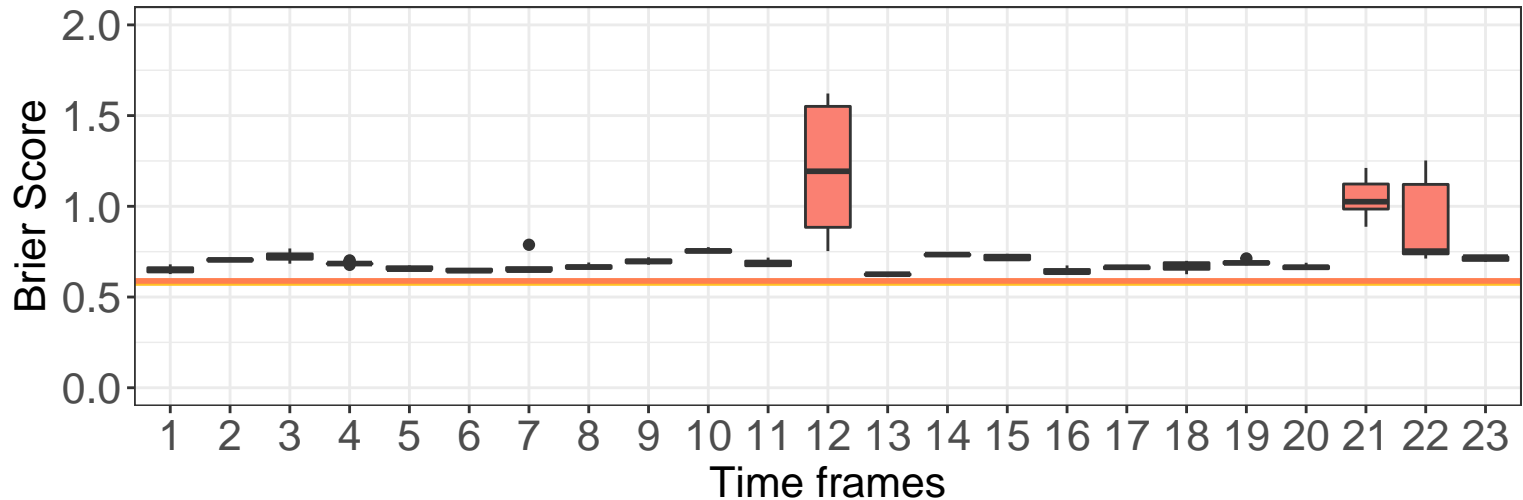

Brier Score performance of Hadoop's models across time – 10 months, Frame: 1

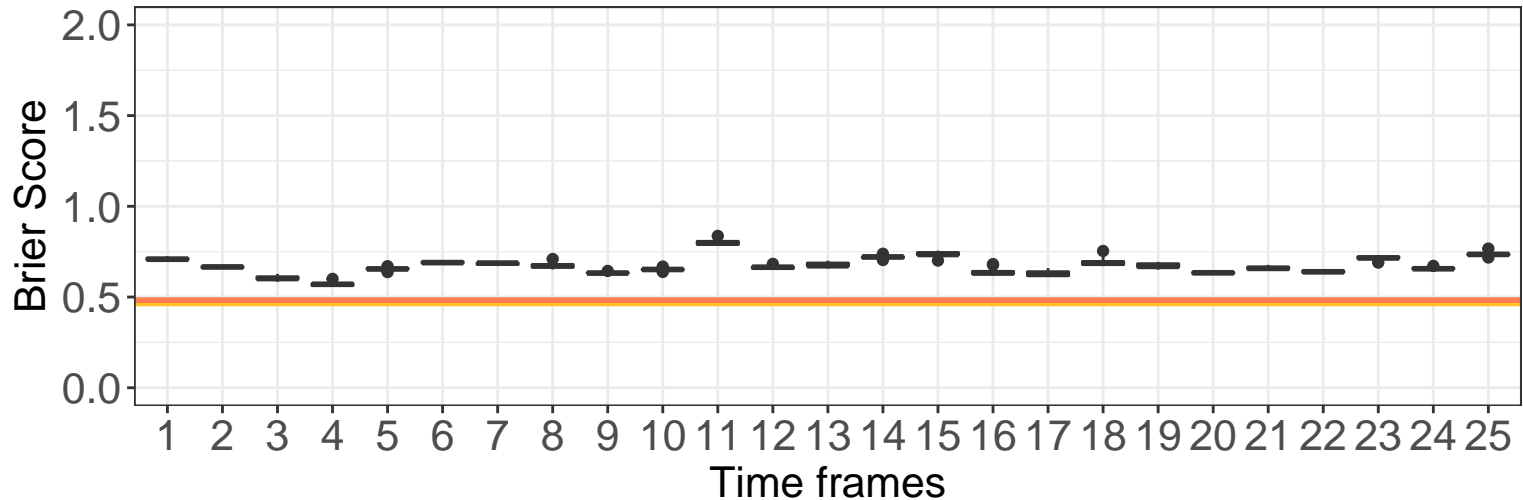

Brier Score performance of Hadoop's models across time – 8 months, Frame: 6

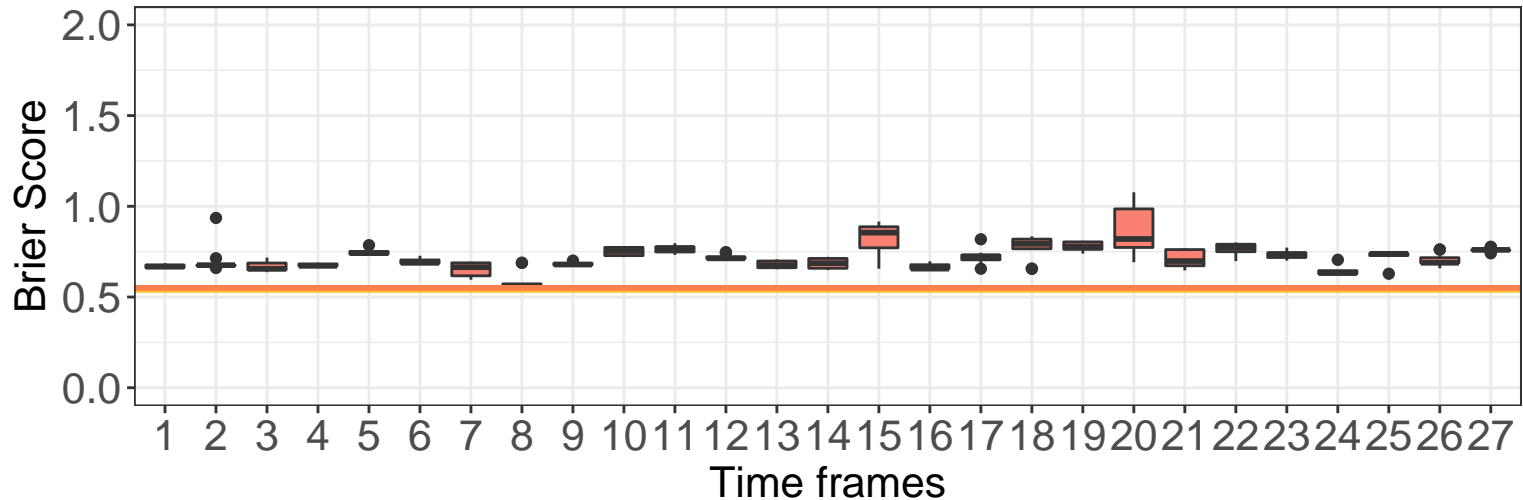

Brier Score performance of Hadoop's models across time – 8 months, Frame: 5

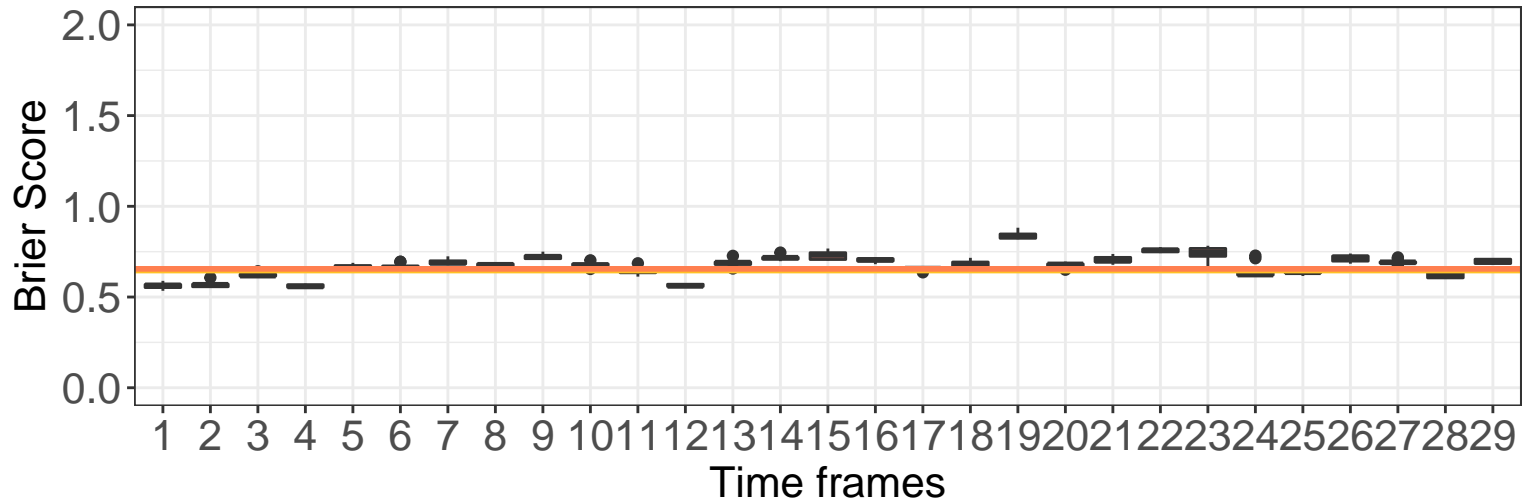

Brier Score performance of Hadoop's models across time – 8 months, Frame: 4

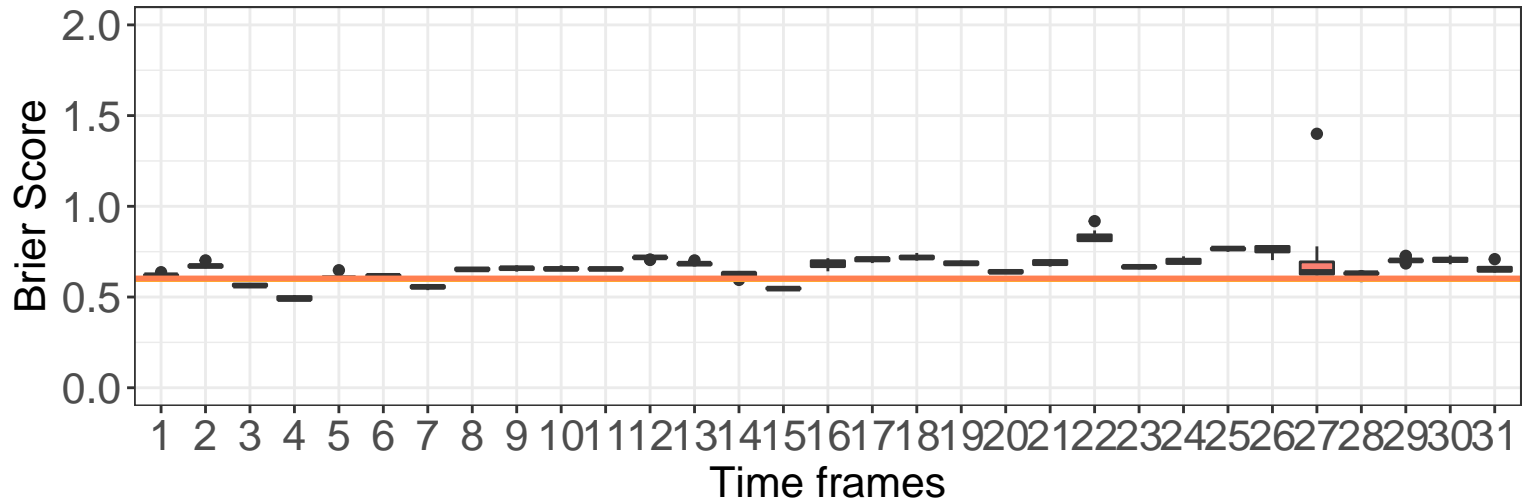

Brier Score performance of Hadoop's models across time – 8 months, Frame: 3

Brier Score performance of Hadoop's models across time – 8 months, Frame: 2

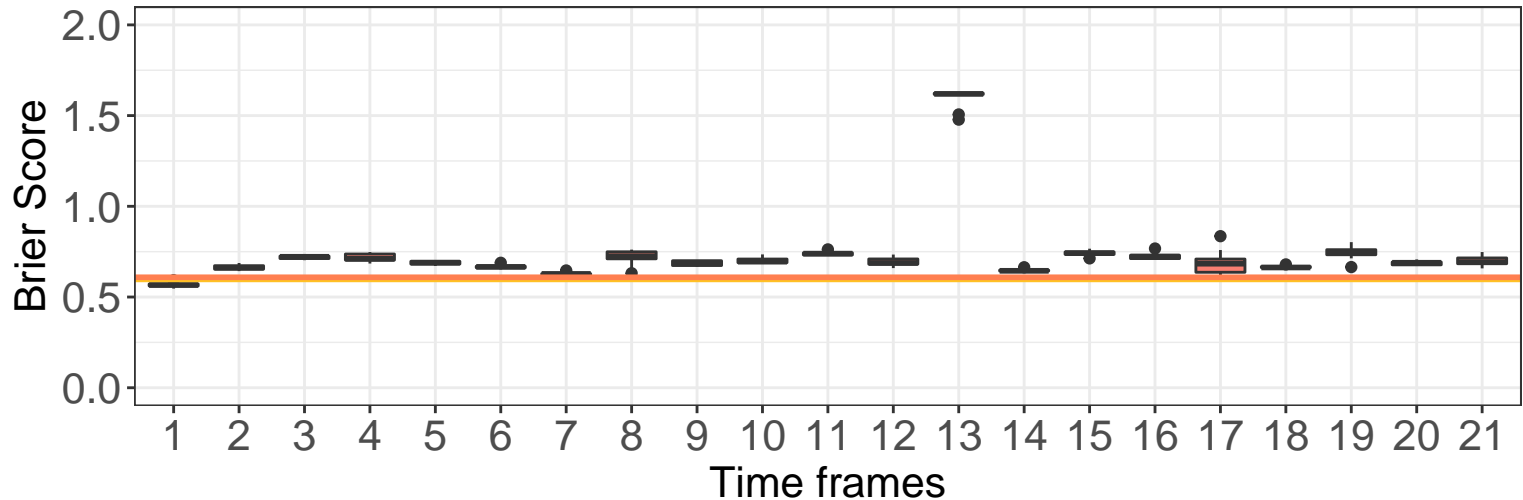

Brier Score performance of Hadoop's models across time – 8 months, Frame: 1

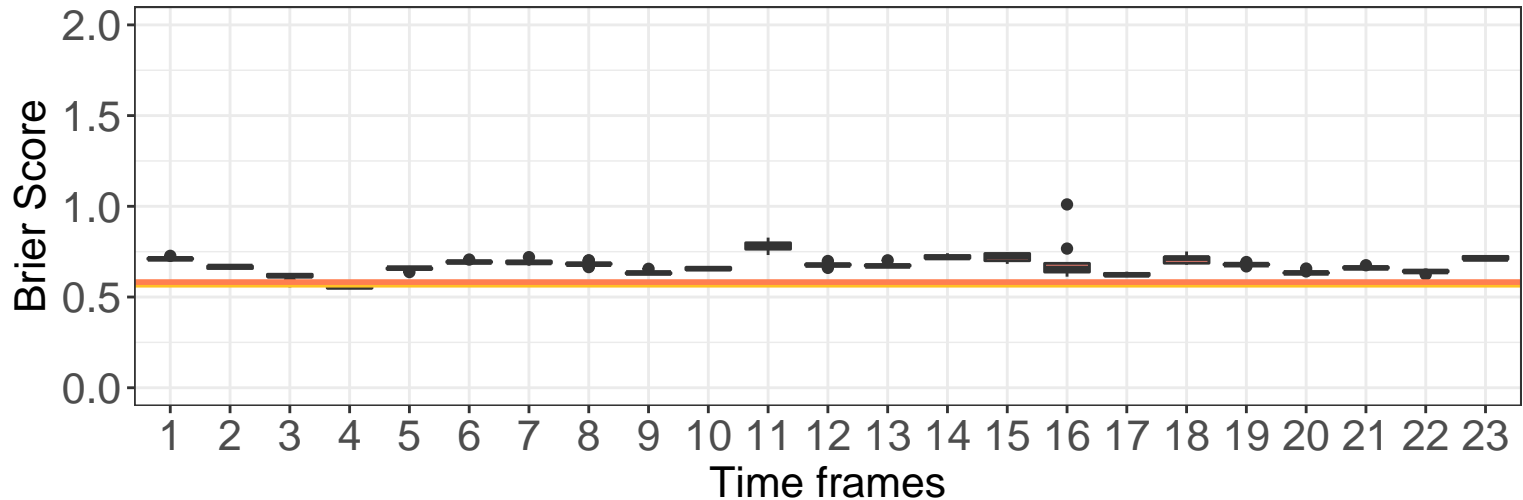

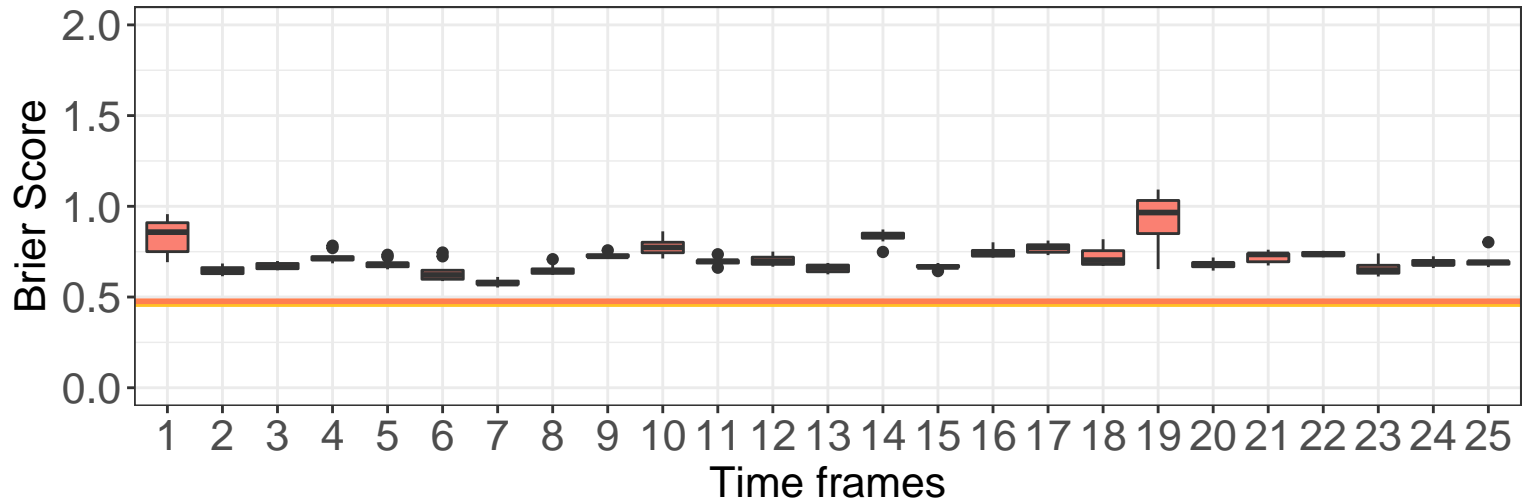

Brier Score performance of Hadoop's models across time – 6 months, Frame: 6

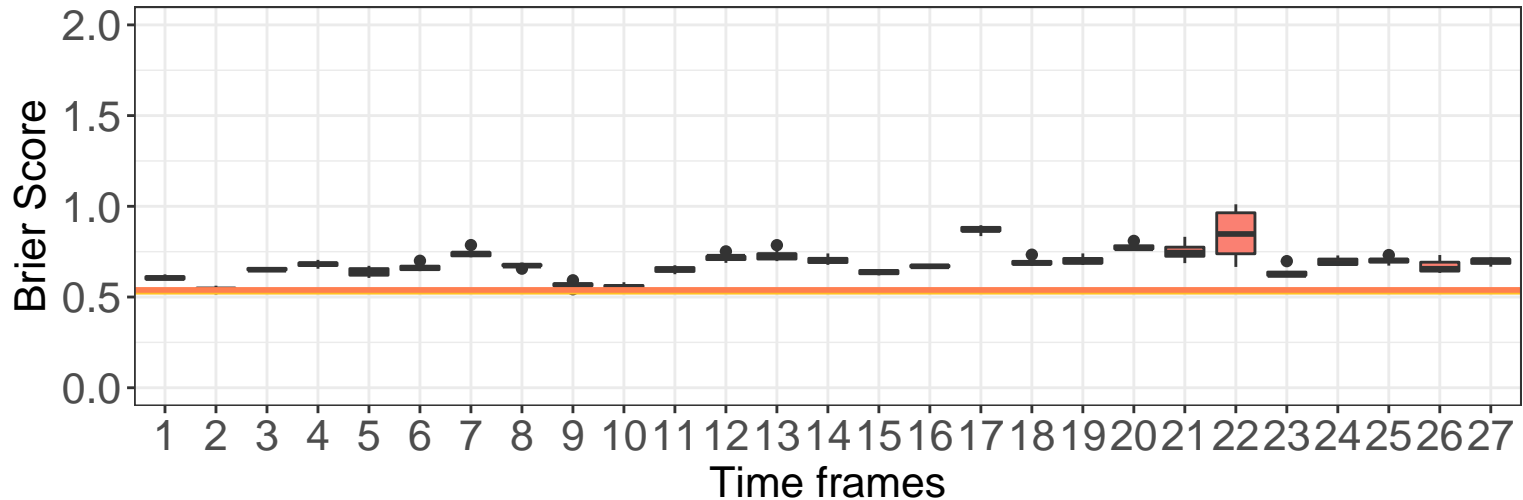

Brier Score performance of Hadoop's models across time – 6 months, Frame: 5

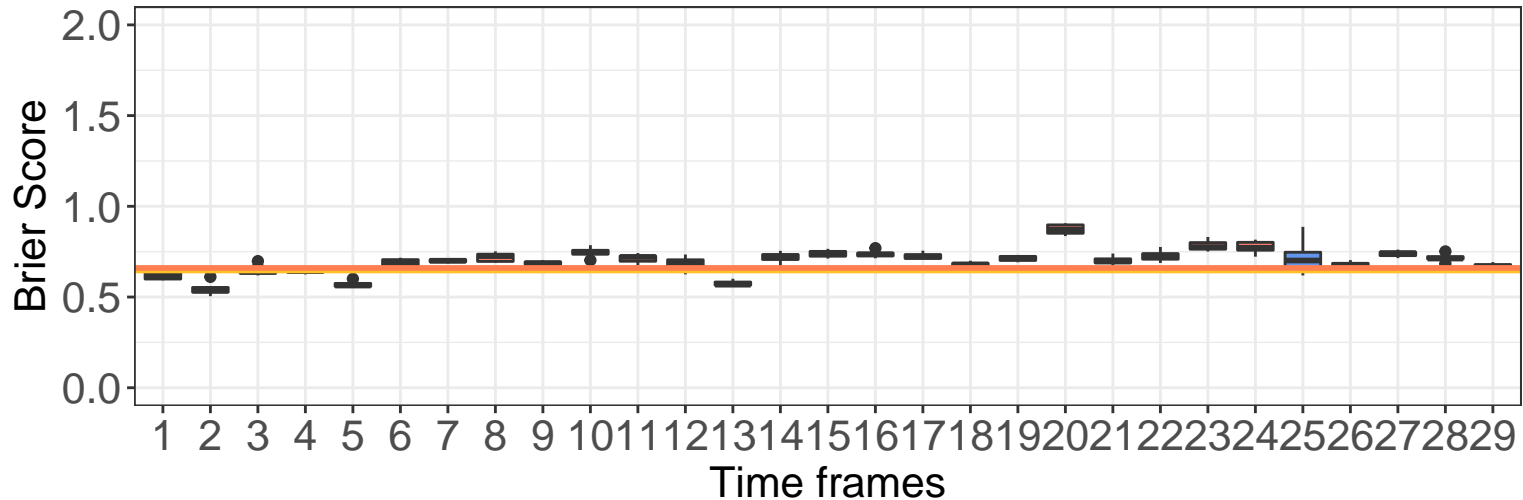

Brier Score performance of Hadoop's models across time – 6 months, Frame: 4

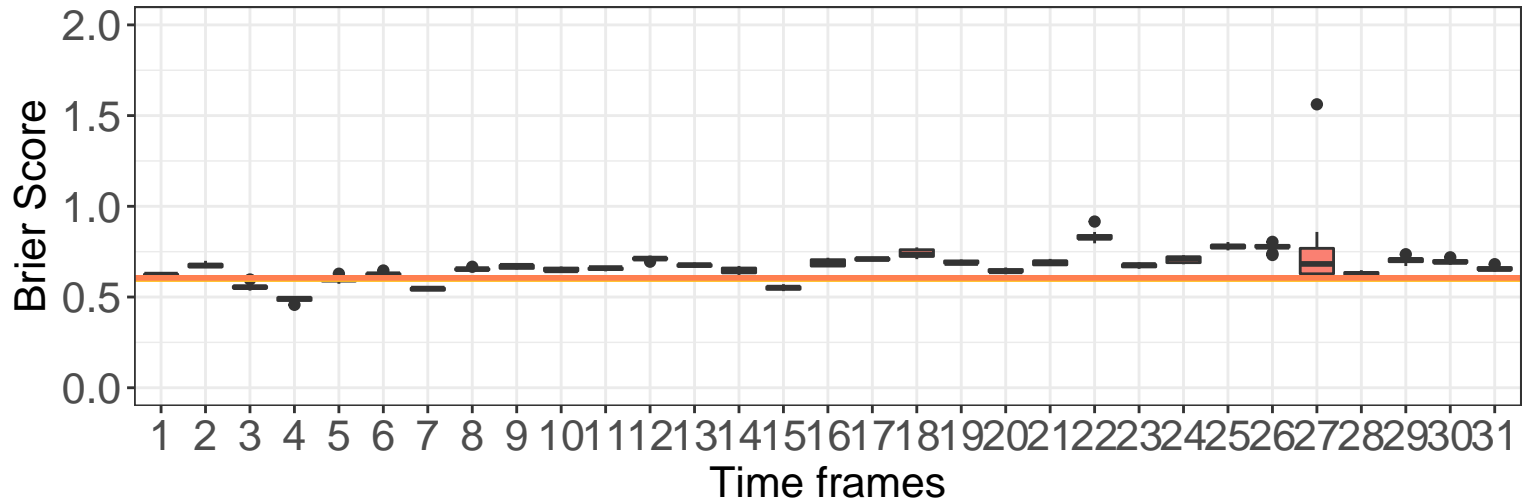

Brier Score performance of Hadoop's models across time – 6 months, Frame: 3

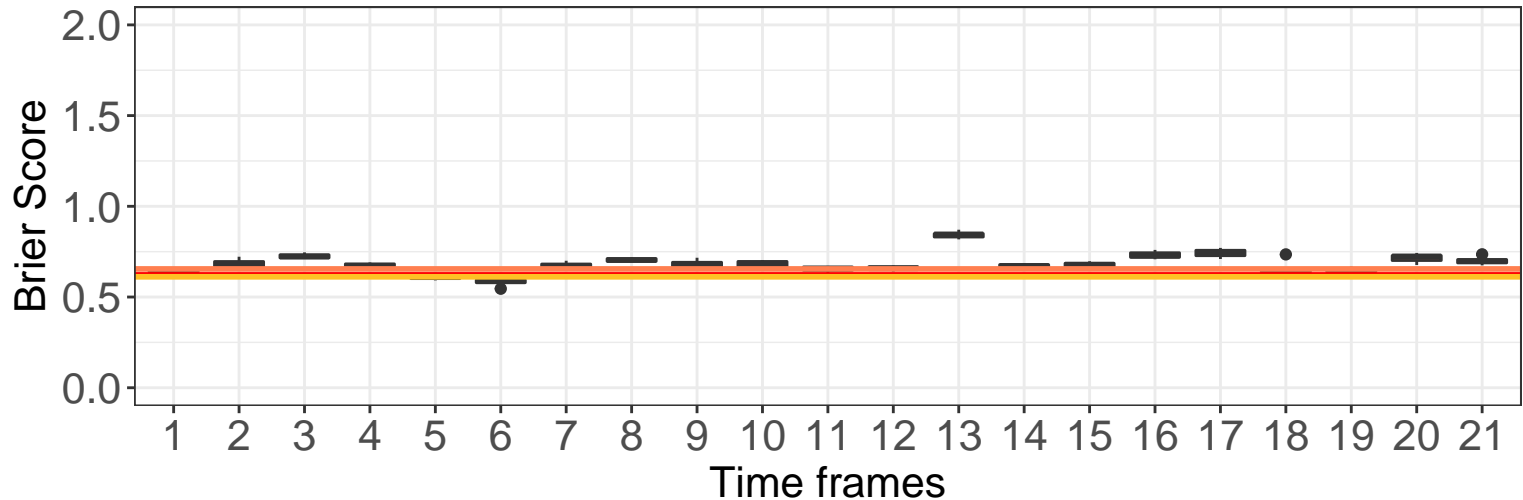

Brier Score performance of Hadoop's models across time – 6 months, Frame: 2

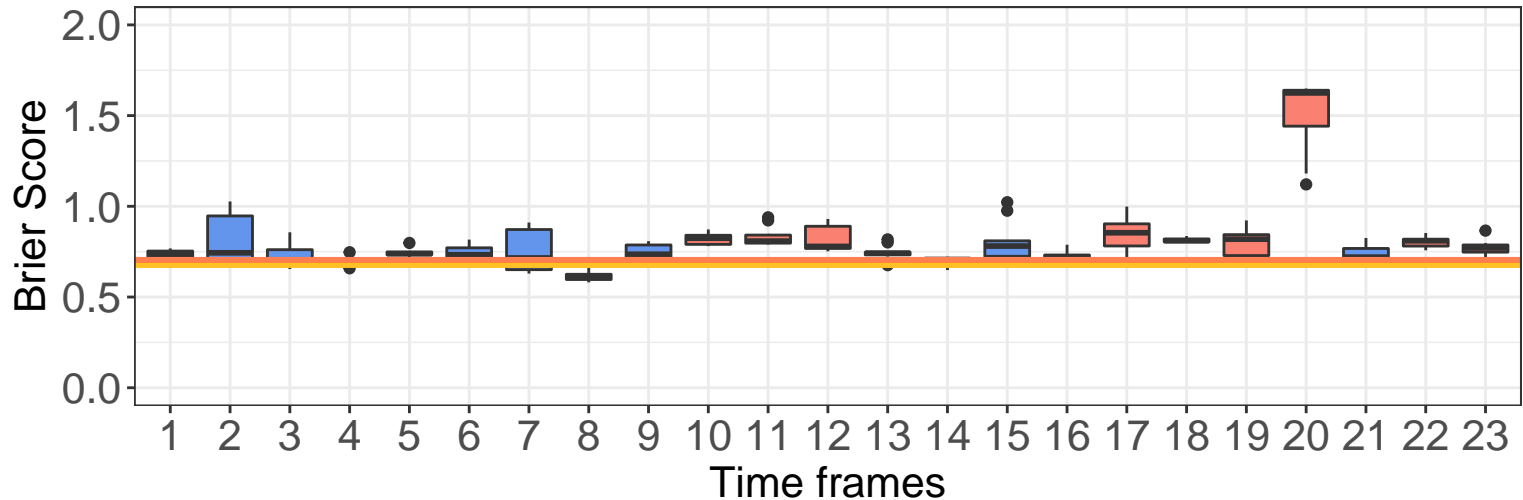

Brier Score performance of Hadoop's models across time – 6 months, Frame: 1

Brier Score performance of Hadoop's models across time – 4 months, Frame: 6

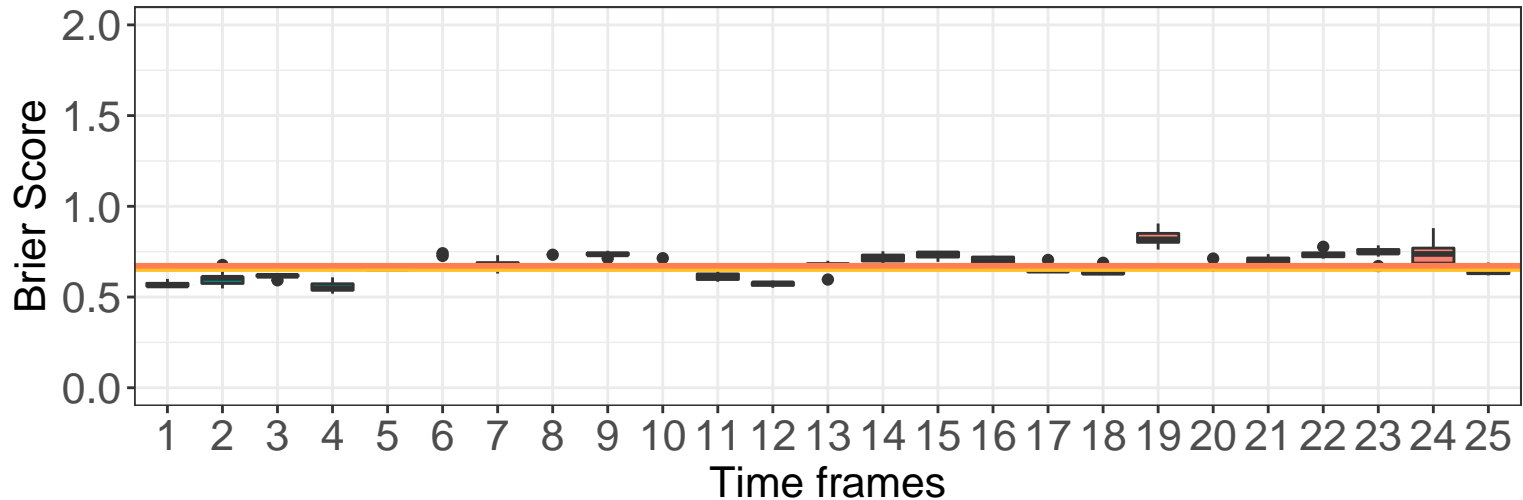

Brier Score performance of Hadoop's models across time – 4 months, Frame: 5

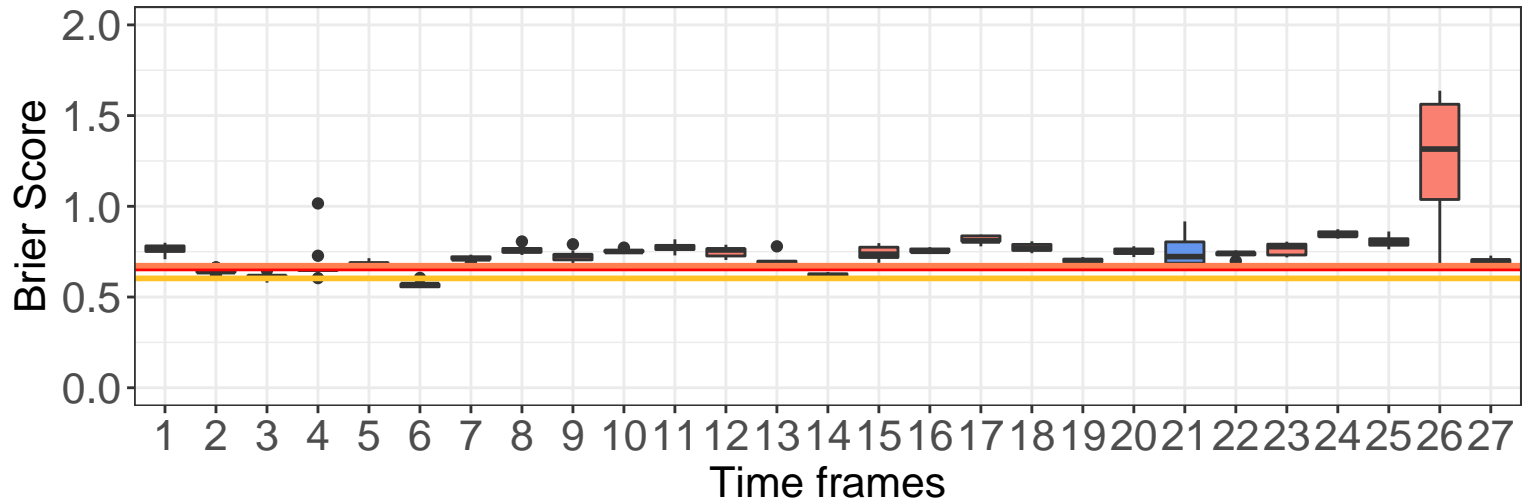

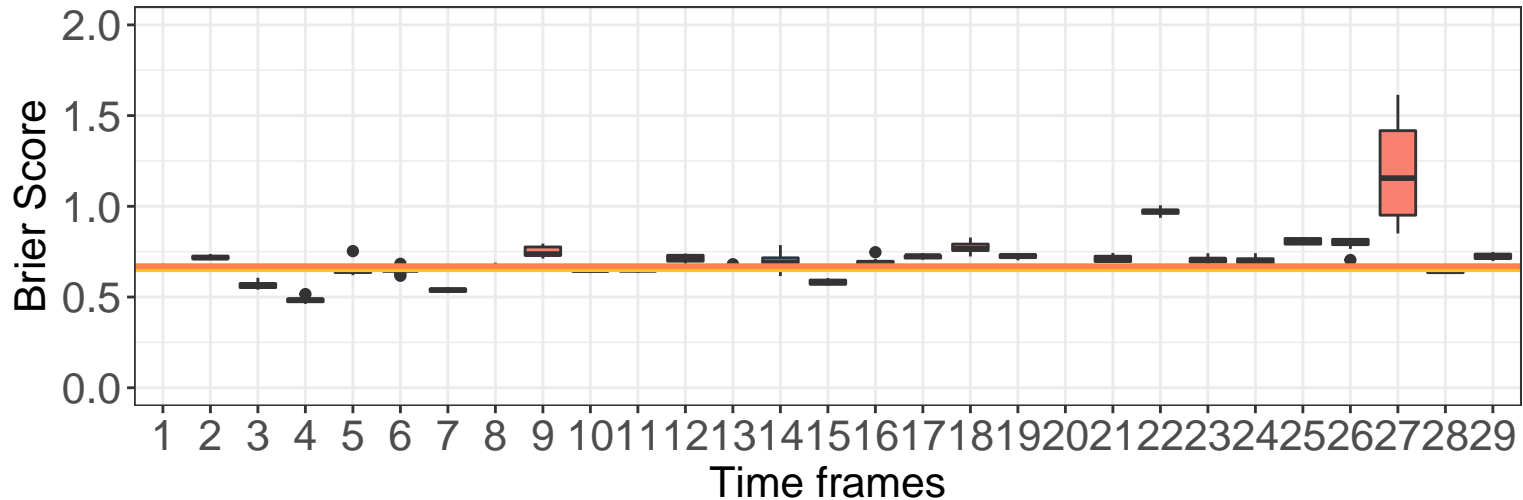

Brier Score performance of Hadoop's models across time – 4 months, Frame: 4

Brier Score performance of Hadoop's models across time – 4 months, Frame: 3

Brier Score performance of Hadoop's models across time – 4 months, Frame: 2

Brier Score performance of Hadoop's models across time – 4 months, Frame: 1
