NOTES ON THE ARCHIVAL SOURCE:

Briefe Rothacker, Erich von und an Wieacker, Franz, Leipzig 8.7.1944-6.10.1952, NL Rothacker I.1, 08.07.1944, Leipzig, Wieacker, Franz an Rothacker, Erich: (4 pg.) response to a letter of Rothacker regarding a request to write a part of a history of science concerning the history of civil law. Wieacker states he is already in preparation of his 'Privatrechtsgeschichte'. Legal philosophy is not an option, since Wieacker is not particularly interested in that subject. Moreover, his academic duties after the 'Zerstörung' of his institute, as well as the problems of war, prevent him from complying.

Briefe Rothacker, Erich von und an Wieacker, Franz, Leipzig 8.7.1944-6.10.1952, NL Rothacker I.2, 8.8.1944, Leipzig, Wieacker, Franz an Rothacker, Erich: (1 pg.) response to a letter of Rothacker. The time of completion for the volume on the history of the civil law science is not expedited by the work on 'Privatrechtsgeschichte', since they are fundamentally different of focus.

Briefe Rothacker, Erich von und an Wieacker, Franz, Leipzig 8.7.1944-6.10.1952, NL Rothacker I.3, 18.11.1948, Freiburg im Breisgau, Leipzig, Wieacker, Franz an Rothacker, Erich: (2 pg., postcard) on the progress of the volume on the history of the civil law science.

Briefe Rothacker, Erich von und an Wieacker, Franz, Leipzig 8.7.1944-6.10.1952, NL Rothacker I.4, 6.10.1952, Freiburg im Breisgau, Wieacker, Franz an Rothacker, Erich: (2 pg.) the volume on the history of the civil law science is taking longer, because 'Privatrechtsgeschichte' is still unfinished.

Add. in the archival file: facsimiles of the original letters by Rothacker.
