Funded by the European Union

DIAMAS Conversation series for libraries

an informal engagement space where we share project results,
discuss issues related to Diamond OA and develop a community for Diamond OA

DIAMAS

DIAMAS Project

https://diamasproject.eu/

- Duration: 36 months
- Starting date: September 2022
- Horizon Europe funding
- Budget €3m
- Participants: 23 public service scholarly organizations from 12 European countries

Project objectives

- Provide the research community with an **aligned, high-quality, and sustainable OA scholarly communication ecosystem**, capable of implementing OA as a standard publication practice across the ERA.

- **Create a community, supporting services, and non-technical infrastructure for Institutional Publishing Service Providers (IPSPs)** that adopt common standards, guidelines, and best practices.

- **Common standards, guidelines, and best practices**

Toolsuite is a comprehensive collection of concise, user-friendly articles, structured around the seven core components of DOAS (available in multiple languages)

Guidelines are designed to assist Diamond OA publishers and their service providers in implementing the Diamond Open Access Standard (available in multiple languages)

A suite of resources for publishers, service providers and funders to support the sustainability of institutional publishing
