NOTES ON THE ARCHIVAL SOURCE:

Brief von Schulz, Fritz an Dryoff, Adolf, Nachlass Adolf Dryoff, S 2834.1, 31.12.1924 Bonn, Schulz, Fritz (Jurist) an Dryoff, Adolf (Philosoph): (1 pg.) note to an 'Elaborat' requested by Dryoff. Schulz advises Dryoff to desist from associating himself with Zitelmann, Kosack and Crome, since the 'current faculty' are more likely to be their opponents than proponents.

Brief von Schulz, Fritz an Dryoff, Adolf, Nachlass Adolf Dryoff, S 2834.2: unknown letter apparently signed by Fritz Schulz, Koblenz 19.8.1910, to a 'professor': (6 pg.) seeing the philosophical content probably to Dryoff, part of the Nachlass Dryoff, was Schulz in Koblenz in 1910? Letter contains many references to metaphysical philosophy.
