

TBS model for absolute loss, mean prediction – best in absolute bias

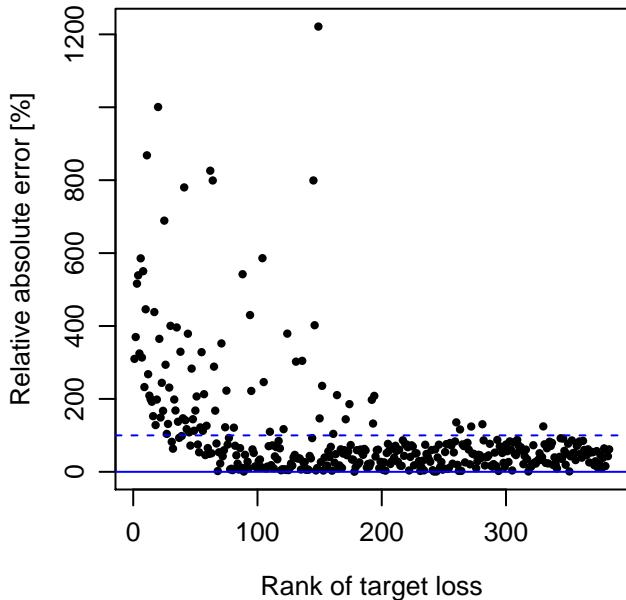

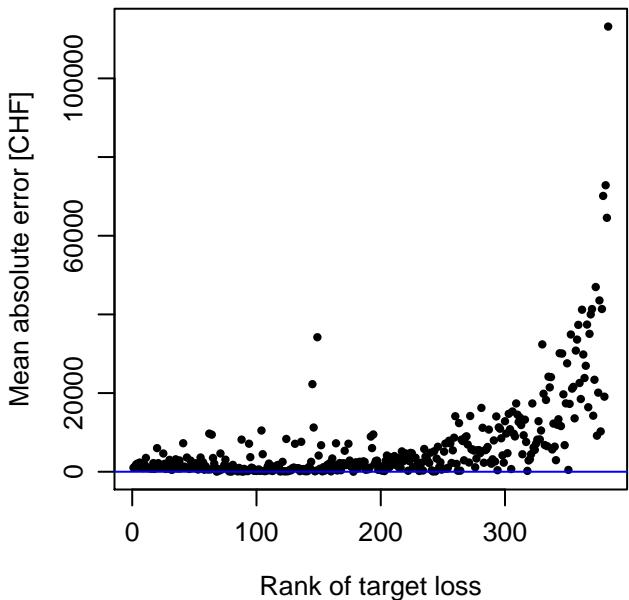

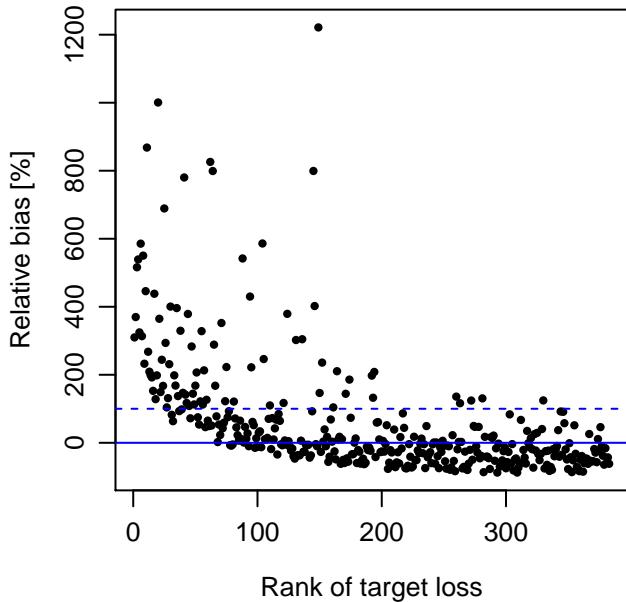

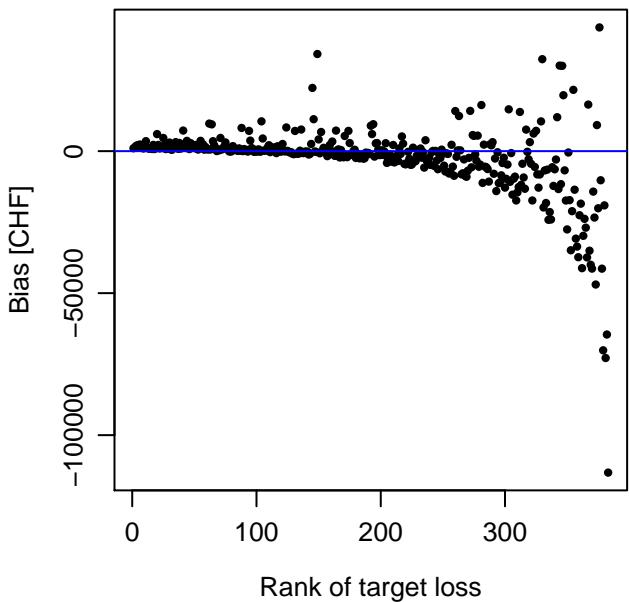

PTBS model for relative loss, mean prediction – best in RMSPE

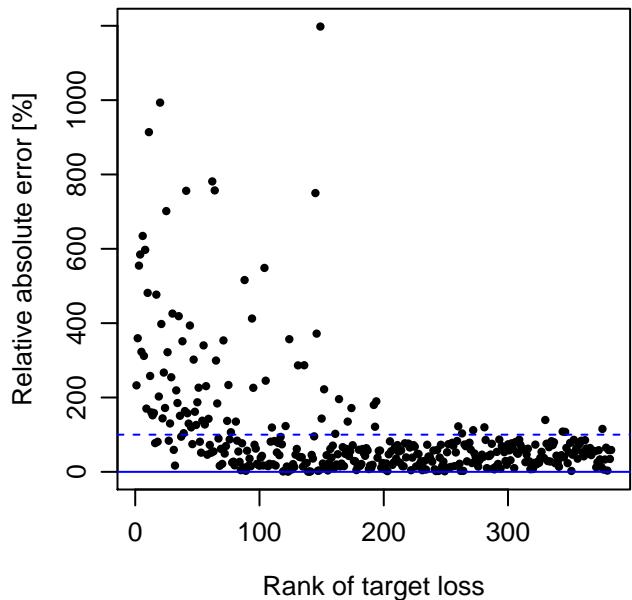

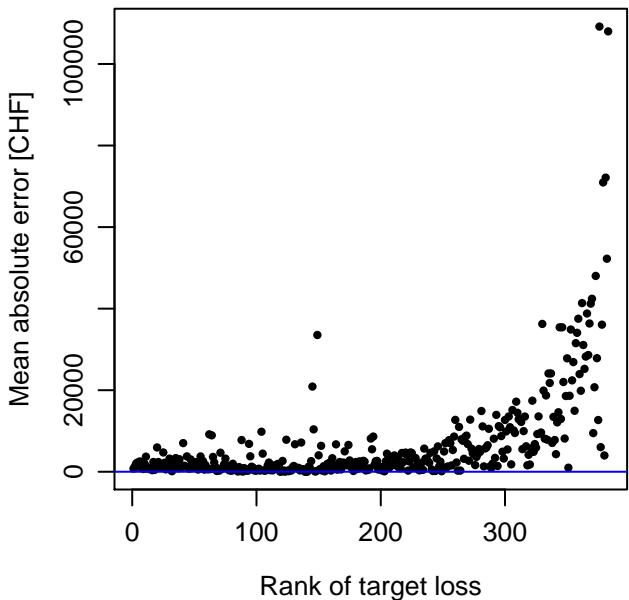

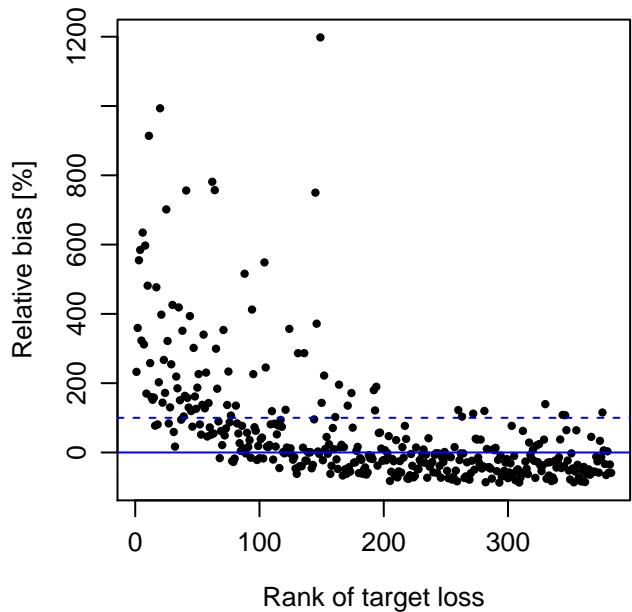

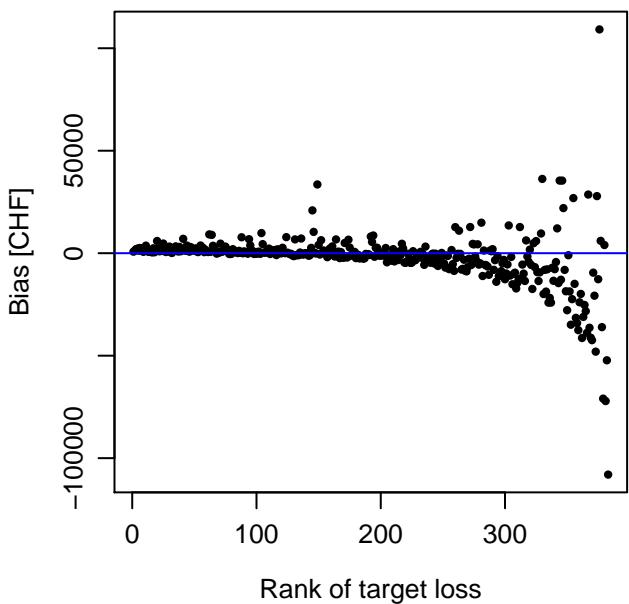

PTBS model for relative loss, median prediction – best in abs. error

TBS model for absolute loss, median prediction – best in rel. bias and rel. abs. error

TBS model with separate lambda for absolute loss – 2nd best in rel. bias and rel. abs. error

TBS model for relative loss, median prediction – best in terms of overall ranks
