NOTES ON THE ARCHIVAL SOURCE:

A folder containing many documents regarding Dolf Sternberger. Among them, a letter from Helmut Coing on 6th of July, 1967. Typewritten, one page long. Coing writes to Sternberg and sends him attached a short text on the word “universitas” written by one of his Mitarbeiter. Unfortunately we don’t have the text attached to the letter. Coing then congratulates Sternberger on the article the latter has written on the “angeblich restaurative Bundesrepublik”, saying how much such a text was necessary to clarify and explain the matter.
