Regmi, D. R. *Inscriptions of Ancient Nepal*. Vol. 2. New Delhi: Abhinav Publ, 1983: 25.

The following five inscriptions [including this] have the same content [as XXXVIII Chowkitar Stele II]<sup>1</sup> including the date except that the name of the village differs from one to the other, and arrangements of letters are also different made without disturbing the content. They are also situated in one area [Sītāṭīkātala](#). We do not reproduce the text. Their numbers here would be counted serially, 39, 40, 41, 42 and 43 as XXXIX, XL, XLI, XLII and XLIII. The next inscription would number XLIV.)
