

RESEARCH INFRASTRUCTURE AUTOMATION WORKSHOP

Start: 24th September 2024 13:00 CEST

End: 25th September 2024 14:00 CEST

Roskilde, Denmark

Technical University of Denmark (DTU), Risø Campus

REGISTER NOW!

Session outline:

- *Collaboration:* metadata and digital tools for facilitating research collaboration and data exchange
- *Automation:* how energy system test setups can be repeatable and reproducible (and less complex to handle)
- *Coupling of Test Facilities:* Methods, Techniques and Technologies to couple large scale test resources from multiple RIs
- Live Laboratory Demonstrations
