

Introduction to the Webinar EDU4Standards: Pioneering Standardisation Education in Europe

Gabriella SESTINI
Unit H3 Standards Policy – DG GROW
European Commission

Standardisation Strategy - Pillar 1

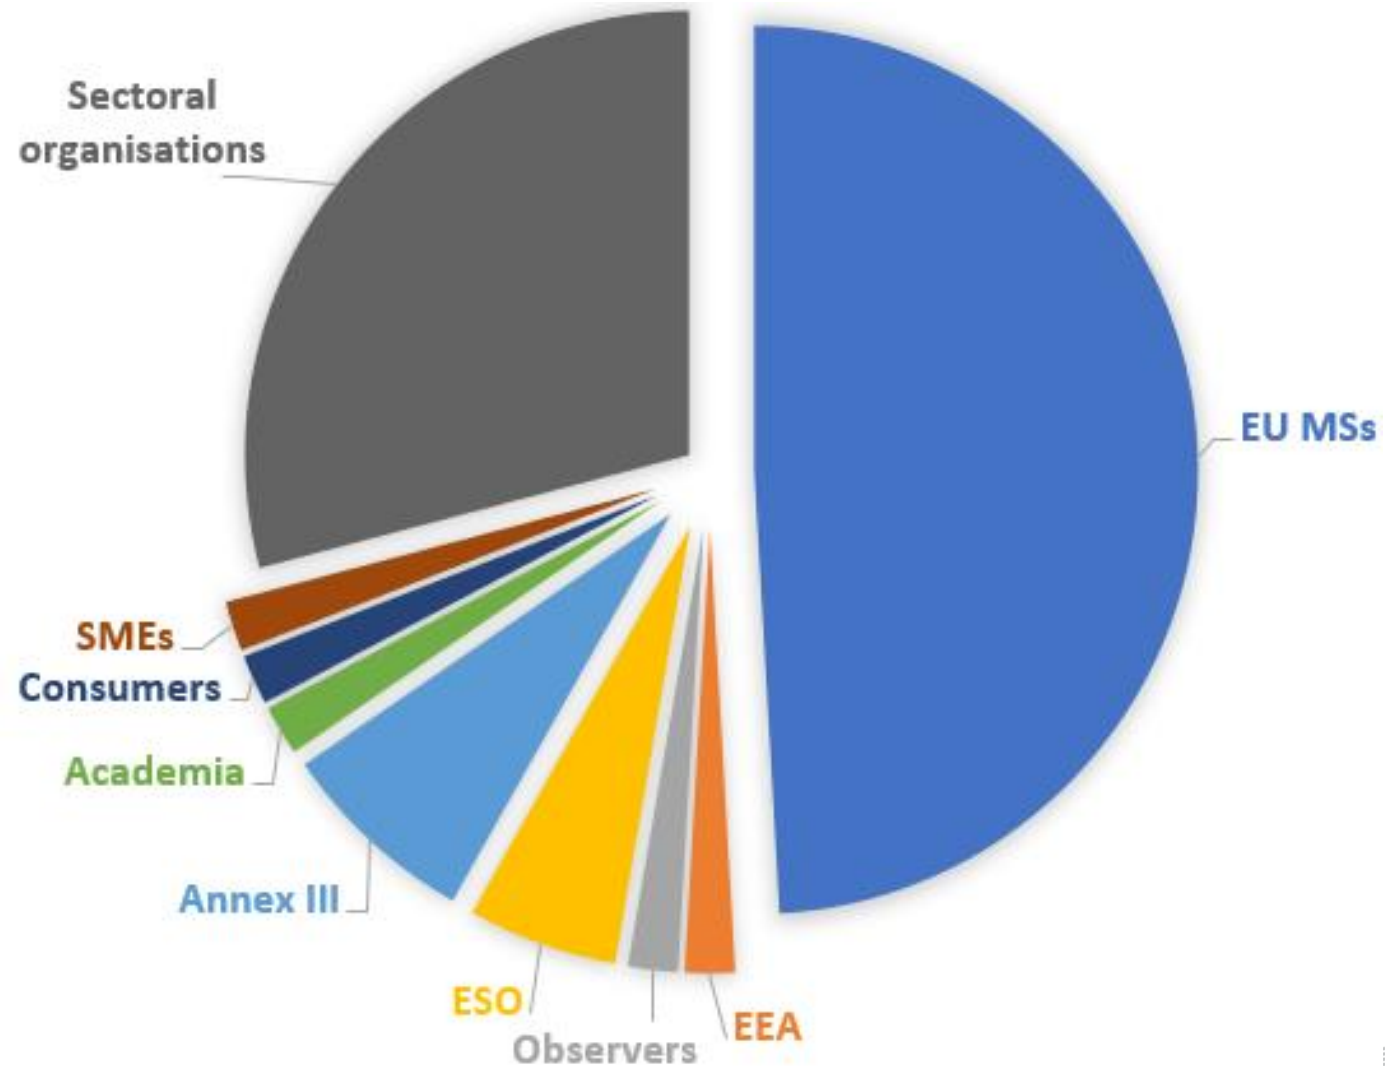

Priority Setting & Speed

- **Chief Standardisation Officer** nominated on 15/06/2022.
- **High-Level Forum** – 1st meeting in January 2023 and 2nd meeting in November 2023. 3rd meeting in October 2024.
- **EU Excellence Hub** – Network building, expertise sharing.
- **2024 Annual Union Work Program on standardisation** reflects twin transition priorities – action grants issued/launched.

Forum's members

Currently 55 members,
still 5 available seats

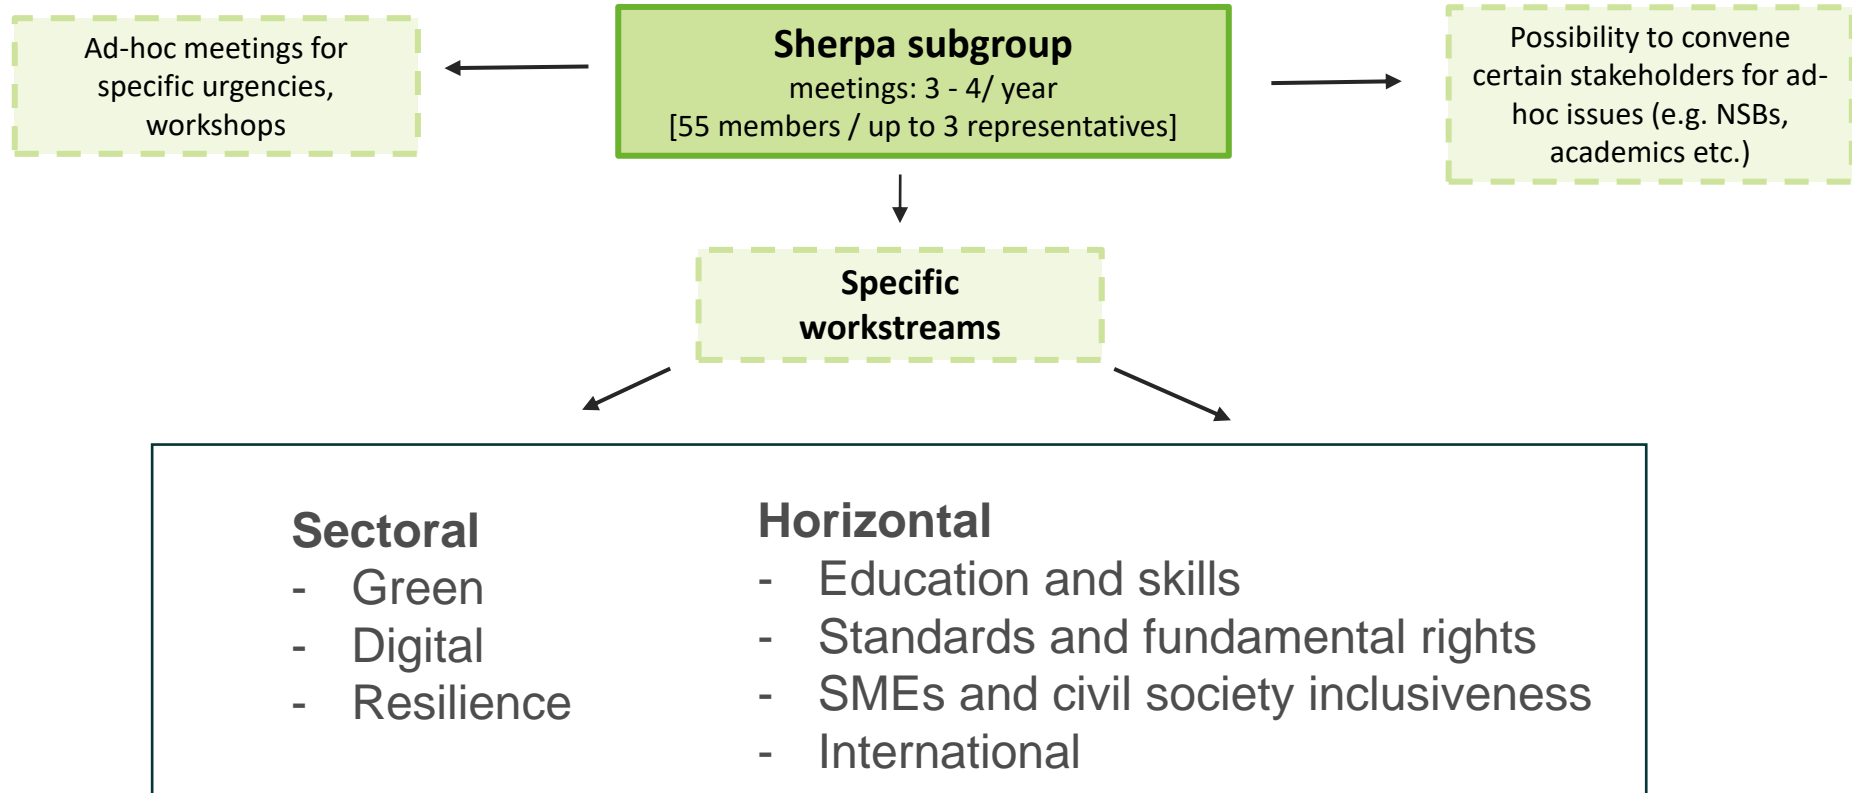

Role of the Forum

1. Identify standardisation priorities in support of EU policies and legislation, for a green, digital and more resilient Single Market
2. Bring more alignment between European policy priorities, industrial innovation and investment activities and standardisation actions
3. Discuss horizontal issues such as international leadership and education and skills, in a multi-stakeholder setting.

High-Level Forum on European standardisation

Meeting 1-2/year [55 members / 1 main representative + 1 alternate]

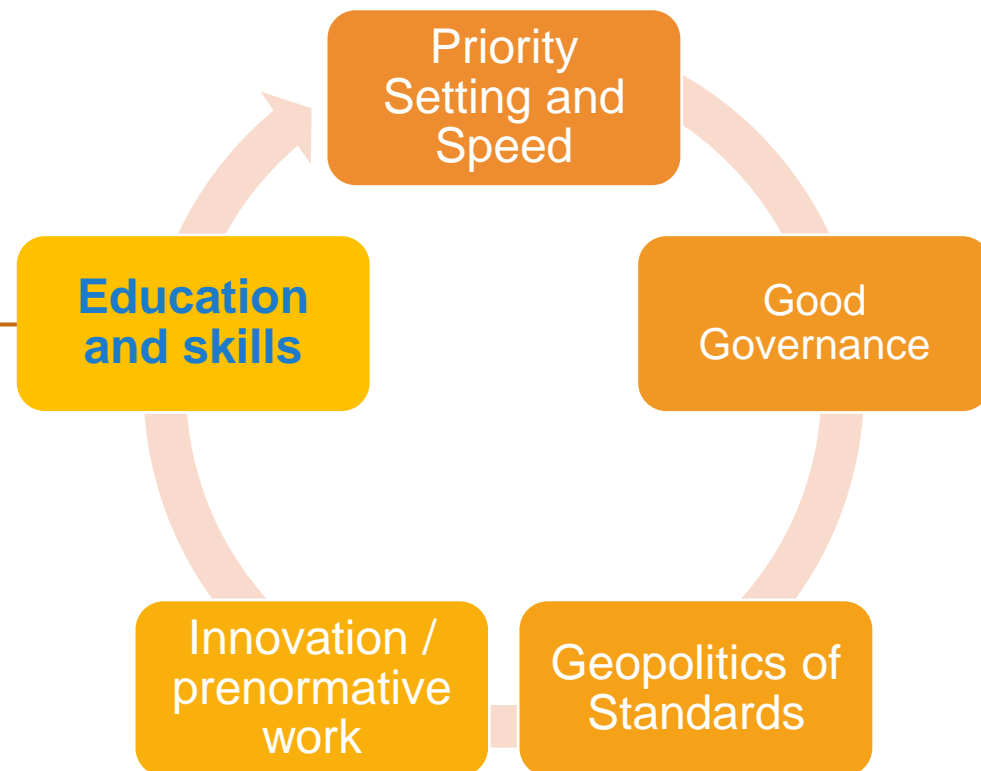

3-year
mandate

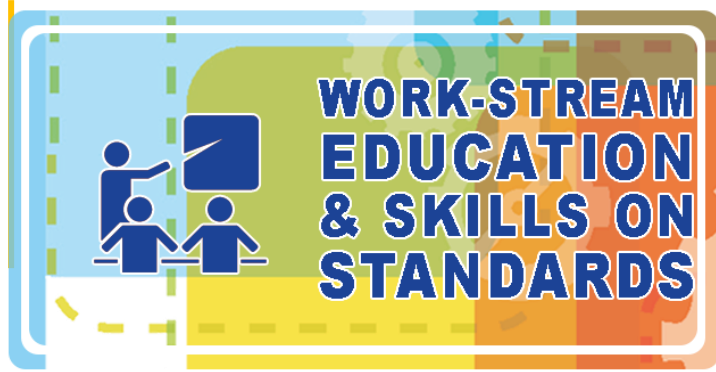

Standardisation Strategy - Pillar 5

Education and Skills

- **Horizon Europe Work Program 2023:** education and skills for standards project signed with consortium
- HLF –look at the issue in detail and propose
- Conference “Education on standardisation in Europe” on 17-18 June 2024

15 members involved

Leader: Eindhoven University of Technology (TU/e)

Co-leaders: CEN-CENELEC + DIGITALEUROPE

Supporting members:

- Belgium
- France
- Germany
- Greece
- Luxembourg
- Sweden
- The Netherlands
- DIGITAL SME Alliance
- ETSI
- SBS
- T&D Europe

Objective:

Based on the current state, identify challenges, engage relevant actors, align with other efforts, recommend solutions.

Deliverables:

- Pledge on Education & skills
- Conference in Delft on 17-18 June 2024 + update on Pledge implementation
- a report with conclusions and recommendations

Education & Skills on standards PLEDGE

1 Provide training opportunities for students and young graduates, such as internships

- offered by the Forum's members but also by the organisations or companies they represent

2 Promote the engagement of students and young graduates in standardisation-related work.

•

3 Promote standardisation education by means of awareness campaigns

- Targets: educational institutes, companies /organisations at different levels, including the board/CEO level

4 Develop dedicated educational modules on standardisation for business, law or engineering degrees

- aimed at research universities (bachelor or master level), or at other Higher Education Institutions (HEIs)

5 Develop standardisation expertise through Vocational and Education Training (VET)

Signatory members committed to undertake one or more of the above actions and inform the EC once a year on their implementation
