

EOSC Support Office Austria

Advancing Research Data Management and Open Science in Austria

Tereza Kalová (University of Vienna), Chair of the EOSC SOA MB
Slides created by the EOSC SOA Secretariat

Who Are We?

**European Open Science Cloud Support Office Austria
(EOSC SOA):**

The operational body of the Austrian EOSC Mandated Organization:
ACONET Association

Who Are We?

A growing community made up of:

- Research support staff, data scientists, and IT support at Austrian research institutions
- Staff members at museums, archives, and repositories
- Actors in national policy and decision-making bodies
- Anyone interested in Open Science!

What Do We Do?

“We strive for a coordinated development of the Austrian Open Science Policy and the realisation of the goals of the EOSC.”

- Connect Austrian research institutions with the European EOSC landscape
- Promote Open Science in Austria by building community

What Do We Do?

EOSC SOA as a Hub for the EOSC and Open Science in Austria

- Regular Newsletter
- Mailing lists for sharing updates, events, and calls
- Events and Calls page on the website
- Resources page on the website for information on Open Science state-of-art and developments
- Such as the quarterly “Austria Country Profile”

Sanchez, B., Bohardt, M., Budroni, P., Guba, B., Hanslik, S., Hasani-Mavriqi, I., Panigl, C., Rieck, K., Schubert, C., & Vohland, K. (2024). Austria Country Profile Q1/2024 (1.0). Zenodo. <https://doi.org/10.5281/zenodo.10886383>

What Do We Do?

Organize Community Events

- New:
 - Webinars for gathering feedback from the community
 - Meeting of EOOSC-A Task Force and Opportunity Area members in Austria
- Recurring:
 - EOOSC Café hosted by the Ministry of Education, Science and Research
 - Annual General Assembly:
 - **SAVE THE DATE: 17.12.2024, 12 to 5 pm at the University of Vienna**

How to Get Involved as Individuals?

- Get involved in our working groups
- Attend our events
- Send us events and calls for the website
- Contribute to the Newsletter with a short feature of your initiative, project, or new development
