EOSC-ENTRUST
1st Requirements and Capabilities Workshop

Susanna Repo (CSC), Pål Sætrom (NTNU), Stefan Negru (CSC)

eosc | ENTRUST

European Network of Trusted Research Environments

Welcome to the 1st EOSC-ENTRUST Requirements and Capabilities Workshop

Please remain muted unless you are invited to speak by the Chair

Please use the "hand-raising function" to indicate you would like to contribute directly

The meeting will start at the top of the hour

This meeting will be run in line with the ELIXIR Code of Conduct
If you have any concerns, please refer to the Code of Conduct on the ELIXIR website

Attendees are encouraged to have their camera on when appropriate (bandwidth and circumstances allowing)

Please use "Chat" for further comments or discussions.

Adapted from ELIXIR housekeeping slides

ELIXIR's Code of Conduct – the principles

The Code of Conduct pertains to ELIXIR organised or funded events

We value
each other's perspectives

We adopt
a zero-tolerance approach to harassment and discrimination

We maintain
high ethical standards

We'll apply
honesty and integrity in the dealing of any transgressions against the Code.

We're committed
to making ELIXIR events collaborative, supportive and enjoyable

We'll ensure
a respectful and inclusive environment

Round-table of introductions

Short introductions (everyone)
- Please add your name and WP(s) to the participants list in the agenda

https://eosc-entrust.eu/about
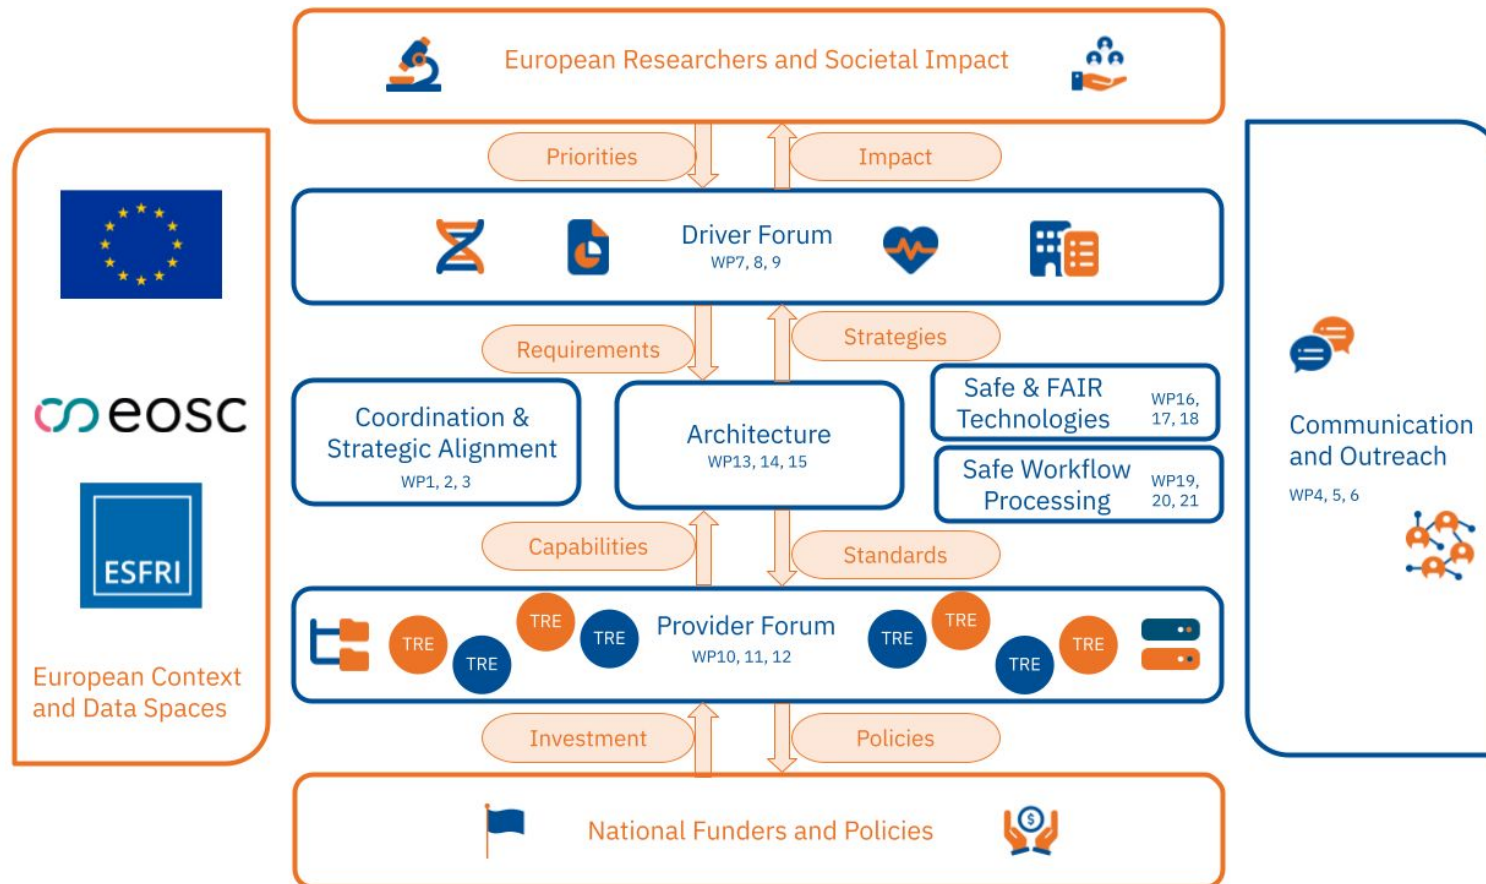

Workshop objectives

★ Defining a set of minimal requirements needed, a minimal conceptual description of what a blueprint is

★ Bringing together perspectives from architecture as well as from Driver and Provider forum point of view

★ Providing input for the related deliverable "D13.1 - Draft Roadmap for EOSC-ENTRUST Blueprint",
the "initial version of a roadmap document presenting the steps needed for the blueprint".
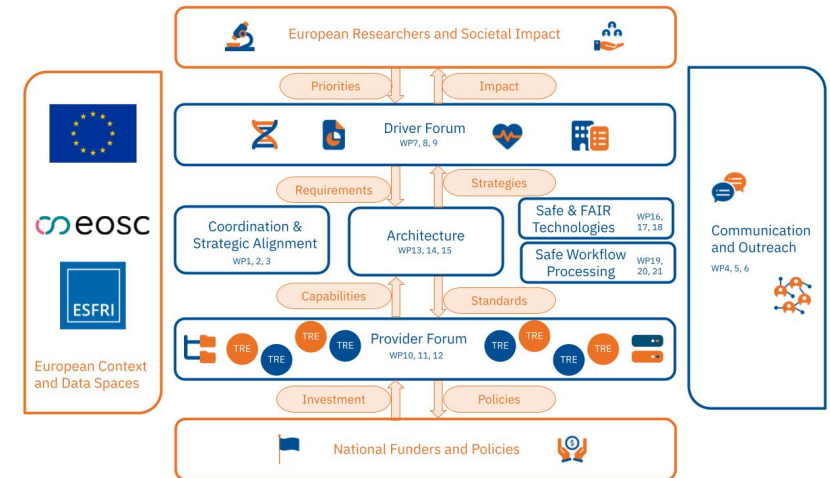

Agenda 7 May

Time	Session	Presenter
12:00-12:30	**Opening** ● Words of welcome ● Housekeeping ● Round-table of introductions ● Objectives of the workshop	Susanna Repo Pål Sætrom
12:30-13:15	**Introduction** ● Five safes ● First overview: Draft Roadmap ● Discussion	Chris Cole Heikki Lehväslaiho
13:15-13:30	**Break**	
13:30-14:45	**Session on requirements (Drivers)** ● Driver 1 (FEGA) Perspective ● Driver 2 Perspective ● Driver 3 Perspective ● Driver 4 Perspective ● Discussion	Jan-Willem Boiten, Driver Representatives
14:45-15:00	**Break**	
15:00-16:00	**Session on capabilities (Providers)**	10+5 minutes each
	● Presentation on SATRE ● Presentation on Tryggve ● Presentation on de.NBI	● Chris Cole ● Abdulrahman Azab ● Nils Hoffmann, Fabian Paz, Christian Buggedei
	Discussion	
16:00-16:15	**Closing and preparing for the next day**	Susanna Repo
